July 2022

Governor's Report

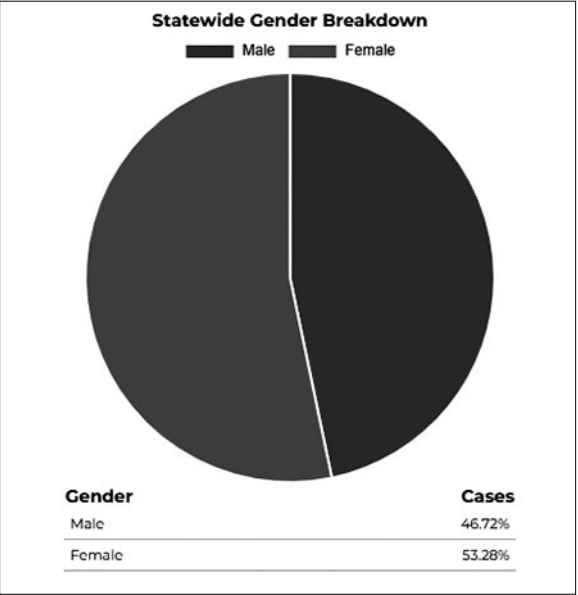

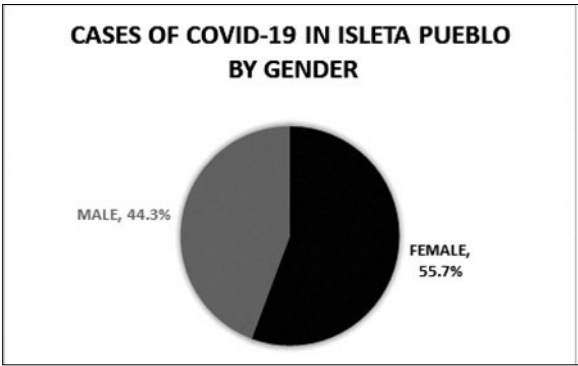

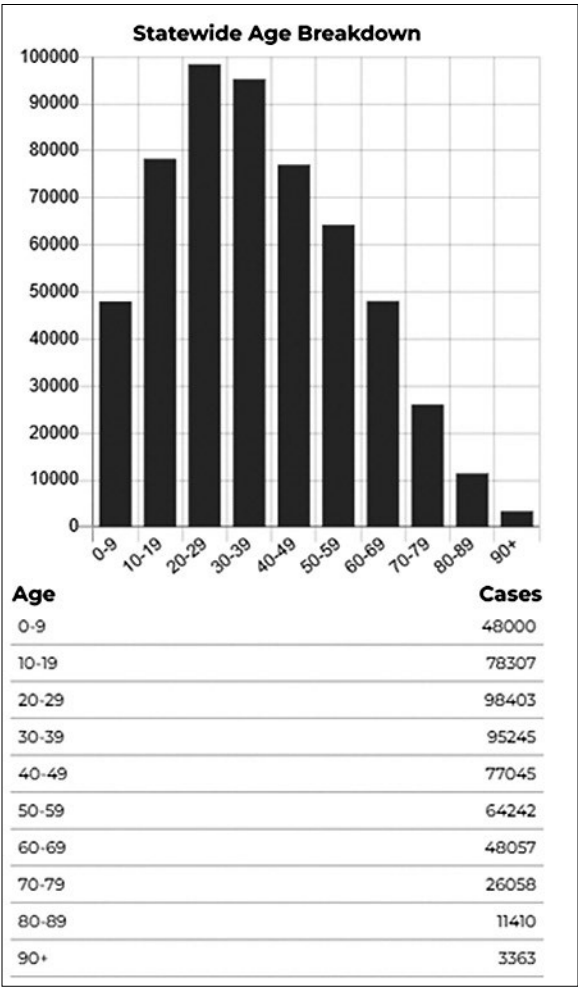

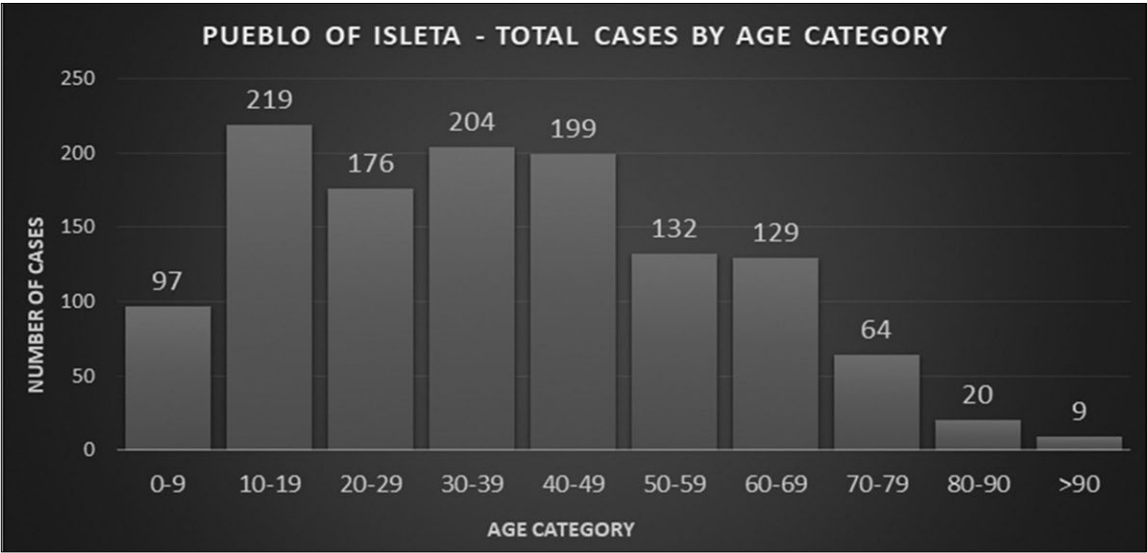

Ma gu wam,

Hello Pueblo of Isleta. We hope everyone has been staying safe and in good health. To begin, we are still seeing COVID-19 cases here within the Pueblo. Our numbers have ranged from 10 to 22 in the last month. As of this writing, we have 12 total positive cases here within the Pueblo. Of the 12 positive cases, 11 of those are Pueblo of Isleta Tribal Members. At this time, 9 households are being monitored. There are no hospitalizations or deaths. The COVID mitigation team highly recommends wearing mask when appropriate. We have made some great strides within the Pueblo and all of you have been making a difference in the fight against the COVID pandemic. We have made some changes to the Public Health Order. Please review the changes and if there are any questions, please feel free to call the COVID Line or the Governor's Office. Mask Mandates are still in place for the Isleta Elementary School, Isleta Head Start, Isleta Recreation Centers, Isleta Elder Center and Assisted Living Facility, Isleta Tribal Court, and the St. Augustine Church. If you are feeling symptoms of COVID-19, please call the COVID number (505) 869-9720 for assistance.

The COVID team has approved the use of opening the Chical Hall on Tribal Road 2 and the Old Court house to be rented for events. The rental of the building will be scheduled accordingly and to availability. Please call the treasury department for reservations and payments.

