GOVERNOR'S REPORT

Gov. J. Robert Benavides

Ma Gu Wam,

Administration thanks the people who showed up for the Community Meeting on Saturday, October 14, 2017. The meeting was quite informative however we were not able to get through the entire agenda. In preparation for the next Community Meeting, items of concern will be included for our next meeting. I hope to hold another meeting during the early part of next year.

We provided a "comment" box and received 7 inquiries:

- "When was tribal road 90 going to be paved"?
- Can a shade be built for the Library and Department of Education property?
- There was a request of the Tribal Council to publish the business of Tribal Council in the newsletter
- Pay attention to the strides the Elementary School is making for our children

Administration oversees 44 Departments and we depend on the Directors to inform us of concerns affecting their programs. The questions from the meeting are under discussion and will be addressed at the next meeting. The duties of the Governor and my Lieutenants are 24-7 at the Federal, State, Tribal, Surrounding Communities and Isleta's community issues. During the Tribal Council meeting on October 23, 2017 it was mentioned that Tribal Council prepare a report for the News Letter.

TURKEY DISTRIBUTION

The holidays will soon be upon us and the Turkey Distribution will be held on NOVEMBER 14TH & 15TH, 2017, 8 AM TO 6 PM each day at the Isleta Recreation Center. Please provide tribal enrollment card to verify eligibility. ONE TURKEY PER HOUSEHOLD PLEASE.

AUGUST 2017 PER CAPITA DEADLINE

PER CAPITA DISTRIBUTION SCHEDULED FOR DECEMBER (SECOND OF 2017)

The Isleta Tribal Council has discussed and reached a consensus that there will be a Per Capita distribution on Saturday - December 16th, 2017, from 8:00 AM - 12:00 PM at the Main Recreation Center. Thereafter, checks can be picked up at the Treasury Office at the Tribal Service Complex. Checks will be in the amount of \$1,250.00 with an estimated Cost of \$5,580,000. No Deductions will be made from this distribution.

Eligibility:

Registered Tribal Members as of December 31, 2017. Available for distribution only until March 1, 2018. Thereafter the March 1, 2018 date, checks will not be available.

Taxable vs Nontaxable Distributions

TOTAL DISTRIBUTIONS

\$133,019,417	
NONTAXABLE	\$106,110,326
TAXABLE	\$ 26,909,091

DIFFERENCES

NONTAXABLE DISTRIBUTIONS ARE PROCEEDS DERIVED FROM RIGHTS OF WAY, SALES OF NATURAL RESOURCES, LEASES, & AND OR JUDGEMENTS AS RELATED TO ACTIVITIES WITHIN THE RESERVATION.

TAXABLE DISTRIBUTIONS ARE DERIVED FROM TRIBAL INVESTING ACTIVITIES, GAMING RELATED ACTIVITIES, AND OR ANY OTHER INCOME COLLECTED BY THE PUEBLO OF A BUSINESS NATURE.

We thank the people of Isleta for the support, and understanding you give us, we will always have an open door policy for our people, and please understand that we might not always be able to satisfy your needs for reasons that might be beyond our duties, however we will try to do the best for the interest of our people. Thank you.

RESOLUTION NO. 2017-272

2017 PER CAPITA DISTRIBUTION AUTHORIZATION

At a duly called meeting of the Tribal Council of the Pueblo of Isleta, the following resolution was passed:

WHEREAS, the Pueblo of Isleta is a federally recognized Indian tribe with a written Constitution and inherent, sovereign powers;

WHEREAS, the Pueblo of Isleta Tribal Council is empowered by Article V of the Pueblo of Isleta Tribal Constitution to appropriate funds as are necessary for the health, safety, and general welfare of the Pueblo, and for other public purposes and per capita payments to members of the Pueblo, and to manage and control the resources of the Pueblo for the best interest of the Pueblo;

WHEREAS, the Tribal Council has considered the advisability of declaring a per capita distribution to Tribal Members and has determined that such distribution be made pursuant to certain criteria as described herein.

NOW, THEREFORE BE IT RESOLVED by the Tribal Council of the Pueblo of Isleta authorizes a second Per Capita distribution for 2017 as follows:

1. Definitions:

- "Tribal Member" shall mean a person duly enrolled with the Pueblo of Isleta as a Tribal Member and approved by the Tribal Council or Tribal Enrollment Committee as of December 31, 2017.
- "Dependent Adult" means a Tribal Member who is, at the time of enactment of this Resolution, eighteen (18) years of age or older and who is in circumstances experiencing difficulties in the transaction of business, such as a Tribal Member being in a hospital, institution or nursing home.

2. Criteria for Distribution:

- Each Tribal Member will receive a non-taxable Per Capita distribution of \$1,250 to be distributed in one payment of \$1,250 on Saturday December 16th, 2017 at the Isleta Main Recreation Center from 8am to 12pm. A Tribal ID must be presented to receive the distribution. The entire \$1,250 distribution is nontaxable to each Tribal Member, nor reportable.

(Continued on page 2)

Pueblo of Isleta Service Providers are encouraged to attend

2017 Per Capita Second Distribution

At a duly called meeting, the Tribal Council of the Pueblo of Isleta authorized a second 2017 Per Capita distribution for Tribal Members who are duly enrolled as of December 31, 2017. The second Per Capita distribution will be in the amount of \$1,250 per Tribal Member. The distribution will be made on Saturday December 16th, 2017 from 8:00am to 12:00pm at the Pueblo of Isleta New Recreation building. After December 16th, 2017, Per Capita checks may be picked up at the Treasury Office located within the Tribal Service Complex building during normal business hours 8:00am to 4:30pm Monday – Friday. **Distributions not picked up or requested before March 1, 2018 will be VOID and NO LONGER AVAILABLE.** Tribal members requesting their Per Capita check be mailed or picked up by another individual must provide a **current, Original Notarized Letter** to the Treasury Office (**copies will NOT be accepted**). For this December 16th, 2017 Per Capita distribution, the Pueblo of Isleta shall not withhold or garnish any amount from any individual Tribal Member.

