## Governor's Report

Ma-Gu-wam

November is National Native American and Native American Heritage Month. American Indians and Alaskan Natives have handed down invaluable cultural and rich traditions, art, folk tales, literature, religion, language, and American history that continue on to this day. The Department of Veterans observes this month during November. The Veterans Administration reports that American Indians and Alaskan Natives have served in the United States Armed Services with honor and distinction, defending the security of our nation with their lives. It goes on to report that American Indians and Alaskan Natives have the highest record of service per capita compared to other ethnic groups, how great is that, thanks to our Veterans from Isleta Pueblo and Native American Veterans throughout this great Country of ours.

Tribal Leaders from the 19 Pueblos have been meeting with New Mexico Legislators regarding budget cuts that will have great impacts to tribal programs. There are other concerns of business that will impact the tribes that I will report as ongoing negotiations are still on going. These past few years have been hit hard with the economy at its lowest having major impacts to tribal communities. The State of New Mexico is looking for money that may be taken from tribal programs and businesses. Isleta employs approximately

2000 employees throughout our programs and businesses. We employ approximately 85% to 90% Non-Tribal Members that pay Federal and State of New Mexico taxes. Overall we all pay Federal taxes plus State taxes for items purchased off reservation. This is why it is imperative for our people to vote during elections at the Federal, State level, and Tribal elections, it does make a difference.

You have probably heard that Facebook is constructing a data center that is located in Los Lunas, next to the Isleta Boundary west of the WalMart store. Facebook plans to build about six buildings each building will be the size of about six football fields two stories high with 2.9 million square ft. of space. I was invited to visit the site along with Governor Martinez, NM Legislators and the Mayor of Los Lunas. Facebook has hired a large number of contractors to work on the project ranging from electrical, carpentry, sheet metal, refrigeration and more. There will be 1,000 jobs available, and will put some workers on an apprenticeship program. If you are interested or in need of a job, contact Facebook at the site.

Per-Capita will be distributed December 16, 2017 from 8:00am to 12:00pm.

NO hams will be distributed this year due to the budget cuts.

## 2017 Per Capita Second Distribution

At a duly called meeting, the Tribal Council of the Pueblo of Isleta authorized a second 2017 Per Capita distribution for **Tribal Members who are duly enrolled as of December 31, 2017.** The second Per Capita distribution will be in the amount of \$1,250 per Tribal Member. PUEBLO OF ISLETA  
PUBLIC SERVICES DEPARTMENT  
UTILITIES DIVISION

When it comes to sewer service most of us put it in the back of our minds until it's too late. Whether it is slow draining lines, a sewage backup into the home, or a routine septic pumping. When it comes to being a homeowner there are many ways you can help us here at the Utilities Division to mitigate some of the issues that may arise with your sewer system.

This time of the year we all know families come together which means extra baking, cooking, cleaning, and water use. With that being said it raises the possibility of you encountering a problem with your sewer system.

Think at the sink! Avoid washing down grease, flour, coffee grounds, etc., as this can cause partial or total blockage of your drain lines. For those with a septic tank you many think an easy fix is pouring down some drano, liquid plumr, etc., but let's avoid these chemicals as it can harm the living collection of organisms that digest and treat waste in your septic tank. Instead use boiling water, or a drain snake.

Also, let's remind our family and friends who are visiting this holiday season that the toilet is not a trash can. Flushing down items such as paper towels, feminine hygiene products, flushable wipes, etc. are all items that pose a threat to having a blockage in sewer lines.

Check for leaks! Toilets, shower heads, faucets. Simple fixes such as a flapper on a toilet are the cause for unnecessary water waste. Fixing a few leaks around the home will also keep your septic tank from filling up too quickly.

Keep in mind before starting that landscape idea you had in mind for next spring, please consider how it will affect the future of your sewer lines, septic tanks, clean outs, etc. Planting trees or shrubs near any of these areas will allow roots to find water and enter sewer lines. This can pose problems such as blockage, backups, slow draining lines, failed septic systems, etc.