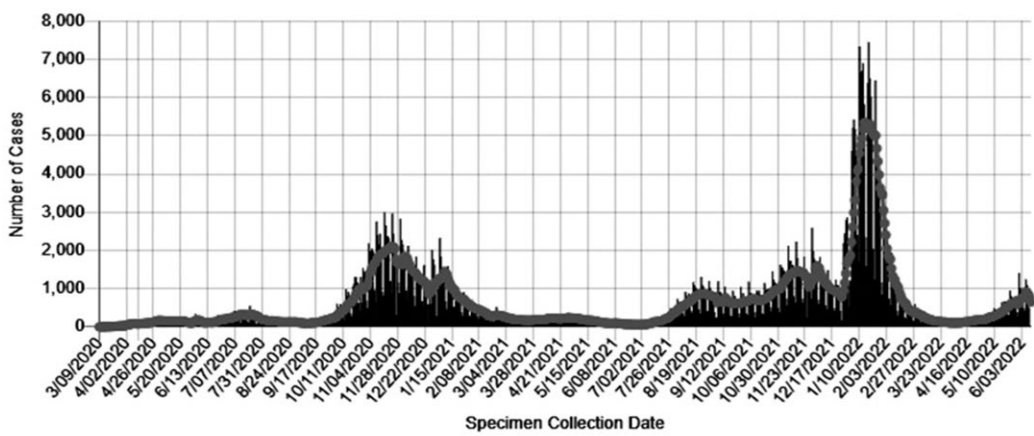

On Wednesday June 1, 2022, Tribal Administration along with President and Vice President of the Tribal Council attended the Tribal Leaders Summit hosted by the New Mexico Indian Affairs Department. Cabinet Secretary Lynn Trujillo (Sandia Pueblo) moderated the event. On the first day of the summit, Tribal leaders from across the state along with each Cabinet Secretary and staff were given a history of the relationship between the state of New Mexico and Tribal Entities and the key Indian laws and Policies that have been developed. The main goal of the Summit is to provide guidance towards collaboration and communication, which is spelled out in the State-Tribal Collaboration Act (STCA). The STCA general goals are to provide positive government-to-government relations, effective communications and cultural competency of the State of New Mexico departments. The communication and collaboration between the State of NM and Tribal Entities should occur when the development and implementation of policies, agreements, and programs directly affect Native Americans or Alaska Natives. Some State activities that require STCA adherence are Healthcare services and programs, Education program development and Child protective services to name a few.

In addition, Tribal Leaders were able to provide State of the Nation addresses of their respective Pueblos, Tribes, and nations. Many Tribal leaders thanked Governor Lujan-Grisham for her continued support

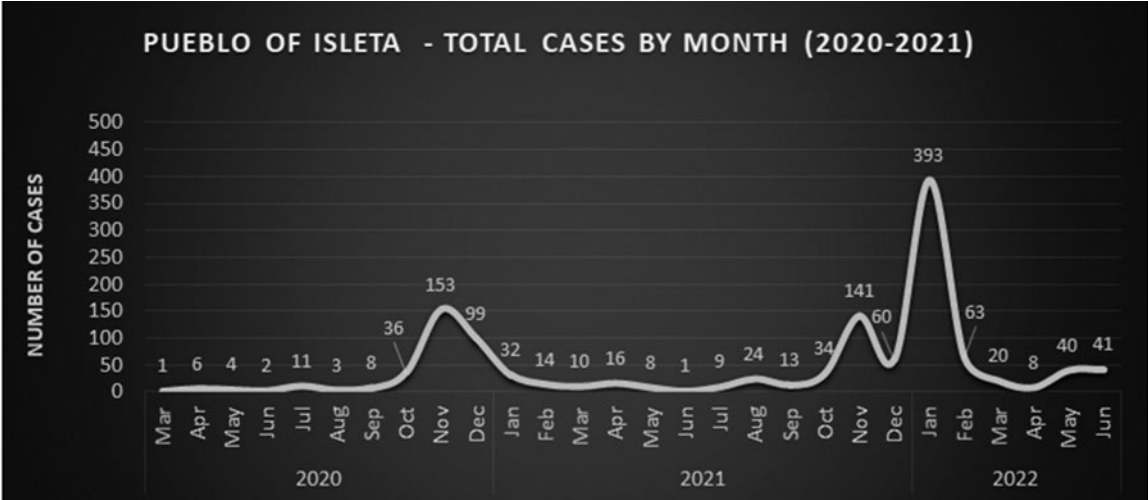

Epidemic Curve

Note: there may be positive test results that have not yet been reported in the last 7 days.

Last updated: 6/10/2022

of Tribes. They also addressed concerns that they have within their communities. I thanked Governor Lujan-Grisham for her continued support to Isleta Pueblo with funding of infrastructure projects. I also addressed our concerns with Children Youth and Families Department (CYFD) and jurisdictional issues we are facing. Overall, the summit was very informative and we had a good response from Cabinet Secretary Barbara Vigil about our concerns. We look forward to continued collaboration with the various Cabinet Secretaries and their staff.

We have been blessed with the rain in the past few weeks and grateful to the creator for hearing our prayers. Although we have had rainfall, we are still concerned of the conditions of the East and West rangelands. Most of the rangeland is in poor condition and with over-grazing and minimal rainfall, we are asking permittees to be cognizant of the conditions and consider bringing their cattle home. The conditions may warrant a mandatory removal of all cattle from the rangeland. If the decision is made to remove cattle from the East and West rangeland permittees will be notified. Moving forward, a full assessment of the rangeland will also be completed to assure proper management of the rangeland resources.

At this time, the Middle Rio Grande Conservancy District has run out of its San Juan Chama irrigation supply. There will still be a full supply for the P&P lands but not for the entire District. Scheduling and rotation for P&P lands began on June 12, as there will not be enough native flow available to divert from the river to fill all the ditches serving P&P lands. It is a 10-day rotation, and is divided by District Division.

The amount delivered to each division is based on how many P&P acres are in that division. The Cochiti Division has about half the P&P lands, so that division gets a full supply for half the time, or 5 out of 10 days. The Cochiti Division then gets a partial supply for 5 out of the 10 days, including some of the small capacity but long earthen Pueblo ditches as discussed on the schedule.

The Albuquerque Division has about 30% of the P&P lands, with half of that at Sandia and Santa Ana, and half at the northwest side of Isleta. The Albuquerque Division gets a full supply for 3 days out of 10, with 1-1/2 days going to Sandia and Santa Ana and 1-1/2 days going to Isleta’s northwest side. The Albuquerque Division gets a partial supply for 7 out of the 10 days.

The Belen Division, which includes Isleta’s east side and part of Isleta’s southwest side, is about 20% of the P&P lands, so they get a full supply for 2 out of 10 days and a partial supply for 8 out of 10 days. The BIA and District work together to deliver the required amount of water to the Pueblos, but it is the responsibility of each Pueblo to administer the water internally within each Pueblo. The attached schedule draft schedule covers the period of July 3 – 23. This and updated schedules will be posted on the Isleta Facebook page.

However, the District will divert to some non-P&P lands after the P&P demand has been fully satisfied, so the District will not have to shut down non-P&P lands from irrigating at that time, even though the Pueblos are scheduling and rotating.

V. Sanchez 6/21/2022 5:32 PM		2022 Calendar Draft for Review DraftCalendarJuly											

However, depending on if it rains, this available water to non-P&P lands could cease in July.

Each Pueblo will work directly with the District to let the District know which ditches to put water in and when, both during times of full and partial supply. The Pueblo of Isleta has access to more return flows than the other Pueblos, and will work directly with the District on deliveries, both during full supply and during the partial supply return flows.

Be prepared to irrigate at any time day or night when water is available per rotation schedule. Do not waste water by over irrigating Please cooperate with the Mayordomos in the scheduling of water.

As we all continue to move forward in the COVID-19 Pandemic, with the cost of rising prices due to inflation, and the everyday struggles we all face, I want to encourage all of you to keep the faith, be strong and stand together with good thoughts and please be good to one another. Standing together with good thoughts makes us a strong community. We will all continue to pray to our creator for the health and healing of our community.