**Transit Services
Coming to the
Pueblo of Isleta
12/4/17**

RIO METRO
REGIONAL TRANSIT DISTRICT

The Pueblo of Isleta and the Rio Metro Regional Transit District are pleased to announce two new transit services beginning Monday, December 4, 2017

Bus Route 208 will connect the Pueblo and Valencia County communities to the Alvarado Transportation Center (ATC) in Downtown Albuquerque during the morning/midday when the Rail Runner does not operate. Route 208 will feature three northbound trips arriving at the ATC at 9:30am, 11:00am and 1:30pm, and three southbound trips departing the ATC at 9:35am, 11:05am and 1:32pm. At the ATC, riders can transfer to ABQ RIDE bus routes.

Route 208 will serve two bus stops on the Pueblo of Isleta. The stop closest to the village proper will be located on NM 147 just east of the Rio Grande bridge. Please do not park and leave vehicles unattended on the adjoining roads near this stop, as the bus and other vehicles use these roads to turnaround and access other locations. Route 208 will also stop at the Isleta Pueblo Rail Runner Station, where riders can transfer to the Isleta Resort and Casino shuttle. Because the bus serves the station, riders can also consider using Route 208 in combination with Rail Runner, for example, taking the bus to Downtown Albuquerque in the mid-morning and returning by train in the evening.

Rio Metro, again in partnership with the Pueblo of Isleta, will also be bringing its Dial-a-Ride service to the Pueblo. This reservation-only service will operate on weekdays from 9:00am to 2:00pm, providing trips within the Pueblo including the ABQ RIDE Route 53 bus stop on NM 314. Limited service to Wal-Mart in Los Lunas will also be provided on Wednesdays from 11:00am to 2:00pm.

Reserve your Dial-a-Ride trip by calling Valencia County dispatch at (505) 352-3595 before noon at least one business day prior to your trip. Rio Metro will accept reservations beginning Wednesday 11/29 for service starting 12/4. Reservations are accepted between 8:00am and 5:00pm. On the date and time of your trip, a wheelchair accessible van will arrive within 15 minutes of your scheduled pickup time. Trips may also be grouped together; riders should expect to travel with others.

For more information you are invited to attend a Public Information Meeting on Tuesday November 14th, 2017 at 5:30pm the Isleta Golf Course. In addition, a copy of the Route 208 schedule and news story is available on-line at riometro.org.

LETTER FROM THE EDITOR

DEADLINE for December Newsletter articles is set for Monday, November 20, 2017 at 4:30pm. Articles may be dropped off at the Library or emailed to poi02002@isletapueblo.com. Should you email your article, expect a confirmation email. If you do not receive a confirmation email, odds are it never made it to me and then it's time to panic, so call Nate at 505.869.9808.

People whom wish to submit an article or flyer are responsible for generating their own article or flyer. Should you need help, please call the Library at 505.869.9808 and set up a date and time to sit down with a Library staff member whom will help you throughout the process. The Library will NOT accept notes dropped off at the Library or information over the phone to generate your article.

PROBATES need to be published in the Newsletter for two consecutive months. Probates are considered court documents therefore all submitters must provide: 1) Name of Deceased, 2) Date of Deceased 3) Court Case # and 4) Date of Court Date. A Probate form can be found on the Newsletter Archive page at <http://www.isletapueblo.com/newsletters.html>.

CLASSIFIED ADS: The new administration has requested that the Newsletter start a Classified Ad section for Tribal members selling land, houses, mobile homes, vehicles, and farm equipment. Leasing of houses and mobile homes will be accepted. Smaller items which can be sold at the local flea markets or weekly yard sales will NOT be accepted.

Currently, this service is FREE to Tribal members. Land, houses, and mobile homes must be within the reservation boundaries. Ads must meet the 160 character limit. Ads that exceed the 160 characters will NOT be submitted into the Newsletter. A single picture may be submitted with the ad. Submitters of classified ads are responsible for generating their own ads as this is a FREE service.

As a reminder, Tribal business owners may submit a small flyer at no charge. Like the classified ads, business owners are responsible for generating their own flyers as this is a FREE service.

Classified ads and business flyers will be posted no more than two consecutive months. In the event where the Newsletter may exceed the 24 page limit, classified ads and business flyers will be "bumped" for newsletter articles. Again, this is a FREE service for Tribal members.

The Isleta Newsletter is owned and operated by the Pueblo of Isleta. Therefore, the Governor of the Pueblo of Isleta has the final say of all articles and contents within the Isleta Newsletter.

For additional questions, you may call the Library and speak with Nate or Tara at 505.869.9808.

Thank you,
Nathaniel Lujan

Winter is on the Way !

Colder temperatures and un-protected water lines can be a disaster! Please take the time now to properly drain your swamp cooler service lines, turn off any frost free hydrants and install heat tape and/or insulation on any exposed water lines to prevent the lines from freezing, cracking or breaking.

Manufactured home owners need to check under the home for exposed lines and ensure insulation is sufficient to protect the water lines located there to prevent freezing. Heat tape is a great way to help protect the water lines as well, just be sure there is an electrical outlet nearby to plug the heat tape into.