Lastly, we would like to remind you all colder temperatures are on the way. Thoroughly insulate all exposed water lines. Properly shut off your frost free hydrant after every use, detach water hose when done. Be sure to locate your exterior water isolation valve "shut off". Take a note where it's located, or mark to make the location known. These few precautions can help prevent frozen waterlines, cracking, breaking, also damage to your home and property.

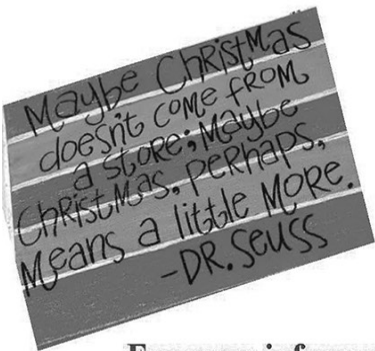

From us here at the Utilities Division we thank you for taking these helpful tips into consideration! May you all have a Blessed Holiday Season & Happy New Year!

## Pueblo of Isleta Elementary School

November continued to be a busy month at the Pueblo of Isleta Elementary School. We have been celebrating Native American Month, our Veterans, and the Thanksgiving Holiday with special activities for the students, parents and community.

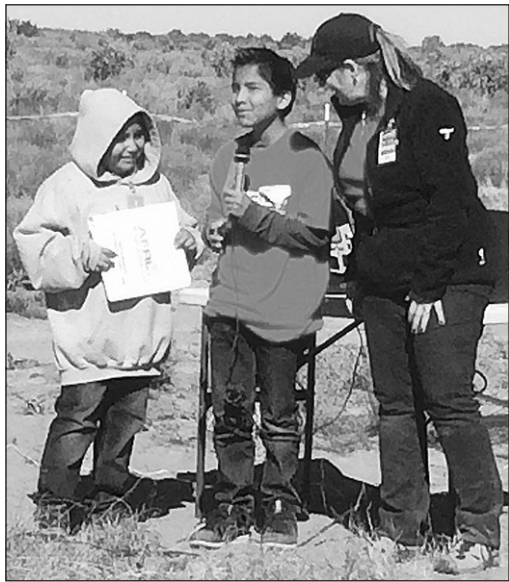

Thirty-seven students were treated to ice cream on November 3rd for earning Perfect Attendance Students for the month of October. Students are able to earn Perfect Attendance monthly with no tardies, no early check-outs and no absences. The Truancy Department also provides awards and incentives to the Isleta Elementary Students for Perfect Quarterly Attendance. The First Quarter Incentive was a Lego set.

Thanks much to Margaret, Yolanda and Jared for your support!

Students were honored on November 8th with a celebration dinner at the school for the **Student of the Month** for August, September and October, along with their parents or special guests. Students of the Month recognized were: **Kindergarten** - Trevor Abeita, (August), Anthony Flores, (September), Kendal Peshlakai, (October), **First Grade** – D’Lyla Fonseca, (August), Andrea Jaramillo, (September), Carlos Abeita, (October), **Second Grade** – Damien Candelaria, (August), Jaidan Lucero, (September), Emanuel Garcia, (October), **Third Grade** – Sienna Flores, (August), Makhaila Peshlakai, (September), Makaila Sandoval, (October), **Fourth Grade** – Warren Thompson, (August), Maya Portillo, (September), Michael Jaramillo, (October), **Fifth Grade** – Josiah B. Sixth Graders at Isleta Elementary concluded a three-month long STEM Outreach Project called *Tech Mission 2017-2018-Rockets* at Kirtland Air Force Base, (AFB), in Albuquerque. They had three field trips as part of this initiative, two to the AFB and one to the Rocket Range in Rio Rancho. POIES Students have been receiving training in science and math, and working on team-building skills. They also completed investigations in Scaled Rocketry, GPS, Modeling and Simulation, Data Analysis, Newton’s Laws of Motion, Engineering Design Process, and Career Exploration. Teachers Loretta Ortiz and Chris Nieto guided the field studies.