Congratulations to all the 2022 graduates in their next education endeavors and with their professional career. You will become the next generation of tribal leaders in whatever paths you chose to take. Be proud of your accomplishments, continue to strive toward those to come, and continue to make

your family and community proud of you.

May we continue to receive rain and with our good thoughts and prayers, may the Creator keep us safe and bless us with a long and prosperous life.

Ha-wu
Vernon B. Abeita
Governor

YOUR NOMINATION/VOTE COUNTS!

THE ISLETA ELDER CENTER IS LOOKING FOR A FEW GREAT LEADERS TO REPRESENT OUR POI SENIORS ON THE ADVISORY COMMITTEE! IF YOU ARE 50 YEARS OLD OR OLDER, YOU CAN NOMINATE YOURSELF OR SOMEONE WHO LIVES IN YOUR DISTRICT. ALL NOMINATIONS COUNT AS VOTES. ELIGIBLE SENIORS WERE MAILED A PACKAGE, IF YOU ARE A TRIBAL MEMBER WHO IS 50 YEARS OF AGE OR OLDER AND DIDN'T RECEIVE A VOTING PACKAGE, PLEASE CALL US AT (505) 869-9770. PUBLIC HEALTH EMERGENCY ORDER 2022-03

PUEBLO OF ISLETA

June 17, 2022

1. The intent and purpose of this Public Health Emergency Order is to amend the Public Health Emergency Order 2022-02 to revise the restrictions for gatherings and access into the Pueblo of Isleta. The Pueblo of Isleta continues to vaccinate individuals, ensure access to COVID-19 testing, and treat individuals who test positive for COVID-19. Whereas, the Pueblo of Isleta has objectively assessed the overall COVID-19 data and science related to the COVID-19 variants, the current severity of disease, and the importance of carefully resuming normal activities.

THEREFORE, NOTICE IS GIVEN that, pursuant to the Tribal Health Officer authority set forth in Title 40, Communicable Disease Code, Pueblo of Isleta, effective May 11, 2020, as adopted by Tribal Council Resolution No. 2020-016B on November 25, 2020, I hereby order that:

- A. All persons 2 years of age and older are recommended to wear a mask while in indoor public settings, except when eating or drinking, or with members of the same household.
 - Masks are recommended in outdoor settings. In areas with high numbers of COVID-19 cases, consider wearing a mask in crowded outdoor settings and for activities with close contact with others who are not fully vaccinated or high-risk for complications related to COVID-19.
 - Masks may still be required at the discretion of Governor and or traditional leaders during traditional activities or gatherings that may pose a risk to individuals at high-risk.
- B. All persons who are experiencing COVID-19 like symptoms are to call the COVID-19 Response Line, 505-869-9720, to schedule a COVID-19 test.
- C. All persons who test positive for COVID-19 are to isolate for 5 days, if they are asymptomatic or their symptoms are resolving (without fever for 24 hours), followed by 5 days of wearing a mask when around others to minimize risk of transmission.
- D. Persons with an exposure to someone with suspected or confirmed COVID-19 are not required to quarantine if the following criteria are met:
 - Are up-to-date on COVID-19 vaccinations (a person who has received all recommended COVID-19 vaccines, including any booster doses when eligible) or fully-vaccinated (a person has received their primary series, dose 1 and dose 2 of COVID-19 vaccines).
 - Have remained asymptomatic since the current COVID-19 exposure.
 - Have had a confirmed COVID-19 positive test within the last 90 days.
- E. Persons who do not quarantine should still watch for symptoms of COVID-19 for 10 days following an exposure and wear a well-fitted mask.
 - Persons do not need to stay home unless COVID-19 like symptoms develop. Get tested immediately, if symptoms develop.
 - It is recommended to get a COVID-19 test even if you do not develop symptoms at least 5 days after you last had close contact with someone with COVID-19.
- F. Gatherings will be permitted.
 - Social distancing and wearing a well-fitted mask is recommended at any gathering or event at any indoor public spaces or Pueblo of Isleta venues.
- G. All non-resident, non-tribal persons who do not lawfully reside within the exterior boundaries of the Pueblo of Isleta reservation will be denied access into the main village area with the exception of tribal members of the Pueblo of Isleta.
 - Limited access will be granted to persons who are participating in Pueblo of Isleta sponsored activities or programs, such as recreation events and religious services.
- H. The sale of prepared food, including but not limited to Indian Oven Bread or traditional food products, arts and crafts, agricultural and/or yard sales within the exterior boundaries of the Pueblo of Isleta is permitted. Vendors must abide by COVID-19 Safe Practices for all sales.

(Continued, next page)

NOTICE IS FURTHER GIVEN that, pursuant to Section 40.10.1 of Title 40, Communicable Disease Code, all tribal law enforcement officers are hereby ordered to actively enforce all provisions of this Public Health Emergency Order.

NOTICE IS FURTHER GIVEN that all persons within the external boundaries of the Pueblo of Isleta recommends the following additional preventive measures:

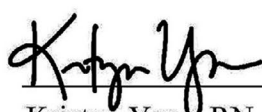

1. All persons should perform frequent hand washing with soap and water for at least 20 seconds, or frequently use a hand sanitizer that contains at least 60% alcohol.
2. All persons should maintain social distance of 3 to 6 feet to accommodate safe physical distancing for protection from the spread of respiratory droplets when out of the home and in public.
3. All persons who request that a mask be worn, all persons are expected to accommodate such requests.
4. All persons should avoid touching their face, nose, eyes or mouth.
5. All persons who are experiencing symptoms of COVID-19 should get a COVID-19 test as soon as possible.
6. All persons eligible to receive the COVID-19 vaccine should receive the COVID-19 vaccine as soon as possible.

Definitions:

1. Access is restricted to all non-residents, with the exception of tribal members of the Pueblo of Isleta.
2. Well-fitted mask: A facial covering designed to filter breathing through both the nose and mouth and thereby contain or limit respiratory droplets. A mask must snugly cover the face around both the nose and mouth, have 2 or more layers of washable, breathable fabric, completely cover your nose and mouth, and have a nose wire to prevent air from leaking out the of the mask. For more information: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/effective-masks.html>
3. Public: Any area outside of an individual's residence wherein one could come in close contact with someone not from the individual's household.
4. Gathering: Any public gathering, private gathering, organized event, sporting or recreational event, or other grouping that brings together individuals in a single room or connected space, or personal residence. Businesses, workplaces, houses of worship, and places of lodging do not qualify as mass gatherings, but must adhere to all applicable Pueblo of Isleta policies, Public Health Orders and Executive Orders. "Mass gathering" does not include individuals who are public officials or public employees in the course and scope of their employment.
5. Essential services: services such as home health care, delivery trucks, emergency home repair services, public utilities, and Pueblo of Isleta operations.
6. Isolation: used to separate people with confirmed or suspected COVID-19 from those without COVID-19. Persons in isolation should stay home until it's safe for them to be around others. At home, anyone sick or infected should separate themselves from others or wear a well-fitting mask when they need to go to common areas of the home.
7. Quarantine: used to keep someone who might be exposed to COVID-19 away from others. People who have had COVID-19 within the past 3 months or who are fully vaccinated are excluded from quarantining as long as no new symptoms develop.
8. Close Contact: an individual who is within 6 feet of someone who has COVID-19 for a total of 15 minutes or more, individual who provides care at home to someone who is sick with COVID-19, or individual who has had direct physical contact with someone who has COVID-19.
9. Fully vaccinated: ≥ 2 weeks following receipt of the second dose in a 2-dose series, or ≥ 2 weeks following receipt of one dose of a single-dose vaccine.
10. Up-to-date: persons who have received the primary series (1st and 2nd doses) and the booster dose (dose 3) of the COVID-19 vaccine series
11. COVID-19 vaccine: the Advisory Committee on Immunization Practices (ACIP) has issued interim recommendations for the use of Pfizer-BioNTech, Moderna, and Johnson & Johnson COVID-19 vaccines for the prevention of COVID-19 in the United States.
12. COVID-19 Mitigation Team: the Pueblo of Isleta incident command structure comprised of Incident Commanders, Logistics Chief, Operations Chief, Planning Chief, Finance Chief, Safety Officer, and other essential representatives from the Pueblo of Isleta operations.
13. COVID-19 Safety Plan: a formal operational plan for any outdoor activity that includes COVID-19 safe practices and guidelines that will be followed for anyone attending or participating in the activity.