There should be an isolation valve inside the home to turn off the water supply to the entire house. If a leak occurs prior to that valve, or the inside valve does not work, the water will need to be shut off outside the home, at the isolation valve that will turn off the water service line coming from the water main to your home.

Please test the ***interior*** isolation valve to make sure it will work in an emergency situation. If you can't turn the valve off, or it turns off but does not stop the water flow, you will need to have this valve replaced as quickly as possible.

Locating the outside water service line isolation valve is a necessity. If you don't know where your isolation valve is, please make time to locate it as soon as possible. If your outside pipes do freeze or break during the cold winter months, using the isolation valve located outside the home is the only way to quickly stop the flow of water.

The exterior isolation valve location needs to be marked in some way so it can be quickly located in the event the water supply to the property needs to be shut off. Some ideas are to place a large rock near the valve and paint the rock blue. Or use a tall wooden stake to mark the spot and paint the stake blue. This way any snow or tall weeds won't block your view of the marker, making it easier to locate the valve in an emergency.

Some homeowners have a shut-off “key” and know how to turn their water on and off themselves at the isolation valve. Other residents do not have a “key” and will have to contact the Utilities Division to respond and turn off the water. Keep in mind this will take time, especially if you call late at night in an emergency situation.

Knowing where your isolation valve is located and if it is working or not will save a lot of time and potential damage to your property from any water leaks. Finding the isolation valve can take a long time, especially when water is pouring out of the pipe damaging your home and property. It is the homeowner's responsibility to know where the isolation valve is and to have it tested to make sure it will operate in an emergency. Valves can fail due to age and lack of being exercised leading to additional time and effort to shut the water off.

Take the time now while you are thinking about this and find your inside water isolation valve and see if it will work in an emergency. Next go outside and find the valve that will turn off the water to your property. If you need assistance, contact the Public Services Department, Utilities Division at 505-869-9782. Better to do this now than to wait for help to arrive in the event pipes are damaged and it becomes an emergency.

If you have an after-hours emergency, you will need to contact Isleta Police Department dispatch, non-emergency number of 505-869-3030. Dispatch will contact the Utilities Division on-call staff and someone will respond as soon as possible.

Church Silent Auction Continues

October 1 – November 19, 2017

The St. Augustine Church continues its silent auction of an armoire and two decorative doors through November 19th. Bidders must be at least 18 years of age and register to participate at the Parish Office during weekday business hours. Silent auction rules are available at time of registration and online at the POI Tribal Community website (isletapueblo.com/tribal-community.html).

SHOW DATES & TIMES TO SEE THE AUCTION ITEMS HAVE CHANGED! The first show day was held as planned but the time was adjusted (October 14, 1pm – 3pm) and a third date has been added. Thus, the next two remaining show dates are October 28, 11am – 1pm, and November 11, 1pm – 3pm at the church storage unit: American Self Storage, 8531 Indian School NE, Albuquerque, NM 87112. (Please DO NOT call or contact American Self Storage! A parish representative will be onsite to show the items.) Show dates and times are subject to change without prior notice.

Armoire (Starting Bid: \$1,000). The armoire was in the old church sacristy for many years and used to store clothing and other religious articles. The shelves are worn and could use refinishing or replacement. (Color: Dark Brown / Overall Dimensions: Height 69 3/4”, Width 102”, Depth 33”)

Decorative Doors (Starting Bid: \$200 per door). Two solid-wood decorative doors (carved design on one side only) were installed in the church prior to the 2010-2011 Restoration. Doors are designed to hang side-by-side & swing open (swivel hinges remain attached) but a single-door install is possible. Both in good condition. (Color: Medium-Brown, Stained / Overall Dimensions (without hinges attached): Height: 80”, Width: 36”, Thickness: 1 3/4”)

5th ANNUAL ROCK YOUR MOCS FUN RUN/WALK

PUEBLO OF ISLETA

Community Members:

The 5th Annual Isleta Rock Your Mocs Fun Run/Walk, November 18, 2017, is an annual activity to promote cultural pride and overall wellness. Here is a brief history of the Rock Your Mocs movement:

“Rock Your Mocs was founded in 2011 as a way for Indigenous people to join together, show pride in their cultures and celebrate Native American Heritage Month. It has become a worldwide social media phenomenon. Jessica “Jaylyn” Atsye, Pueblo of Laguna, originated the idea to create an event on November 15 to Rock Your Mocs”.

We look forward to your participation in this event and hope to see you Rock Your Mocs with us. If you have any suggestions or concerns please feel free to contact me either by phone (505) 869-5475, Cell # (505) 270-8498 or email stitlea@islclinic.net .

Car Seat Clinics

Health Educator, Stephanie Barela
869-4479 □ sbarela@islclinic.net

Have you ever been to a Car Seat Clinic?
What is it? Why do we have them?

The purpose of a Car Seat Clinic, also known as a Child Safety Seat Check, is to educate parents, grandparents and guardians on properly installing and proper use of their child/grandchild's car seat. If the car seat is expired, recalled or not appropriate for the child, there is a possibility that the car seat may be replaced if there are seats available, a replacement seat is \$20. A car seat check **does not just give car seats away**. There are guidelines we must go by and we are not allowed to give away car seats freely. If you are in need of a replacement seat, due to your seat being expired or inappropriate for you child, there is a \$20 replacement free. Our Child Passenger Safety Technicians (Frances Anchondo-869-4482 and Stephanie Barela-869-4479) are available by appointment year round. Each appointment can take up to an hour. Your child and the car seat **MUST** be present in order complete the car seat check. During each Car Seat Check, we will **Inspect – Install – Educate**:

1. Demonstrate the correct installation
2. Check for expired child car seats and recalls
3. Review the suitability of the child car seat
4. Ensure the harness is properly fitting with the child
5. Discuss injury prevention
6. Answer any questions

Why is it important to use Child Safety Seats for your child?