Art Teacher Ana Otero again submitted Pueblo of Isleta Students’ artwork into the 38th Annual Native American Student Art Show at the Indian Pueblo Cultural Center in Albuquerque. This year’s theme was “Storytelling.” Congratulations to this year’s winners, including: 1st Place - Aidan Blevins in K-2 Mixed Medium, 1st Place – Michael Padilla in 3-5 Drawing/Painting, 2nd Place – Josiah E. Jojola in 3-5 Drawing/Painting, 3rd Place Kree Kowemy in 3-5 Drawing/Painting, 1st Place – Dylan Lente in 6-8 Drawing/Painting, 3rd Place Aaliyah Lujan in 6-8 Drawing/Painting, and Honorable Mention Joey Martin in 6-8 Drawing/Painting. year as Art Teacher at POIES. She is a native of Peralta and is a graduate of the University of New Mexico. She received her Bachelor’s in Art Education and has an endorsement for Kindergarten through Twelfth Grade. Ms. Otero is also a National Board - Certified Teacher and holds a Level 3 License for K-12. She has been teaching in this area for 36 years, at elementary and the high school levels in the Los Lunas Public Schools. She states, “I have seen a great amount of growth in the children’s abilities in both technique and imagination. I am pleased with their enthusiasm. Thank you to the Pueblo of Isleta for giving me the opportunity to work with your children. With lots of hard work and dedication, we will have some beautiful artwork of which the students can be very proud.”

In honor of Veteran’s Day, Veterans from the Isleta Pueblo shared their stories and experiences with students and staff on November 15th. Representatives from Blue Star Mothers also spoke about their organization. Students have initiated a “Food Drive” that will support active military men and women overseas. Small items of food and personal items will be collected and then shipped to our local service men and women. For information or if you would wish to contribute, please contact the school at 505-869-2321.

The balloons were rising at the Elementary School when the “Saki Bomber” pilot and crew shared a “Hot Air Balloon” Experience with the students and parents early on the morning of November 16th. Owners Loretta Zamora and Paul Tanouye inflated their balloon for the participants. The Fourth, Fifth and Sixth Graders were then challenged to build their own tissue versions of a balloon in the *Balloon Emporium Activity*. Students launched the balloons over the playground, a few which had to be rescued from the roof and trees on the school campus. Students enjoyed being on the chase crews and building their own team balloons.

Happy Holidays from the Pueblo of Isleta Scouts Group.....

The Pueblo of Isleta has newly formed the Scouts Group! We are super excited to get this new group off & running. The group decided to collect donations for a Thanksgiving meal so that we can give to a family from Isleta. The items donated were a turkey, stuffing, mashed potatoes, pies, rolls, vegetables, drinks and a heartfelt blessing from the troop. We are currently accepting new members (Kindergarten-5th grade). The meetings are every Monday from 5:30 pm - 6:30 pm at the Isleta Recreation Center. Stop by, experience new things and make new friends! We are looking forward to seeing you!

Recap

On November 16th the library hosted a Community Education Dialogue, which was presented by Glenanbah Martinez, Azella Humetewa, and Natalie Martinez. The session began with an overview of the education project which covered unit plans (K-12). They also presented lesson plans on Suffrage and 1948, which were middle school and high school levels. They ended the program with a discussion on the topic of suffrage/right to vote. We would like to thank Glenanbah Martinez and Rachel Salvador for planning this with the library. We hope to continue having presentations on different topics in the future.

Detective Kathleen sharing a presentation on safety during Trick or Treating during Halloween.