NOTICE IS FURTHER GIVEN that this Order shall take effect Friday, June 17, 2022 at 6:00 PM, and shall remain in effect until otherwise ended by a subsequent Public Health Emergency Order. All Public Health Emergency Orders issued prior to June 16, 2022 are rescinded and/or have been revised in this order.

**ADDITIONAL ORDERS WILL FOLLOW AS CONDITIONS WARRANT, SO ORDERED
THIS 17th DAY OF JUNE, 2022.**

Kristyn Yepa, RN, DNP, MPH
Tribal Health Officer/Public Health Services Director
Isleta Health Center

Vernon B. Abeita, Governor

LETTER FROM THE EDITOR

DEADLINE for August Newsletter articles is set for Wednesday, July 20, 2022, at 4:30 pm. Articles may be dropped off at the Library or emailed to Nathaniel.Lujan@isletapueblo.com. Should you email your article, expect a confirmation email. If you do not receive a confirmation email, odds are it never made it to me and then it’s time to panic, so call Nate at 505.869.9808.

People who wish to submit an article or flyer are responsible for generating their own article or flyer. Should you need help, please call the Library at 505.869.9808 and set up a date and time to sit down with a Library staff member who will help you throughout the process. The Library will NOT accept notes dropped off at the Library or information over the phone to generate your article.

PROBATES need to be published in the Newsletter for two consecutive months. Probates are considered court documents, therefore, all submitters must provide: 1) Name of Deceased, 2) Date of Deceased 3) Court Case # and 4) Date of Court Date. A Probate form can be found on the Newsletter Archive page at <http://www.isletapueblo.com/newsletters.html>.

CLASSIFIED ADS: The new administration has requested that the Newsletter start a Classified Ad section for Tribal members selling land, houses, mobile homes, vehicles, and farm equipment. Leasing of houses and mobile homes will be accepted. Smaller items which can be sold at the local flea markets or weekly yard sales will NOT be accepted.

Currently, this service is FREE to Tribal members. Land, houses, and mobile homes must be within the reservation boundaries. Ads must meet the 160 character limit. Ads that exceed the 160 characters will NOT be submitted into the Newsletter. A single picture June be submitted with the ad. Submitters of classified ads are responsible for generating their own ads as this is a FREE service.

As a reminder, Tribal business owners may submit a small flyer at no charge. Like the classified ads, business owners are responsible for generating their own flyers as this is a FREE service.

Classified ads and business flyers will be posted no more than two consecutive months. In the event where the Newsletter may exceed the 24-page limit, classified ads and business flyers will be “bumped” for newsletter articles. Again, this is a FREE service for Tribal members.

The Isleta Newsletter is owned and operated by the Pueblo of Isleta. Therefore, the Governor of the Pueblo of Isleta has the final say of all articles and contents within the Isleta Newsletter.

For additional questions, you may call the Library and speak with Nate or Diane at 505.869.9808.

Thank you,
Nathaniel Lujan

Newsletters may be found at the fifteen distribution locations listed below. Remember, Digital copies of the Newsletter may be obtained from the Newsletter archive at <http://www.isletapueblo.com/newsletters.html>

Meals are limited and served on a first come first served basis.

**The Pueblo of Isleta Public Library
will be a site for meal distribution!**

If you have any questions please contact the library at (505) 869-9808.

CARING FOR YOUR DOG DURING WARM WEATHER

Dogs lose heat through panting, can only sweat through their paws, and are at high risk of getting heatstroke. Follow our top tips to keep your dog cool in the heat.

PROVIDE SHADE AND WATER

- Provide constant access to shaded areas inside and out.
- Ensure there is always cold, clean, fresh water available.

WALKIES

- Head out in the early morning or late evening when it's cooler.
- Don't run or cycle with your dog when it's hot.
- Avoid pavements. If the ground is too hot to touch with your hand for a few seconds, it's too hot for paws!

KEEPING COOL

- Prevent sunburn by using pet-safe sunscreen on ear tips and nose.
- Brush your dog regularly to keep their coat thin and free from matts or knots.
- Use frozen toys, paddling pools or water sprinklers to entertain and cool your dog down.

REMEMBER:

Dogs can die in hot environments. See: [rspca.org.uk/dogs/inhotcars](https://www.rspca.org.uk/dogs/inhotcars)

Never leave pets in vehicles, caravans, conservatories or outbuildings in warm weather.

HEATSTROKE CAN KILL.

Know the signs of heatstroke and contact a vet immediately if you spot them: heavy panting, excessive drooling, lethargy, drowsiness, uncoordinated movements, a state of collapse and vomiting.

ANIMAL CONTROL

Hello everyone and happy summer!

We hope everyone is staying cool during these **VERY HOT** summer months. If you do not know already, the State of New Mexico is in a bad drought and we are seeing record high temperatures all over the state. That being said it is important to make sure your four-legged friends are staying cool as well. If you are not familiar with the Isleta Animal Ordinance, there are rules for making sure your pets are in a safe living environment, whether you keep them inside or outside. If you are to keep your pets outside, they **MUST** be confined to your property at all times. If you have a fenced in yard which is able to prevent your pets from escaping that is fine. If you do not, your pets must be on a restraint line which is a minimum of 8 (eight) feet long and must be fixated to the animal by use of a properly fitted collar and harness. Your pets must also have fresh water easily accessible and shelter available to escape from the harsh elements. Failure to comply will result in the proper actions being taken and possible forfeiture of the animal(s).

One other big thing Animal Control has noticed while out on patrol is the fact that the majority of the animals we pick up do **NOT** have proper identification. Proper ID is either an ID tag on the pet's collar or a Microchip. Under Ordinance this is **REQUIRED** to have at all times. An ID tag shall include the owner's name, physical address, contact phone number and the animal's name. A microchip shall have all these factors as well. If your pet does not have any proper ID and it is picked up by Animal Control, it will be considered a stray and transported to the Valencia County Animal Shelter, where they have their own intake and holding fees.

To finish, I would like to let everyone know of Isleta Animal Control's new holding facility! We are currently working to put permanent kennels throughout the building to reduce the number of animals taken to the Valencia County Animal Shelter. It is located off of Tribal Road 64 in Pickle Heights, right next to the little rec. IAC is currently taking donations on blankets, towels, and toys for the cats and dogs we hold here. We also have some food leftover to be donated for free to Tribal Members. Please call to arrange a time to meet and get food. Limited stock is available.

Section 3.B Proper Identification. All animals must have proper identification tags attached to their collars or embedded in a microchip at all times. The tag shall include the owner's name, physical address, phone number and the animal's name. If an untagged animal is picked up by Animal Control, it will be considered a stray and transported to the Animal Shelter. Failure to comply with this subsection will result in a \$25.00 fine made payable to Animal Control.

Section 3.E Proper Care and Maintenance. It is the responsibility of the owner to provide adequate shelter, fresh food and water for their animals at all times and a clean living environment. Clean water must be available and accessible at all times. Owners are also responsible to provide adequate veterinary care for an injured or sick animal. Depending on the severity or condition of the animal, it could lead to **CRIMINAL CHARGES** being filed for **ANIMAL NEGLECT** and or **ANIMAL CRUELTY** under this Animal Ordinance.

