Earth Day Clean Up With Kateri and Kaiya

Thank you to our friends and neighbors in Chical who came out early on a Saturday morning to help pick up trash and take pride in making our neighborhood beautiful!

In honor of Earth Day, Kateri (7) and Kaiya (5), own their own initiative, created flyers and invited neighbors in our area to join them in picking up trash. After concern that no one would come out to join them early on Saturday, April 24, many of our friends and neighbors came out ready to help. Together we filled an entire truck bed and we saw that our efforts made a difference. Kateri and Kaiya encourage others in our Pueblo to come together and do the same. They saw that we can make a big difference when we work together. It was beautiful to see them leading this effort and Mama and Daddy were so proud of their work!

Congratulations, girls!

**Pueblo of Isleta Veterans Association
Higher Education
Sponsorship Criteria**

As per the Charter of the Isleta Pueblo Veterans Association, the Pueblo of Isleta Veterans Association, henceforth referred to as POI/VA, was formed in 2010 and encompasses veterans who have served in the United States armed forces with honor and heroism during times of war and peace. As a nonprofit charity, POI/VA provides assistance to member veterans, spouses and pueblo members at large. The services include but are not limited to financial support for scholarships.

It is the goal of POI/VA to fulfill the mission of the organization by providing two (2) \$1,000 scholarship awards to senior high school students per academic year, recognizing outstanding academic achievement, extracurricular participation and exceptional leadership as well as the desire to serve in the United States military. This is a one-time scholarship award.

The POI Department of Education will support the goal of POI/VA of awarding scholarships by providing information on high school seniors majoring in the preferred fields, providing scholarship award information to school counselors, posting of award flyers and assisting in following up with Isleta tribal member recipients who are being funded primarily through the POI Higher Scholarship Award program.

Preferences for scholarship awards are as follows:

- o Preference will be given to students attending accredited public institutions in New Mexico; out-of-state institutions will be secondary;
- o Preference will be given to Pueblo of Isleta tribal members;
- o Preference will be provided to students pursuing higher education or a vocational education;
- o Preference will be provided to students on a need-only basis and if there is not a need-only student, the award will be given to a no-need student;

High school senior students endeavoring to pursue a scholarship from POI/VA will follow the following process:

- Students must provide a letter of interest summarizing their extracurricular participation, evidence of exceptional leadership in their school or community, and a copy of their transcript showing a GPA of 3.0 or better;
- Students shall submit at least two (2) letters of recommendation/support;
- Students must provide an acceptance letter from the institution in which he/she has enrolled by April;
- The scholarship award will be used for tuition purposes only. The award will be made out to the name of the institution and the student. Should the award recipient drop out or is suspended during the first year, the student must return the entire scholarship amount to POI/VA. The student must sign an agreement assuring POI/VA that he/she will return the full scholarship award should good standing not be achieved;
- The recipient will provide a copy of each semester/quarter transcript to POI/VA within three weeks after the end of each semester/quarter of the first year to demonstrate good academic standing.

Submittal of scholarship information will be made to:

POI/Veterans Association Scholarship Committee
P.O. Box 338
Isleta, NM 87022

Questions concerning the scholarship award will be made to:

Ulysses Abeita at 505-264-4110 or
Fred Lujan at 573-3733