On October 25th the Isleta Pueblo Police Department came to the library to share Halloween Safety Tips with children, patrons and families who came for our Halloween Cake Pop Program. Detective Kathleen Lucero discussed safety precautions while trick or treating and going through candy before you consume anything. She also gave them a quiz asking them to distinguish whether or not they were looking at candy or drugs. Most of the children were able to point out the suspicious candy and were well aware of checking candy in their bags. We would like to thank Detective Kathleen for taking the time to present to the children and families.

## Parks & Recreation Department

October was a busy month for us here at the Isleta Pueblo Parks & Recreation Department. The Park Management Division continues to plug away with all their daily tasks as well as maintaining our parks system. It's also important that I mention to all of you that they help out with some of the different events that take place here, mainly the behind the scene tasks which may go unnoticed. The Parks crew does lots of different things for the department and the POI. And it's important that it gets mentioned.

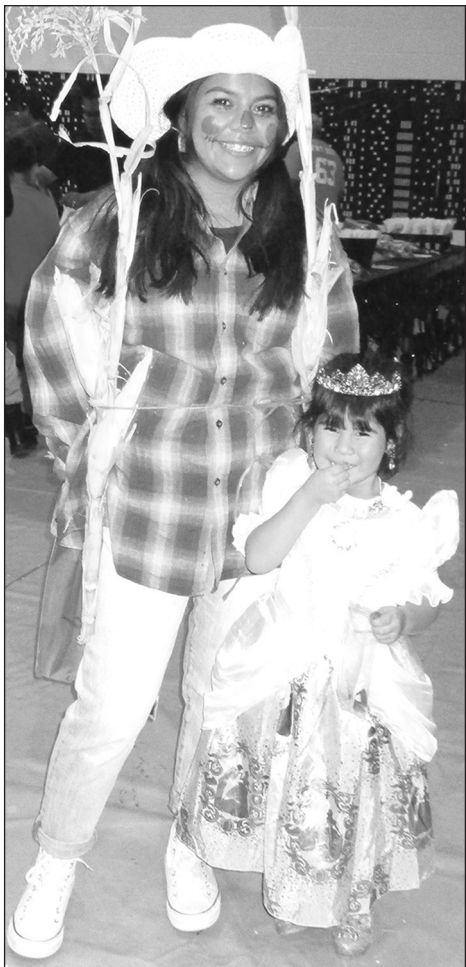

Many of the parks continue to be used on weekends and for evening activities. For those wanting to use the parks on weekends for special occasions like birthday parties, baby showers etc. we ask that you call the Recreation Center and speak to either Rochelle Zuni or Arnold Sena to reserve the park. Currently, there are no fees attached to any usage provided that we continue to clean up after ourselves when the park is utilized. Please remember, all of our facilities are drug and alcohol free zones. Thank you for your cooperation.

### Halloween Carnival Update

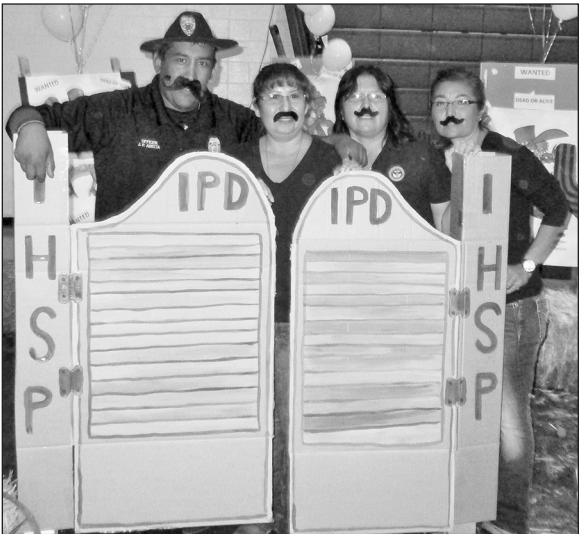

Our annual Halloween Carnival took place on October 27th, 2017 and as usual it was very well attended. This year we were able to add a Haunted House to the carnival and it seemed to be a big hit with the carnival goers. I want to thank Marvin Pohl for his help with the Haunted House. Mr. Pohl works for the City of Albuquerque and he has done some big Haunted Houses over the years at various community centers in Albuquerque. I reached out to him this year to see if he could help put one on for us here in Isleta and he was more than willing to do so. I want to give Mr. Pohl and his crew, as well as our own pool staff, for all their help with the Haunted House. All of them put in a lot of work to make this Haunted House a success. I hope we are able to have a Haunted House again next year.