Section 3.F Running at Large. No animal is allowed to run at large, roam or create a nuisance on another person's property or public areas of the Pueblo. All animals must be within the control of their owner, confined or physically restrained in a manner it cannot escape. First offense for an animal running at large will result in a \$25.00 fine. Second offense will result in a \$50.00 fine. The third offense will result in a \$100.00 fine. Four or more violations will result in being cited for "*Nuisance Animals*" as well as a petition will be filed in court to have the animal removed from its owner.

My name is Jonna Toledo and I work out of the Goodwill store in Los Lunas. What I do is help people find jobs in the community. This is a FREE service that Goodwill offers. I do work by appointment. The first appointment I just get the information to help with your job search. Example: What you are looking for, your availability, experience, etc...we do meet weekly until you find a job. Just because you find a job does not mean we are finished! I will stay in touch with you about once a month for 3 months just to make sure everything is going well. We want to make sure you are being treated well and that the job is a good fit for you. I can give job leads, help fill out applications electronically, make resumes, and we can also practice interviewing skills so you feel comfortable in an interview. I do know lots of hiring managers in the area to help set up interviews. We participate in job fairs as well as organize them and set them up at Goodwill in Albuquerque and Los Lunas. Because we are a non profit there is no charge for this service. It is FREE to the community. Not a lot of people realize that Goodwill does FREE services because they are not really advertised. They just know that the store is a good place to go and get good deals on merchandise. It doesn't matter what type of job you are wanting, I can help! There are several different fields in the area including administrative, custodial/janitorial, retail, daycare, eldercare, warehousing, production, retail and food services. Soon landscaping and outdoor type positions will be opening up. Please contact if you need help. It is always my pleasure to help with your job search. Just call me to set up an appointment! Thank you!

ST. AUGUSTINE

Baptism makes us sharers in the life of God as members of the Church, the Body of Christ. The Church's sacraments are action of the whole Church, which necessarily take place in a local community, that is, in a parish. In the celebration of the sacraments, the Church is built up, its faith strengthened, the hand of salvation is extended to faithful believers.

Baptisms at St. Augustine Parish are celebrated on the third Sunday of each month, except during the Lenten season. We ask that parents register for baptism at least **two months in advance** of the date you plan on having your child baptized. Parents are responsible for coming to the parish office to fill out a Baptismal Registration Form. Non-Parishioner's must obtain a letter from their Church of registration giving permission to have their child baptized at St. Augustine. A baptismal preparation class must be attended by both parents and godparents. Parents, it is your responsibility to make sure the persons you have selected as Godparents have received the sacraments of initiation (Baptism, Confirmation, First Eucharist). Please call the Parish Office if you have further questions, (505) 869-3398.

FAQ: NEW MEXICO
OPPORTUNITY SCHOLARSHIP

NEW MEXICO
HIGHER EDUCATION
DEPARTMENT

Fostering Student Success from Cradle to Career

What is the New Mexico Opportunity Scholarship?

Established by Gov. Lujan Grisham in 2020, the Opportunity Scholarship covers tuition and required fees for eligible New Mexico residents pursuing career training certificates, associate degrees, and bachelor's degrees at New Mexico public colleges and universities.

Do I qualify for the Opportunity Scholarship?

If you are an established New Mexico resident and plan to enroll in at least six credit hours at a public college or university in New Mexico toward a training certificate, associate degree, or bachelor's degree, you may qualify.

How do I apply for the Opportunity Scholarship?

There is no application for the scholarship. If you are an eligible student enrolled in a New Mexico public college or university, the financial aid office at your school will work with you to award the scholarship.

What does the Opportunity Scholarship pay for?

The Opportunity Scholarship can be used to cover up to 100% of tuition and required fees at any New Mexico public college or university.

Should I still complete my FAFSA if I am going to receive the Opportunity Scholarship?

Yes! If you qualify to receive federal aid such as a Pell Grant, you can put this money toward other college costs like books, housing, meal plans, transportation, etc.

Remember to complete your
FAFSA
at fafsa.gov

The Free Application for Federal Student Aid (FAFSA) is your ticket to federal grants, scholarships, work study, and more. It opens annually on Oct. 1. Students are strongly encouraged to complete the FAFSA to receive the maximum federal and state aid they may qualify for.

Does my school provide the Opportunity Scholarship?

There are 29 participating two-year and four-year colleges for this program:

- Central New Mexico Community College
- Clovis Community College
- Diné College
- Doña Ana Community College (NMSU)
- Eastern New Mexico University - Portales
- Eastern New Mexico University - Ruidoso
- Eastern New Mexico University - Roswell
- Institute of American Indian Arts
- Luna Community College
- Mesalands Community College
- Navajo Technical University
- New Mexico Highlands University
- New Mexico Junior College
- New Mexico Military Institute
- New Mexico State University - Las Cruces
- New Mexico State University - Alamogordo
- New Mexico State University - Carlsbad
- New Mexico State University - Grants
- New Mexico Tech
- Northern New Mexico College
- San Juan College
- Santa Fe Community College
- Southwest Indian Polytechnic Institute
- The University of New Mexico - Albuquerque
- The University of New Mexico - Los Alamos
- The University of New Mexico- Taos
- The University of New Mexico - Gallup
- The University of New Mexico - Valencia
- Western New Mexico University

I started college but did not finish. Can I use the Opportunity Scholarship to go back and finish my degree?

Yes! If you have less than 90 credit hours on your transcript toward an associate degree or less than 160 toward a bachelor's degree, you may qualify.

I used to receive the Lottery Scholarship but lost it. Can I be eligible for the Opportunity Scholarship?

If you have not yet finished your degree, you may be eligible if you enroll in at least six credit hours and maintain a 2.5 cumulative GPA going forward.

Department of Education News

Absolute deadline dates:

Term/Semester	Isleta Higher Education Scholarship Application	Supporting Documents Due Date
Fall	July 1st 11:59 pm	August 31st 11:59 pm
Spring	November 1st 11:59 pm	January 15th 11:59 pm

With the New Mexico Opportunity Scholarship, the New Mexico Lottery Scholarship, and more than 25 scholarships, grants, and college financial aid programs available, there are options for every New Mexican to pursue higher education without having to worry about the cost of tuition and fees. Explore below to learn more!

Greetings to everyone! *It is that time of year where we want to celebrate our kids graduating from High School. A great accomplishment for every family. It is almost tradition to have a dinner and dance to let our kids know how proud of them we are. As many of you know, my husband and I are well known in the community for bringing music and laughter together. I grew up listening to my dad and my uncle's band play for such events for a long time as "The Pueblo Ramblers". It would be our honor to DJ for anyone who would have us. Please call us if you are interested in booking us for your next Party. We also do weddings, birthdays, any event that makes you want to dance. You can call/text for booking information at 505-238-6305. We also sell "Pueblo Rambler" Cd's. Thank you for your support!*

HOUSING AUTHORITY

Seasonal Service - The Isleta Pueblo Housing Authority (IPHA) has been very busy with Seasonal Service these last few weeks. For those who had to wait, thank you for your patience. This season was overwhelming, IPHA attempted to service as many households as possible; however, due to staff shortage and having to hire sub-contractors to assist, unfortunately service took longer than expected. Beginning in the Fall 2022, IPHA will only be servicing the shut-ins, elders (65+), disabled, and veterans. Any other households calling in for seasonal service will be referred to a list of contractors who can provide the service at the homeowner’s expense.

