

PUEBLO OF ISLETA

ISLETA RECREATION GYMNASIUM NOMINATION & VOTING PROTOCOL

In order to continue to keep our community as safe as possible, we ask that you please:

Know how it spreads:

- There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19).

The best way to prevent illness is to avoid being exposed to this virus.

- The virus is thought to [spread mainly from person-to-person](#)
 - Between people who are in close contact with one another (within about 6 feet)
 - Through respiratory droplets produced when an infected person coughs, sneezes, or talks
 - These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs
 - Some recent studies have suggested that people who are not showing symptoms may spread COVID-19

Cover your mouth and nose with a mask when you arrive and use hand-sanitizer

- You could spread COVID-19 to others even if you do not feel sick.
- The mask is meant to protect other people in case you are infected.
- Everyone should wear a [mask](#) in public settings and when around people who do not live in your household, especially when other [social distancing](#) measures are difficult to maintain.
- Continue to keep about 6 feet between yourself and others. The mask is not a substitute for social distancing.

Avoid close contact, maintain social distancing

- Outside your home: Put 6 feet of distance between yourself and people who don't live in your household.
 - Remember that some people without symptoms may be able to spread the virus
 - [Stay at least 6 feet \(about 2 arms' length from other people](#)
 - Keeping distance from others is especially important for [people who are at higher risk of getting very sick.](#)
 - Please refrain from visiting at the polling site

Socializing may be difficult to avoid: after a socially distant greeting, make plans to visit with a phone call.

1. Please follow signage, there will be a one-way entrance and one-way exit.
2. Only 5 Individuals will be allowed into the gymnasium at once, please have patience.
3. Pencils will be provided for marking the ballots, please take the pencil with you when you leave.
4. Hand Sanitizer will be available throughout the nomination/voting area.
5. Please be patient, as every new experience is a learning process.
6. Please have your ID ready (Driver's License or Census ID).