I want to thank all of our staff as well, putting this carnival together takes a lot of work and lots of help. My staff did a great job like always. The recreation staff and my parks crew always takes care of all the behind the scene things that sometimes go unnoticed. Like always they are responsible for the setup, getting the pumpkins to the center and setting them up, purchasing most of the prizes, the clean up afterwards and many other things that go unnoticed. I have some awesome people working for the department and they are always willing to help us out. I also want to thank all the departments that helped as well; we couldn't do this event without their support and help. All the different departments that participate do such a great job on decorating their booths, the themes that each department picks are awesome, it makes it really hard for us to pick the winning booths year in and year out.

If I left out or forgot to thank anyone or any group, please forgive me. Just keep in mind that we greatly appreciate the help of everyone that contributes to this awesome event each year.

Swimming Pool

Please don't forget that our swimming pool is open to the community as well. I think that many people associate swimming with the summer months, but we here in the Isleta Community have the luxury of having an indoor swimming pool that can be used year round. We have some great staff in the pool and they are always ready to be of assistance to anyone that uses our great swimming pool. Come by and bring your family to the Isleta Recreation Center Swimming pool, we promise that you won't regret it.

Keep your eyes and ears open for December activities and events. We have a bulletin board in the recreation center that has any upcoming events posted. Stop in and check out the bulletin board or feel free to post anything that you may having that you want our community to know about.

9th Annual Light the Path Memorial Walk:

December 15, 2017, 5:00 P.M.  
at Isleta Recreation Center

The Annual event has been in the planning stages; the time has come upon us to remember our loved ones that have journeyed before us. The 9th Annual Light the Path Memorial Walk will take place on Friday, December 15th, 2017, at the Isleta Recreation Center.

This event is sponsored by the Isleta Community Action Team (ICAT) which is comprised of POI Service Providers/ Departments and Community Members. **The event will start at 5:00 pm at the Isleta Recreation Center.** The event will include a procession to St. Augustine and a memorial service. Upon conclusion a dinner will be served and a Memorial slideshow with pictures of loved ones. There will be raffling of “awesome” door prizes. Luminaries will light up the main tribal (TR 40) road and the church/plaza area.

Past event years were a huge success with luminaries lighting and guiding the procession towards the St. Augustine Church with over 250 participants in 2014, 2015 and 2016. We anticipate this number to grow larger each year. **NAMES AND PHOTOS ARE NOW BEING ACCEPTED!!** Deadline will be December 1, 2017. If emailing photos are easier for you, email to [isletamemorialwalk@gmail.com](mailto:isletamemorialwalk@gmail.com). Luminaries may be picked up the next day after the event for your own personal use.

In closing WE all have someone special that has left so many memories while they were here with us on Earth. So in turn we want to honor them.

**If more information is needed, or wanting to volunteer please contact Isleta Behavioral Health Services @ 505.869.5475.**

The Memorial Walk Event includes: Memorial Slide Show, Photo Memorial Boards, Church Memorial Prayer, Dinner, Community and Family Gatherings & Community Door Prize Drawings.