Work Orders – IPHA receives a number of calls on a daily basis for work orders, these work orders include service for plumbing, electrical, and seasonal service issues, in addition to requests for renovations or major repairs. IPHA has a limited number of maintenance staff to address all these calls, we ask for your patience if our Maintenance Techs are unable to assist you immediately. Emergencies (health and safety related) will be given priority, all others will be addressed in the order they were received.

Emergency Rental Assistance Program – the US Department of Treasury’s ERA Program will be ending on September 30, 2022. For those tribal members who are RENTING and in need of assistance, the cut-off date to apply or re-apply is September 16, 2022. This will allow IPHA sufficient time to process payments prior to the end date of September 30, 2022. The ERA1 Program provides assistance for rent and utilities (as part of the rental agreement). Keep in mind, there are eligibility requirements under this program. For further information on the ERA Program or any other Housing concerns, please call IPHA at (505) 869-4153.

ISLETA YOUTH MAKE 12U YUCCA ALL STARS TEAM

Congratulations to the following baseball players who are representing Isleta Pueblo in the 2022 Yucca Little League All Stars (Major Boys Ages 11-12). These boys are being coached by Jonathon Piro, also of Isleta. They will be playing in the District 9 Little League tournament during 4th of July weekend. If they advance, they would have a chance to play in the State Championship. Awesome job boys and GOOD LUCK!

TRUANCY
Summertime Summer Fun!

We hope you and your families are having a wonderful summer, enjoying time together, and making memories. Everyone loves to be outside in the summertime doing yard work, playing with the kids, attending family gatherings, and many other activities. Some tips on how to keep you and your family safe during the summer heat are:

- ◆ Stay hydrated
 - Make sure you are drinking enough water, especially if you are outside, don't wait until you are thirsty to drink water.
 - Benefits of drinking water:
Gives nutrients and oxygen to your cells, normalizes blood pressure, protects organs and tissues, and regulating your body temperature.
- ◆ Sugary drinks
 - Limit the intake of sugary drinks such as sodas, sports drinks, energy drinks, sweetened tea, and coffee, as they will dehydrate you even more.
 - Examples of healthy drinks:
Water with fresh fruit, unsweet iced tea, and sparkling water.
- ◆ Clothing
 - Instead of wearing tight-fitted clothing, wear loose lightweight light-colored clothing. This will help your body regulate its body heat.
 - A few examples of loose and lightweight clothing: loose shorts, tank tops, and breathable shoes.
- ◆ Outdoor activities
 - Limit outdoor activity as much as possible especially in the middle of the day when it is the hottest.
 - Be sure to wear sunscreen to protect yourself from harmful UV rays.
Use sunscreen with an SPF 30 or higher; apply 30 minutes before going out and reapply every 2 hours.
- ◆ Stay indoors
 - Make sure you are in a well-air-conditioned area and keep yourself cool during extremely high temperatures.
 - Close curtains during the day; adjust the ceiling fan to the season, limit using your oven as much as you can, as it will make your house hotter.

Summer can be enjoyable for everyone as long as you keep these hot tips in mind!

Remember to have a safe 4th of July and enjoy your holiday!

Congratulations Thur-bein!!

We are all proud of you with this great accomplishment. Darren Abeita is the son of LeeAnne Zuni and Richard Abeita, Jr. Darren graduated Friday, April 22, 2022 from UTI (Universal Technical Institute) in Avondale, Arizona. Darren received his Associates in Automotive & Diesel Technology and is continuing working in Phoenix, Arizona and is pursuing a new career change with his degree!

Great Job! Keep your head high and follow your dreams!!

Love: Mom, Papa, Besa, Narps,& the whole family & Tu-tu Gav from Heaven

Mr. Otero is currently enrolled at the American Musical and Dramatic Academy College of the Performing Arts, pursuing a Bachelor of Fine Arts in Acting.

Scholarship Criteria for the 2022-2023 Tibien (Elk Mountain) College Fund

- Purpose:** In honoring the memory of our son and nephew, Aaron Robert Dailey, the Tibien College Fund will award one \$1000 scholarship for school year 2022-2023 to a college-bound or college student.
- Criteria:** Students eligible to apply for the Scholarship are graduating high school seniors or persons who graduated from high school within the last 4 years from the date of application, who are enrolled in a federally recognized tribe in New Mexico or California, and pursuing a college degree. Consideration will be given to academic achievement and the student’s community service record. Students should submit a scholarship application.
- Amount:** One Scholarship of \$1000 will be disbursed in two equal installments in August 2022 and January 2023. The disbursement will be made to the Financial Aid office of the recipient’s college.
- Guidelines:** The recipient must continue to attend classes and maintain a 2.5 grade-point average each semester.
- Deadline:** The application deadline is **August 3, 2022**. Applications must be received by that date to be considered. Award will be made no later than August 31, 2022.
- Application Process:** Call (505) 869-3836 or email swlopc@outlook.com for application.
- Submit applications by August 3, 2022 to:
- Sh’eh Wheef Law Offices**
P.O. Box 167
Isleta, New Mexico 87022
- or swlopc@outlook.com

ISLETA FIRE DEPARTMENT

Greetings from Isleta Fire Department,

As we all know fire season is now upon us, now is the time to ensure that your house and property are safe from fire. We have seen continuously in the news all the wildfires around us and just recently the closest wildfire that occurred just south of us in Belen called the “Big Hole” fire. Some residents didn’t have time to gather personal belongings and others did, as evacuations are mandated residents only have minutes to gather what they need and leave their residences. Let’s make sure we as a community are prepared if one day a wildfire occurs in the Bosque or a field fire gets out of control. Here are a few tips to fireproof and keep your house and property safe from a wildfire.

BE PREPARED

- Ensure your home and neighborhood have legible and clearly marked street names and numbers. Driveways should be at least 12’ feet wide with a vertical clearance of 15’ feet for emergency vehicle access.
- Develop, discuss, and practice an emergency action plan with everyone in your home. Include details for handling pets, large animals and livestock.
- Plan two (2) alternate routes out of your house and neighborhood (besides the one normally used), practice a family evacuation drill using the alternate route, have a family meeting spot.
- Have a prepacked bag with clothing, prescribed medication and personal items to last three days (72 hours), keep all personal and important documents in a safe place or in a fireproof safe.

CHECK YOUR PROPERTY

- Make sure your home address number is visible from the street. If not, trim and clear obstructions covering or blocking the numbers, replace numbers if not visible, firefighters may need to locate your home.
- Clear a 30’ foot radius around your house from broken tree branches, piled up dry leaves and weeds. Wood piles should be kept away from your house and off the porch or deck at least 30’ feet away. Keep all propane tanks and flammable liquids away from your house and off your porch or deck.
- Keep all trees and shrubs pruned and trimmed, remove low hanging tree branches up to a height of 4’ feet from the ground.

If you feel threatened by the fire and feel it’s unsafe to stay, EVACUATE, don’t wait to receive an emergency notification.

Let’s all think safely and burn wisely. Contact Isleta Police dispatch (505) 869-3030 to see if it’s a BURN or NO BURN Day. Remember Burn Permits are required.

Pueblo of Isleta Public Library

Summer is here once again and we hope everyone is staying hydrated, cool and applying that SPF. With the heat can come hidden dangers that we often don't think about in cooler months like drinking enough water and heat exhaustion from staying out in the sun too long. So let the library be your cool oasis in the summer heat and come in and enjoy the nice AC and enjoy a book, FREE WIFI or hop on a computer for a while and take a break.

News

In observance of the Fourth of July the library will be closed on Monday, July 4th. Library media checked out on Friday July 1st will be due on Tuesday, July 5th. If you need to renew library material, please remember that you can renew using our Librista Mobile App. Have a safe and fun Fourth of July!