Motor vehicle injuries are the leading cause of death among children in the United States, but many of these deaths can be prevented. Placing children in age- and size-appropriate car seats and booster seats reduces serious and fatal injuries by more than half, according to the Centers of Disease Control (www.CDC.com). In the United States during 2009, 1,314 children ages 14 years and younger died as occupants in motor vehicle crashes, and approximately 179,000 were injured. One CDC study found that in one year, more than 618,000 children ages 0-12 rode in vehicles without the use of a child safety seat, booster seat or a seat belt at least some of the time. Not only are parents not insuring the child to be in a safety seat, but if they do put them in a safety seat, it is usually used incorrectly. One study found that 72% of nearly 3,500 observed car and booster seats were misused in a way that could be expected to increase a child's risk of injury during a crash. Not only do we see national studies that show a high number of car seats being incorrectly installed, but every year at Isleta Health Center's Car Seat Clinic's, we see many car seats incorrectly installed. In past Car Seat Clinics in Isleta, there have been high misuse rates. This shows how important it is to get your child's car seat checked, to insure the safety of it.

Come to the car seat clinic on November 17, 2017 from 9-11am at Isleta Head Start and Childcare, to insure that your child is safe in their car seat. Call 869-4479 to make an appointment.

LOS LLINAS

2017 TIGER VOLLEYBALL

Congratulations
Alyssa!

On September 30, 2017, Alyssa Jojola competed in the Mt. Taylor 50K in Grants, New Mexico. This challenging 30-mile run trails through open high mountain meadows and takes them up to the Mt. Taylor summit at 11,305 feet. Alyssa was the 2nd female finisher with a time of 5:35 and placed 11th overall out of 156 participants.

Alyssa is the Physical Education teacher at Isleta Elementary and enjoys competing in ultramarathons. Your family is extremely proud of you! You are dedicated to your training and you inspire many!

Los Lunas High School
Student of the Month - Natalie Jojola

Ma Gu Wam

My name is Natalie Jojola also known as “Doodle”. I am the oldest child of Patrick and Joanna Jojola. I have two siblings, a 12-year old sister Denise, and a younger brother named Tino. Currently, I am a Freshman (9th Grade) at the Los Lunas High School and was recently selected as Student of the Month! Upon receiving this honor, I was informed that I was the first Native American student of this school year to receive this award. Both Mrs. and Mr. Benavidez nominated me. Mr. Benavidez has complimented me that I have a good attitude and appreciates that I say, “Good Morning” to him every day with a big smile on my face. Mrs. Benavides has complimented my cheerful personality, she said

It makes her happy to teach. It makes me feel good to know that I can brighten people’s days. I really enjoy school but I have two amazing interests which are basketball and reading the bible. I enjoy basketball because it is such an amazing sport. I was honored and privileged to be a part of the Los Lunas High School Varsity basketball team when I was in 8th grade. Reading the bible provides me guidance. Both of these keep me healthy and strong. I hope I can be an inspiration and role model to other Native American students on their quest to fulfill their dreams, I am proud to represent the Pueblo of Isleta.

Ms. Natalie Jojola

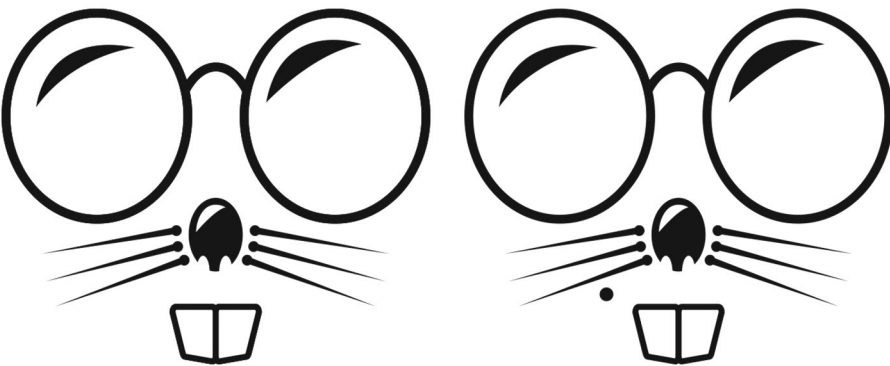

Submitted by Mr. Ben Analla

I have been associated with Freshman here at Los Lunas High School for the past months since school started and have also found her as most talented, respectful, motivated, disciplined, and courteous young lady among our student body. She is an individual who exemplifies a strong affirmative character in leadership in our school and the community of Isleta Pueblo. Recently she was one of our LLHS Native American Club members who volunteered her services to assist the Isleta Pueblo Elder Center, Arts and Craft Fair held at the Isleta Resort and Casino and did an excellent job! As a Freshman, Ms. Jojola is also a Tiger basketball member who is looking forward to the upcoming basketball season. All her teachers speak highly of her character and academically carries a 4.00 GPA.

We also congratulate Natalie’s parents, Mr. and Mrs. Patrick / Joanna Jojola whom support her in her daily academics and culture traditions.