## Transit Services Now Serving the Pueblo of Isleta

The Pueblo of Isleta and the Rio Metro Regional Transit District are pleased to announce two new transit services now serving the Pueblo

### Bus Route 208

Bus Route 208 connects the Pueblo and Valencia County communities to the Alvarado Transportation Center (ATC) in Downtown Albuquerque during the morning/midday when the Rail Runner does not operate. Route 208 features three northbound trips arriving at the ATC at 9:30am, 11:00am and 1:30pm, and three southbound trips departing the ATC at 9:35am, 11:05am and 1:32pm. At the ATC, riders can transfer to ABQ RIDE bus routes.

Route 208 serves two bus stops on the Pueblo of Isleta. The stop closest to the village proper is located on NM 147 just east of the Rio Grande bridge. Please do not park and leave vehicles unattended on the adjoining roads near this stop, as the bus and other vehicles use these roads to turn around and access other locations. Route 208 also stops at the Isleta Pueblo Rail Runner Station, where riders can transfer to the Isleta Resort and Casino shuttle. Because the bus serves the station, riders can also consider using Route 208 in combination with the Rail Runner, for example, taking the bus to Downtown Albuquerque in the mid-morning and returning by train in the evening.

### Pueblo of Isleta Dial-a-Ride

The Pueblo of Isleta Dial-a-Ride operates Monday through Friday from 9:00am to 2:00pm, providing trips within the Pueblo and to the ABQ RIDE Route 53 bus stop on NM 314. Limited service to WalMart in Los Lunas will also be provided on Wednesdays from 11:00am to 2:00pm.

Request your Dial-a-Ride trip by calling Valencia County dispatch at (505) 352-3595 before noon at least one business day prior to your trip. Rio Metro will accept requests beginning Wednesday 11/29 for service starting Monday 12/4. Requests are accepted between 8:00am and 5:00pm. On the date and time of your trip, a wheelchair accessible van will arrive within 15 minutes of your scheduled pickup time. Trips may also be grouped together; riders should expect to travel with others.

For more information about both services, including a copy of the Route 208 schedule, visit [riometro.org](http://riometro.org) and select “Schedules” > “Bus” > “Pueblo of Isleta” from the grey bar near the top of the website. Schedules for Route 208 are also available at the Public Services Department Office at the Tribal Services Complex.

FOR IMMEDIATE RELEASE

Community Health Leaders Selected in Eight Tribal Communities in NM

*Community Health Leadership Program Launches in Pueblo, Navajo, and Urban Areas*

ALBUQUERQUE, NM —November 20, 2017 — Smoke Free Signals, a tribal-serving health education program, recently announced eight awardees for its Community Health Leadership Program.

Smoke Free Signals will mentor the selected Community Health Leaders with the vision to protect all tribal community members from the harms of commercial secondhand smoke. The Community Health Leaders will design and implement a policy action plan unique to their communities to reduce the acceptability of commercial secondhand smoke in a specific community space. Each Leader will receive \$2,500 for reaching milestones in environmental policy change.

Secondhand smoke is the combination of smoke from the burning end of a cigarette and the smoke breathed out by smokers. Secondhand smoke is toxic and contains over 7,000 chemicals, and has been linked to cancer, sudden infant death syndrome (SIDS), ear infections, and severe asthma.

Awarded health leaders and the communities they will serve include Alexis Garcia (San Felipe Pueblo), Kandyce Garcia (Santo Domingo Pueblo), Corey Herrera (Cochiti Pueblo), Leslee Horn (urban Indian population in International District of Albuquerque), Kyle Jim (Diné), Jody Mike-Bidtah (Diné), Diane Shije (Zia Pueblo), and Louis Tonya (Acoma Pueblo).

**About Smoke Free Signals:**  
Smoke Free Signals is a program that provides commercial tobacco and secondhand smoke awareness tools to the 23 Tribes, Nations, and Pueblos across New Mexico. The resources provided arm Tribal Communities with the tools necessary to implement smoke free environments in an effort to improve the health and wellbeing of these communities. Established in 2015, the program is led by Native American-owned small business, Keres Consulting, Inc. More information about Smoke Free Signals is available at [www.smokefreesignals.com](http://www.smokefreesignals.com).