Don't forget that we are now open every Saturday from 9am to 1pm. If you can't make it during the week, you still have a chance to come in on Saturdays to get a head start on the week for any work or school deadlines that need to be done. Come check out our selection of media, we have the latest new releases in movies and blurays for your weekend entertainment.

There will be no Summer Reading Program (SRP) from June 27th - July 1st, also there will be no program on July 4th. Enjoy your Fourth of July week. We will resume SRP on July 5th. The library will still be open to the public and our Summer Meal Program will still be served during that week.

The Summer is a very busy time for the library and patrons may experience longer waiting times at the front desk. You will notice more children during the day and new summer workers. Please be patient with us as some of the new staff are just learning and for some it is their very first job. We would like to apologize in advance for any inconvenience during this busy time and we thank you for understanding. Please feel free to reach out if you have any questions or concerns, you may call the library at 505-869-9808.

The library now has laptop checkouts for in house use only for library patrons with a valid ID. Laptops are available on a first-come, first-served basis. Wi-fi is available and laptops will automatically connect to it for easy internet access. Laptops must be returned to the checkout desk after each session or before the end of the business day. Laptop checkouts are only for use inside the library and cannot be taken

home. If you would like to learn more about this service or have any questions, please give the library a call at 505-869-9808.

Our Family Story Time will be taking a break this June and July. Story time will begin again in August with story times every Wednesday starting at 10:30am and activities such as crafts will follow. If you have any questions about our story times give the library a call and speak with Cheyenne at 505-869-9808 or Cheyenne. Castillo@isletapueblo.com.

Upcoming

Our Summer Meal Program will begin on Wednesday, June 1st and end on Friday, August 5th. All meals are FREE to children ages 17 and under and are offered to the community and public. Meals are provided by Bernalillo County and will be served in our Art Room with seating available inside and outside of the library. All meals MUST BE EATEN ON SITE due to strict summer meal program regulations. All meals will be served daily, Monday-Friday. Breakfast will be served from 8:00am-9:00am. Lunch will be served from 11:30am-1:00pm. If you have any questions about this program, please give the library a call at 505-869-9808.

Our After School Program registration for the upcoming 2022-2023 school year will be in August and will be open to 15 students. Transportation to the library will

be available for Bosque Farms Elementary ONLY as the other students have bus stops near the library. If you have any questions regarding our After School Program, give us a call at 505-869-9808.

Library programming for adults, teens and children will start in August. If you have any suggestions, please let a staff member know. We are always open to new ideas. Please keep a lookout for flyers posted within the library, community and our social media accounts.

Recap

The first day of Summer Reading Program can have some children feeling nervous but this year our students for the Junior program were very independent and warmed up to each other fast. Considering that some children have been in isolation due to the pandemic so starting a new program with new faces can be very scary to 3-6-year old's. The library staff presented the rules and made them feel comfortable by playing with toys, playing outside and making a "All About Me" collage to share with students about their favorite color, animal, movie and food. The first week was all about getting to know each other, and we ended the week going on a field trip to A Park Above and Peter Piper Pizza. The following weeks students participated in daily story time and crafts centered around Ocean Life. After each story time we would

Junior Summer Reading Group making an "All About Me"collage!

Junior Summer Reading Group having fun playing games and listening to a story!

talk about what we read and look up pictures, songs, short videos on the library’s View Sonic to help students better understand the book and ocean life. We ended the month of June with a Hula Performance by Ka La Kapu Polynesian Dance School of Albuquerque. Performers showed the Juniors a Hula dance and parents were welcome to come to the performance as well. We would like to thank the Ka La Kapu dance school for putting on an amazing performance and teaching us a little about the Polynesian culture. Juniors took their final field trip on July 21st to Urban Air where they jumped, played and had pizza for lunch.

Our Youth Program for ages 7-14 years old have been working in their group curriculums and reading groups. The students read 30 minutes each day and after will talk about what they read. This year we had 4 curriculums for students to choose from during registration: Science/STEM, Marvel Universe, Dinosaurs and Food/Desserts. For their first field trip they went to Cool Springs and Golden Corral. They were able to get to know one another and make new friends. Below are updates from each group.

Science/STEM: Our group has been working on extracting DNA from strawberries and bananas. Checking PH levels in food such as cabbage. Experimenting with chemical reactions with exploding bags not to mention making bacterial farms, edible slime, circuit Harry Potter wands and so much more it’s a shame we can’t name everything. We also went on a mini field trip to the Nuclear Science Museum.

Marvel Universe: Our group has been

working on Loki’s Helmet using foam board and gold paint to put it all together. We also made a Captain America Shield using cardboard and paint to make the logo. Other projects included Iron Spider Legs, Arc Reactor, Levitating Lamp, Wolverine’s Claws and so much more. We also went on a mini field trip to see Thor Love and Thunder and the movie theaters. It has been a great summer so far and the kids love doing their DIY projects here at the library.

Dinosaurs: Our group has been working making a Paper Towel Roll Dino of the anatomy and bones of a dinosaur. Also making ice Dino Fossils, Fossil Sugar Cookies and yummy prehistoric snacks for the month of June. The month of July brought dinosaur poop, extinction slime,

shadow lanterns and a mini field trip to see the new movie Jurassic World Dominion.

Food/Desserts: Our group has been busy doing lots of cooking and baking. The first week we started off making fresh fruit smoothies, Zucchini Fries, Apple Cookies and Fruit Salad. For the end of June, we made Cake Pops, Pineapple Upside Down Cake and Mini Cream Puffs. We also went on a mini field trip to Eldoras Chocolate to see how they make chocolate. We even had a Disney week where we made Lion Grub Cups, Mickey Mouse Cupcakes and Tigger Tails.

Our Youth is looking forward to many more activities and their final major field trip to Top Golf on July 22nd.

POI VETERANS ASSOCIATION

The Pueblo of Isleta Veterans Association recently collected items to help New Mexico residents affected by the forest fires.

As we all know, many families’ lives have been devastated and the POI Veterans Association unanimously voted to provide assistance to these families and the personnel fighting these fires. Albeit, some are veterans.

We collected four big bins of non-perishable foods, sports drinks, new clothing, diapers & baby food, personal hygiene items, paper & cleaning products, bottled water and also animal food. The donations were delivered to the New Mexico Collection Centers in Las Vegas, NM.

The POI Veterans Association appreciate and want to thank all those responsible to make this donation effort successful.

- Listed below are the names of individuals who kindly provided donations:*

“July is UV Safety Awareness Month”

Have a Healthy and
Happy UV Safety Awareness Month
Remember to WEAR YOUR SUNGLASSES!

ISLETA POLICE DEPARTMENT

The summer heat hit early and will continue through July but it seems our monsoon season has arrived as well and hopefully will help to replenish the dry lands. The dangers of the high temperatures leads to many medical emergencies and we hope all will consider the following suggestions. As taken from an article from the American Red Cross:

Heat Wave Safety

Learn how to stay safe during a heat wave and how to treat heat-related illness like heat exhaustion.

Extreme heat is the most dangerous type of severe-weather event in the U.S., but we can take action to prepare our loved ones and communities for extreme heat events and related power outages. Learn what to do before, during, and after to help keep everyone safe and healthy.

Ensure you know the types of notifications you will receive and what to do when you receive them. The [National Weather Service](#) issues heat advisories and excessive heat warnings when unusual periods of hot weather are expected. Listen to local weather forecasters. You may hear these terms when a heat wave is predicted in your community:

Excessive Heat Outlook

Be Aware! An excessive heat outlook is issued when the potential exists for an excessive heat event in the next 3- 7 days. It provides information to individuals who need considerable lead time to prepare for the event.