Pueblo of Isleta Elementary School

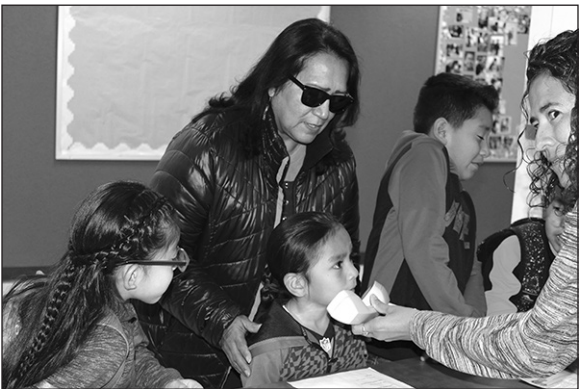

October is flying by as the classroom instruction and the Fall Activities continue at the Pueblo of Isleta Elementary School. One of these activities is School Spirit Days. They occur on the Early Wednesday Dismissal Days. All students and staff are encouraged to participate, and each day has a special theme. On October 6th we honored Breast Cancer Survivors and wore "Pink." We have also hosted "Disney Day," by wearing Disney costumes and/or our favorite Disney apparel and "Sports Day" wearing our favorite team's jersey.

Dianna Burbank as Rapunzel for "Disney Day."

Students at the Pueblo of Isleta Elementary School were invited as special guests to attend a "Christmas Cantata," at Tingley Auditorium on October 10th. Guests were treated to a musical and stage performance by members of the International Youth Fellowship. Students that participated in the 2017 Summer Program had worked with a team from IYF last June. Plans are being made for a Summer Camp in 2018.

The school hosted guests from "Down Under" when a group from Aboriginal Australians visited the school to learn about our students and our Tribal Education Program. They visited with the Third Graders during their Tiwa Language Class and then shared discussion with the Sixth Graders in the Library. The students were interested in learning about the different Australian cultures, languages and accents. Ms. Fryar, our School Librarian hosted a Book Fair the week of October 23 – 27. Students made special trips to visit and an evening session was scheduled to allow parents a time to browse.

Pat Jiron and Hope Campos assist students leading the Morning Announcements at Isleta Elementary School

Officers from the Isleta Police Department read with the POIES Students.

Sixth Grade Students participated in Day Two of their STEM OUTREACH Project. On October 24th they traveled to Rio Rancho to participate in a "Rocket Launch Experience." The project will be concluded on Friday, November 17th, when the Sixth Graders once again travel to Kirtland Air Force Base for their final session. A big "Thank You," to Ms. Ortiz for bringing this project to our students.

The Truancy department has been working with Isleta Elementary School to increase daily attendance and reduce tardiness. So far things have been working out wonderfully! For the first nine weeks of school we have 43 students who have perfect attendance. These students will be treated to a special incentive that will be reported in next month's newsletter.

The Isleta Elementary School hosts monthly parent meetings on the first Thursday of every month with the next meeting being held on November 2nd. We would love your input in your child's educational success along with the accomplishments of the Isleta Elementary School. Also, Truancy would like to recognize our parents by providing them with an incentive by giving them a chance to win one of the many awesome door prizes that they will be providing.

Perfect Attendance is fun!

Again, your attendance to these meetings will allow you the opportunity to win fabulous door prizes that the Truancy Department is providing. Some of our prizes have a value worth over \$100.00!!! See you all on November 2nd at 6:30 p.m.

Students also have the opportunity to earn "Perfect Attendance" (no absences or

tardies), each month. They receive a special treat.

The October 23rd Assembly kicked off the Red Ribbon Week Campaign at POIES. Special guests included staff from the Isleta Police Department and Behavioral Health. The Eagle Spirit Squad also provided a choreographed performance for the student body. Red Ribbon Week focuses on Drug and Alcohol Awareness Activities. We appreciate the support of our Community Departments.

Our Art Program is another highlight of Isleta Elementary School. We have lots of exciting art projects blooming from the art room. This is the third year of art class at POIES, and we have been developing

are building upon their past two years experience into more complex techniques and theories. We have seen a great amount of growth in the children’s abilities in both technique and imagination.

As part of sharing information to parents about our school, and as supported under Title I, we have been showcasing our teachers for the past few months. We neglected however, to explain how the New Mexico Public Education Department determines the levels of a teacher’s license. There are three Levels of Teacher Licensure in New Mexico. **Level 1** Provisional Teachers are newly-licensed teachers. They must complete a Professional Development Plan, (PDP), a mentoring program and at least three years of experience to achieve a **Level 2** Professional licensure. Candidates may elect to pursue a **Level 3** licensure by completing a master’s degree and three years of teaching experience at Level 2.

Jerri Fryar has begun her third year as our School Librarian. She is a graduate of Indiana University with a Bachelor’s of Art Degree in History. She completed her Masters of Art in Education Administration at Northern Arizona University. She holds a Level 3 Professional Licensure in Social Studies K-12, Elementary Education K-6, and Library Media K-12. She brings 39

years of experience to the Pueblo of Isleta Elementary School, and the knowledge gained from working in a variety of New Mexico Schools as both a teacher and a librarian. Mrs. Fryar can also share her love of travel with our students, including living abroad and working as a librarian in both Morocco and Egypt.

Mrs. Fryar stated, “I’ve enjoyed the challenge of working in education. I love working with all grade levels and ages. I enjoy working with the K-6 students at Isleta and having two weekly classes for each group.”

FROM THE DESK OF Arnold Sena (PARKS & RECREATION DEPARTMENT DIRECTOR):

I'm sure that all of you have noticed the season change. It's getting colder outdoors and the leaves are changing colors or falling off the trees. It's time for all of us to start getting ready for the cold, so make sure and bundle up your children as well as yourselves. Do your best to stay healthy this winter.

October was a busy month for us, as usual we had our everyday activities (After school Youth Rec Program, Spin Classes, Swimming Pool Activities, Fitness Instructors Helping Tribal Members, etc.) taking place daily but we also hosted our **Annual Halloween Carnival**. The carnival was well attended as usual and I really need to thank everyone who helped with the event. Hosting and putting together events like these takes a lot of work and requires lots of planning, organizing and coordination. I want to take this opportunity to thank my staff for all that they do for the Parks & Recreation Department and the Pueblo. Great Job Everyone!