Thank you to all the Pueblo of Isleta Departments for making this memory successful and possible, the children enjoyed all the goodies...

New Child Care Provider

My name is Alexandria Aragon, I currently attend the University of New Mexico and my major is in Elementary Education. I could never see myself as a teacher of any kind until I volunteered at an elementary school and worked with Pre-K and Kindergarten children. I had an instant connection to the children and knew that I had found my passion and career for life. I enjoy looking after children and getting to know and understand the personalities of every child. Every morning I look forward to working with an age group that is full of life and fun!

ELDERS

Greetings from the Elder Center! 2017 is nearing its end and soon we will be welcoming 2018. We hope everyone was able to enjoy Thanksgiving with delicious food and the loving company of family.

Before we jump into the holidays we wanted to mention something exciting we missed from October which was our Halloween party. On Halloween we had a great turn out of elders who came in to try their luck at Bingo and a cake walk. We had delicious treats to snack on and eerie music to put us in the Halloween spirit. Thank you to those who donated Bingo prizes as well as delicious homemade cakes. Donations for Bingo prizes are always appreciated. We look forward to more holiday themed parties in the future!

During the month of November we were able to host a few fun and insightful field trips. Our first trip of the month was to the Indian Pueblo Cultural Center where we visited the museum and finished with lunch at the delicious Pueblo Harvest Café. The museum was filled with insightful information on the history of the pueblos that make up New Mexico. We were able to see pictures of Isleta from many years ago. It was a great treat to hear how everyone identified the places that were in the photos and to hear their stories they told of life when they were growing up. Lunch at the Pueblo Harvest café was delicious. The food served is traditional Pueblo food with a modern twist. We highly recommend it!

We were invited to partake in The Pueblo of Acoma's annual Diabetes Conference. We had a group of 20 elders and staff that attended the day conference where we learned the importance of dealing with diabetes and how we can prevent it. We heard from many informative presenters that talked about diabetes from the medical perspective as well as from a traditional healing standpoint. The conference offered workshops on natural healing therapy by helping our elders create a massaging ball out of Epsom salt, and natural herbs. Offered on sight were different types of medical testing such as a kidney test to help detect early signs of kidney disease. There was even an exercise portion where we did some cardio to help get our blood flowing and hearts pumping! Some of our elders even finished off their day with an acupuncture session.

This month was also the start of our Bingo trips to Sandia Casino. Until the renovations are finished at the Isleta Casino and

Resort, we will be going to Sandia Casino for Bingo. Those who attended were able to have lunch at the buffet and spend the afternoon playing Bingo. We look forward to the upcoming Bingo trips to Sandia.

General Meeting

We would like to thank Stephanie Barela, the Health Educator at the Isleta Health Center, along with her assistant who came in to give an insightful presentation on how

to stay safe inside your home when it comes to fire and fall prevention. Fire and fall prevention is such an important topic when it comes to the safety of our elders. Always make sure your smoke alarm batteries are working and have an emergency escape route out of your home should you find yourself in a fire situation. The Elder Center always stresses the importance of having your emergency contact information put in a visible area. If you would like an emergency contact form filled out for yourself, please come by the Elder Center and we will laminate one for you to put on your fridge. If you missed this great session be sure to stay on the lookout for more collaborations with Stephanie.

Please refer to our calendar for all upcoming trips and activities. Please keep in mind that Open Activity days are available for all types of activities such as shuffleboard, pool, exercise equipment use, and much more. Please stop by and see what amenities we can offer you. Should you have any further questions or if you would like to sign up for an activity, feel free to call Monique Lujan, activities coordinator, at 869-9770.

*The Isleta Elder Center hopes that your holiday season is full of love and laughter. We graciously thank all of our Elders for the continuous knowledge and wisdom that they constantly provide us. May your holidays be blessed.*