We have started a scouting troop in the pueblo. The **Scouting Troop** is open to both boys and girls and any parents that are interested in helping out as well. The meetings are currently being held every Monday evening for 5:30 pm to 6:30 pm. The more people we have in the Troop the better. We are currently in the early stages and everyone involved is learning together. I foresee good things for this program in the future and as of right now it's all free to any participants, thanks to the Parks & Recreation Department and LT. Governor Zuni. We have committed to paying any registration fees and material fees for the program this year and if the turnout continues to grow I'm hopeful that we will be able to do so again next, provided that the funding is still available. Come by and see what this program is all about. If your child or children like what they see sign them up.

ISLETA PUEBLO SCOUTING MEETINGS

We are actively recruiting scouts from Kindergarten – 5th Grade to become part of the fun of being a scout! Come join us and make new friends, learn new things & have a great time! We hope to see you at our next meeting!

Scouting

DATE: Every Monday Evening
TIME: 5:30 – 6:30 pm
PLACE: Isleta Recreation Center (Game Room)

For more information contact Arnold Sena (Parks & Recreation Department Director) at 869-9777.

This past month we were also able to sponsor quite a few tribal members to run or walk in this year's Duke City Marathon. Between the Parks & Recreation Department and the Tribal Committee we sponsored a total of 46 individuals this year. It was awesome to see that many individuals from the tribe participate in the marathon. I'm sure there were more tribal members that participated on their own as well. Every year we have more and more people wanting to participate in this event, but unfortunately due to the limited funding we (Parks & Recreation Department) have available we are unable to sponsor everyone, but thanks to the help of the Tribal Committee we were able to sponsor 26 more this year, which was awesome. We really appreciate their help and support and we hope that they are able to help again next year, that is if funding is available.

Our afterschool program is going well! We currently have over 40 participants registered in this year's afterschool recreation program and approximately 30 of those registered participants attend on a daily basis.

This year the afterschool program staff (LeeAnne Zuni, Meredith Platero, Kim Chiwewe and Keenan Gurule) really wanted to try to create a small library of books here at the center so the kids in the program will have books to read for the afterschool program. So the staff contacted an organization in Albuquerque that was willing to donate books to the center to help make this small library idea of theirs become a reality. The organization willingly donated lots of books to the center. We also got a generous donation of books from The Pueblo of Isleta Library (Nathen Lujan) as well. With the help of these generous donors we were able to start a small library for the participants here at the recreation center.

Thanks to the staff's great idea and all their hard work and persistence, the participants in the after school recreation program now have age appropriate books to read during their daily Homework and/or Reading

Great Books at Rec Center

Time. Our staff here at the center knows how important education is to our youth and they want to do their part to help foster the education process of the youth in our Pueblo community.

I want to publically thank our afterschool program staff for making their dream become a reality for our youth. If you have time, stop in at the rec center to take a look at the great books that were donated for this worthy cause. I attached a picture so you can see what they produced.

If any of you have any new or gently used age appropriate books that you would like to donate to the center to help expand our library, please feel free to bring them to the center.

Keep in mind that the staff does lots of other great activities planned for the participants that attend the program as well. Great job everyone!

The Parks crew keeps doing a great job with the parks and other facilities around the pueblo like always. The aquatics staff is working on their fall schedule, so keep your eyes open for upcoming classes. My fitness instructors are working hard like always trying to keep tribal members healthy and fit with spin classes, putting people on programs, working people out and working out with people, setting up cross country meets, and providing good solid advice when needed, they are also continuing to work with the Elders in our community to provide fitness opportunities to meet their needs as well. The Rec staff just keeps plugging away by providing good solid programs and activities for the youth that attend our afterschool programs daily. Everyone associated with the after school program pitches in to offer their expertise. The Nanas are doing their thing as well; they put together arts & crafts projects for the kids to participate in twice a week. Last but not least my facilities maintenance person does a great job of keeping up with our center and keeping it looking good for all patrons that use our facility daily. **THANK YOU ALL FOR THE GREAT WORK YOU DO FOR ALL OF US HERE IN THE PUEBLO!!!**

Parks & Recreation Department Notes to be Aware of:

- They will be giving out Turkeys again this year so keep your eyes open for more information on this. It's my understanding that they will be giving the Turkeys out on Tuesday, November 14th and Wednesday, November 15th, 2017. I believe the distribution time will be 8 am to 6 pm. Once again keep your eyes and ears for more information on this.
- The Parks Crew has shut off the water fountains in the parks for the winter season. As all of you probably know this is done every year to keep the fountains and the water lines from freezing and busting. Thank you for your patience and understanding.
- We have also removed port-a-potties from the following parks (Church, Mousetown, Pickle Heights and Parks/Fields around the Rec. Center). After talking with my parks superintendent we determined that the port-a-potties at these parks are rarely used during the winter months, so for budgetary reasons we are having them removed from the parks we listed. I hope that this does not cause too much of an inconvenience. Once again, thank you for your understanding.
- Our Youth (Boys or Girls) Basketball sign ups have started. If you have children interested in signing up for the boys or girls Basketball Teams you can call the Rec Center at 869-9777 and talk to Keenan Gurule (Girls Team Coach) or John Matt Jojola (Boys Team Coach).

As always if you have any concerns, questions or if you need any additional information please feel free to contact us at the New Rec Center at 869-9777. I would love to hear from you!

Pueblo of Isleta Public Library

October has crept on by, leaving us with November; Veterans Day; Thanksgiving; and Black Friday. Don't forget that daylight saving time is among us, giving us that rare opportunity to sleep an extra hour. For those with an imaginable mind, an excuse to be late to school or work.

Did You Know: October 22, marked the 55th anniversary of the Cuban Missile Crisis, the closest the U.S. of A. came to being involved in a Nuclear War!!! If you do not know what the Cuban Missile Crisis is or was, then visit your local Public Library, ask a Veteran, or talk to your Teah-eh and / or Chee-ee before going back to sleep for that extra hour.

News

The Library will be closed from 8:00am-12:00pm on Wednesday, November 8th for our monthly staff meeting. We will be discussing upcoming programs for remaining of the year. All programs and flyers will be posted throughout the library, community, library website, and library Facebook page. As always, you can give us a call to inquire about any upcoming programs at 505.869.9808.

The Library will be closed on Friday, November 10th & Saturday, November 11th in observance of Veterans Day. Library media checked out on Wednesday November 8th will be due on Monday, November 13th. Thank you to all who have served to protect our country and also to those currently serving in the military. The Library will also be closed on Thursday, November 23rd and Friday, November 24th in observance of the Thanksgiving Holiday. Come check out our cookbooks and find something new to try alongside of your turkey dinner.

Upcoming

Attention all Educators, history lovers and curious/eager learners! On Thursday, November 16th the library will be hosting a special discussion from 5:00pm-6:30pm on the IPCC 100 Years of Federal and State Policies curriculum. This session will be an overview of Civil Rights and Suffrage 1948 presented by Azella Humetewa, Natalie Martinez, and Glenabah Martinez. If you have any questions please give us a call at 505.869.9808. More library programs will be announced soon. Please keep up to date on programs and events we are having by visiting the Library's website and our Facebook page. All flyers and information will be posted on these websites and bulletin boards throughout the community. If you have any questions you can give us a call at the Library 505.869.9808.

Recap

Our Haunted Book Club concluded on October 28th with a field trip to the Belen, NM Harvey House during a special Ghost Tour hosted by Purple Sage and New Mexico Paranormal. A total of 10 adults and Library staff members Diane and Ashley attended the field trip. Discussions on the book took place on Tuesdays and crafts inspired by the book took place on Thursdays in the month of October. We would like to thank the participants for the lively discussions, personal theories, and ghost stories told during the book club meetings. It made the book clubs meetings more fun! On October 12th we hosted a Creepy Snack featuring Goosebumps Punch. Library staff member Diane showed everyone how to make a fast and delicious Goosebumps inspired punch. The punch was made of 7up, sherbet and gummy worms to make it extra scary, but not as scary as taking home sugared up kids! This program was open

to everyone and sign up was not required. Thank you to everyone who attended and enjoyed a spooky delicious drink.

For our first Homework Help Incentive Field Trip we took the students to the Water Park at the Wyndham Hotel in Albuquerque. The students were treated to Furr's Buffet after swimming for a couple of hours. The Library staff has helped the children stay on track with homework in hopes they succeed in every way possible. We do keep track of the students in our program when they tell us they do not have homework so parents if they are going home with homework and wondering why, we have it documented. Of course if you have any concerns or issues please let us know and we will address it. We can be contacted at 505.869.9808.

Your Library was recognized! We were a location of a tour which was featured during the Association of Tribal Archives, Libraries, & Museums Conference on October 10th. We had 29 people visiting from all over the United States including Hawaii, Washington, Oklahoma, and

Canada. They toured our facility and got a glimpse of our Homework Help program. On October 12th Nathaniel Lujan and Tara Abeita gave a presentation on Library Programs at the Association of Tribal Archives, Libraries, & Museums Conference held at the Tamaya Resort in Santa Ana Pueblo, along with Laguna Pueblo Library. Our session topic was "Keeping the Community Engaged: Public Programming in Tribal Libraries" in which we gave a 20 minute presentation on our successful programs and how we developed them. We had roughly 20 people attend from libraries all over the nation. We were humbled to have this opportunity to share our Library knowledge, our programs, and our community with others.

Halloween Cake Pops took place on October 25th where Library staff member Christino showed families and students the process of making cake pops. We had a good turn out and everyone left with yummy treats! Thank you to everyone who attended and learned how to make an easy Halloween treat.

Isleta Pueblo Veterans

The below list is a further attempt by the Pueblo of Isleta Veterans Association to compile a complete, and as possibly accurate, list of POI veterans. We do realize that there may be some names that have been left off the list; some names that are on the list that should not be there...and if you know of any names that should be...or shouldn't be on the list...please call Fred Lujan at 573-3733, or Ulysses Abeita at 264-4110, or e-mail to uly2238mc@gmail.com.

If you know of any POI members on active duty, please send their names, and short bio. Also, if you know of any POI member who has been deployed, please send us their address. POIVA will forward the address to the Blue Star Mothers who will send “care” packages.

Elder Center

Happy November from the Elder Center! We have had such a busy October that we are stunned that November is already here. We hope everyone is enjoying the cooler temperatures like we are. October at the Elder Center was very busy with the preparation of two very big events we hosted, the Arts & Crafts fair, as well as hosting the New Mexico Indian Council on Aging Quarterly Meeting. Our Arts & Crafts fair was a tremendous success! We had 100+ vendors and many visitors walked through the halls of the Isleta Casino and Resort looking to take home beautiful hand crafted jewelry and delicious home baked goods. We would like to thank all of the vendors for choosing our Arts & Crafts show to sell with. We would also like to thank all of our spectators who came out to see all of the crafts as well as buy raffle tickets from the staff. We raffled off donated items from our vendors which every year is such a success. We hope to see our vendors back for our 2018 Arts & Crafts Fair.

On Saturday October 22nd, our very dedicated Isleta Shuffleboard team traveled to Mountainair where they were a part of the Billie Stephens Memorial Shuffleboard tournament. Near or far, the shuffleboard team will make sure they are in attendance to play the sport they love. Great job on showing up and playing your hardest! For anyone who is interested in learning or practicing shuffleboard, please come to the practices we have set up in the activities room on Monday mornings. Get hands-on learning from some of our community's best shuffle boarders! Also during the month of November we will be having shuffleboard practice at the new recreation center at 5:30pm. If you would like to practice, you MUST call the rec center the day of. If you would like to practice at the elder center on another day beside our scheduled Mondays, please come in on an open activities day and Monique will be happy to assist you.

Finally our long awaited Laughlin trip has come and gone. This year we had 16 elders take advantage of the great travel deal that Herrera Coaches has to offer. The Laughlin trip is 4 days and 3 nights. Our elders stayed at the Tropicana Laughlin Hotel and Casino where they were able to sightsee, enjoy delicious meals and see live entertainment at the hotel. This trip is a great opportunity to have a fun vacation at a low cost. Thank you to everyone who participated and we are glad to hear you had a wonderful time! We hope to have YOU join us next year.

Coming up this month...

This month we will begin a new series of Bingo trips to the Sandia Resort and Casino. On Wednesdays Sandia offers FREE, yes I said it, FREE bingo to those who are 55 years of age and older. We will have lunch at the casino (lunch is on your own) and then play bingo. These trips are for the specific purpose of playing bingo, we kindly ask that you do not play the machines inside the casino. The Elder Center does not encourage the spending of money on gambling.

On November 18, Ron Sarracino will be hosting another AARP Safe Drivers Course. For those of you who did not make it for his past classes, please sign up for our November class. Ron Sarracino teaches about the hazards that our seniors tend

to face when it comes to driving. You will learn safety techniques for staying safe and prepared when behind the wheel of a vehicle.

Greetings from the Isleta Elder Center Kitchen

Starting November 2017 we will be offering Nutrition Education seminars to our Congregate Meal participants.

Tina Louise Carpenito, a nutrition educator with the New Mexico State University ICAN (Ideas for Cooking and Nutrition Program), will be on site from 12:30 to 1:30 pm every 2nd Thursday of the month. She will be bringing our lunch guests new ideas for healthy food choices, healthier cooking methods and she will be here to answer any questions about nutrition.

Please join us in welcoming Ms. Carpenito to our center. Perhaps prepare some questions for Tina or bring some favorite recipes and ask if they can be prepared with a special diet in mind. If you would like more information about the ICAN program please visit, <http://ican.nmsu.edu/what-is-ican.html>.

Along with that we would also like to remind our community members and POI employees that we welcome you all to the Elder Center to have congregate lunch meals with us. Lunch is served from 12:00pm – 1:00pm Monday-Friday. If you are under 60 years of age we suggest a \$5.00 meal donation, but any amount you can donate is appreciated. We hope that everyone has a wonderful November!

COMMERCIAL TOBACCO FOR 1 DAY!!

This National event challenges you to stop smoking cigarettes for 24 hours.
CAN YOU DO IT?

Come to the Health Center and TURN IN a pack of cigarettes and receive a QUIT KIT!*

The Centers for Disease Control (CDC) says:

- Smoking is responsible for 1 in 3 cancer related deaths and 1 in 5 deaths from any cause
- Those that smoke are expected to live 10 years less than non-smokers.
- A middle-aged man, who smokes, triples his risk of dying from some type of heart disease.

CALL STEPHANIE BARELA FOR MORE INFORMATION @ 869-4479

*A bag of different items to help you stop smoking.

Quick Facts:

• Cigarette butts are toxic to our ocean animals and to us.

• Cigarette filters are made of cellulose-acetate, which is not biodegradable.

• According to San Diego State University Public Health Professor Tom Novotny, “Even one butt in a liter of water can kill the fish in a period of 96 hours.”

• Ocean animals like crabs and salmon can then filter toxins into their systems and transmit the toxins to humans when the animals are eaten.

• Over time these toxins can affect human health.

It is time to stop the “Butt Cycle.” There needs to be a shift in individual and collective thinking to classify cigarette butts as toxic waste and they should be disposed of in a way that does not hurt our environment.

Breastfeeding During Emergencies

Around the world and throughout history mothers and their infants have experienced emergencies of every kind. Whether it's from natural disasters, war and violence, or unexpected family events, breastfeeding can save lives. Did you know that...

1.

In emergency situations almost 95% of infant and child deaths are caused by diarrhea from contaminated water and an unsanitary environment.
2.

Infant formula requires sanitary water and fuel to sterilize bottles, nipples and the formula itself. Water and electricity are often compromised during emergency situations.
3.

Human milk is full of antibodies that fight infection and lowers your baby's risk and severity of illness.
4.

Breastfeeding releases hormones that help lower stress for both mom and baby.
5.

Mothers who are stressed and malnourished can still make plenty of milk for their babies.
- For more info visit <http://www.usbreastfeeding.org/emergencies>

Benefits of Breastfeeding During Emergencies

1.

No worries about contaminated formula or water for baby.
2.

Breast milk is always accessible and at the right temperature.
3.

Consistent warmth and comfort for baby during a stressful time..
4.

Helps keep baby healthy so you have one less thing to worry about.

Make a Plan

Ask yourself these questions to get started:

1.

How will I get emergency alerts and notifications?
2.

What is my shelter plan?
3.

What is my evacuation route?
4.

What is my family/household communication plan?