Excessive Heat Watch

Be Prepared! A heat watch is issued when conditions are favorable for an excessive heat event in the next 24 to 72 hours. It is used when the risk of an extreme heat event has increased, but its occurrence and timing is still uncertain.

Excessive Heat Warning/Advisory

Take Action! An excessive heat warning or a heat advisory is issued within 12 hours of the onset of extremely dangerous heat conditions. Take precautions immediately to avoid heat-related illness.

How to Treat Heat-Related Illnesses
During heat waves people are susceptible to three heat-related conditions. Here's how to recognize and respond to them.

How to Recognize and Treat Heat Cramps

Heat cramps are muscle spasms, often in the abdomen, arms or calves, caused by a large loss of salt and water in the body.

What to look for:

- Heavy sweating during intense exercise
- Muscle pain or spasms

What to do:

- Stop physical activity and move the person to a cool place
- Have the person drink water or a sports drink
- Instruct the person to wait for cramps to go away before resuming physical activity

Get medical help right away if cramps last longer than 1 hour.

How to Recognize and Treat Heat Exhaustion

Heat exhaustion is a severe heat-related illness requiring emergency medical treatment.

What to look for:

- Heavy sweating
- Cold, pale and clammy skin
- Fast, weak pulse
- Nausea or vomiting
- Muscle cramps
- Tiredness or weakness
- Dizziness
- Headache
- Brief fainting (passing out)

What to do:

- Move the person to a cool place
- Loosen their clothes
- Put cool, wet cloths on their body, use misting and fanning, or help them take a cool bath
- Have the person sip water

Get medical help right away if:

- Vomiting occurs
- Symptoms get worse
- Symptoms last longer than 1 hour
- Confusion develops

How to Recognize and Treat Heat Stroke

Heat stroke is the most serious medical condition caused by extreme heat. It requires immediate emergency treatment. It can result in death without immediate medical attention.

What to look for:

- High body temperature (104°F or higher)
- Hot, red, dry or damp skin
- Fast, strong pulse
- Headache
- Dizziness
- Nausea
- Confusion
- Losing consciousness (passing out)

What to do:

Call 911 right away — heat stroke is a medical emergency, then:

- Move the person to a cooler place
- Help lower the person's temperature with a cool or cold bath, misting, fanning or applying cool cloths, if a bath is not available.
- Do not give the person anything to drink.

The Isleta Police Department faces, new and old (meaning:

We welcome a new member to the family in the Communications Division, Rubi Lovato. Rubi

brings 17 years of dispatching experience in Law Enforcement, Fire and EMS. She also has 15 years experience as a trainer in the dispatch field. Rubi has a 20-year-old daughter and enjoys spending time with her family and dog. Her hobbies in her spare time include crocheting scarves, hats and blankets for cancer patients.
WELCOME RUBI!!

Derek Eteeyan is a returning member to our patrol division after a short hiatus. He has a total of 14 years with the department and just returned in June, 2022. He will be serving on Day Shift so please say hello when you see him.
WELCOME BACK DEREK!

The last time you saw these two young men was when they first came to the department and were cadets. We are proud to welcome them back as fully certified police officers as they graduated in May from the Basic Law Enforcement Academy in Santa Fe, NM.

CONGRATULATIONS

IPD OFFICER TRAVIS LENTE

IPD OFFICER KEENAN GURULE

The Department remains busy with community events to include the Father's Day Celebration at the Elderly Center, a Spay and Neuter Clinic July 2-9 and many other events.

As a final reminder in lieu of the hot days thus far and continuing throughout the summer, please: **NEVER LEAVE CHILDREN or PETS** in a vehicle. Temperatures within a vehicle rise quickly and to a much higher degree than the outside temperatures. Let us protect our children and pets during the hot summer months. Stay hydrated, keep cool, wear sunblock and protective clothing and be aware of heat emergencies that can arise and how to address them.

PARKS & RECREATION DEPARTMENT

Happy 4th of July to everyone! It has been extremely dry these years, so we need to be extra cautious with any type of fireworks and/or BBQ's we have this year. It has been very sad to see all the fires around the state and the damage those fires have done to our forests, so please be extremely cautious when celebrating this 4th of July.

QUICK Reminders/Notices

- Masks are still required to be worn inside any of our Parks & Recreation Department facilities, and all children participating in our Summer Recreation are required to wear masks both indoors and outside as well.
- Swimming Pool is open but we are still requiring that anyone interested in coming to swim call and schedule a time or times for themselves and/or their families to come use the pool.
- Tables and Chairs are now available to rent again, but please make sure that you call at least two weeks or more in advance.
- The summer recreation program is in full swing, which means that children are around our facilities playing and having fun, so please drive safely and slowly around our facilities.
- Alcohol use, tobacco use, drugs use and possession of firearms and/or weapons are all prohibited at and/or in our parks & recreation department facilities and parks.

FITNESS SECTION

Isleta Recreation Center would like to recognize and congratulate the winners/participants of the most recent Employee Challenge we had. Thank you all for accepting the challenge and it was a very close race. The participants were competing for vehicle gas vouchers. Special congratulations to the winners! 1st Place winners were the Isleta Head Start & Child Care, 2nd place winners were Public Works Department and 3rd place winners were the Procurement Department.

Fitness Classes are available at the Isleta Recreation Center; Spinning Classes still have plenty of room for new participants. Our Spin classes take place once a week on Wednesday at 5:30pm and our Boot Camp Classes take place once a week on Mondays at 5:30pm. Once again, we still have plenty of room in both classes and everyone is welcome to join! For more information, please call: Isleta Recreation Center at 505-869-9777 or just come join in the class the day of. We look forward to seeing you.

1st Place – Isleta Head Start & Child Care

2nd Place – Public Works Department

3rd Place – Procurement Department

RECREATION PROGRAM

It is great to have our youth running around the recreation center and having lots of fun again. We have over 80 children enrolled in the program and have reached our max enrollment, but we do have a waiting list for the children that are still interested in getting in the program. We will take individuals off the waiting list if enrolled participants drop out of the program. For more information concerning the waiting list, please call the center at (505) 869-9777 and ask for LeeAnne Zuni (Activities Coordinator).

Here is an overview on what the youth do every day at the recreation center. The summer staff and children follow a daily rotation of activities throughout the day

from kickball, baseball, nature walks, fitness, art & crafts and many more activities. Explora comes here once a week to provide some cool STEM projects with the participants, thanks to the Department of Education. Department of Education has worked closely with us over the last few years to help get Explora here at the center during the summer program. The youth were excited to have their first fieldtrip for the summer to Urban Air. At Urban Air they did zip line, rock climbing, trampolines, dodgeball and falling into the ball pits, they had lots of fun and really seemed to enjoy themselves.

In the following photos, you will see Group 8/9 doing a planting activity. Children first painted their flowerpots and then planted seeds. Groups 12 & up are doing some lightweight training, some cardio and stretching with Matt in the weight room. Group 10/11 are in Yoga class with Anne. In Yoga class, they learn basics Yoga movements, and practice some breathing techniques and learn to relax their bodies. Group 8/9 are making candy sushi as one of their food activities. They use Rice Krispies, fruit roll ups, and gummy candies to form their sushi rolls. Group 6/7 are making slime by using baking soda and eye contact solution. Group 10/11 and Group 8/9 are playing a game of kickball. Group 5 are swimming in the wading pool. Lastly, the summer recreation staff are getting for the day before getting into their groups.

SPORTS SECTION

We just finished up with the Volleyball league Tournament. It was very exciting to see everyone having fun and competing in Volleyball again. It came down to the wire with Net Ninjas taking the crown away from undefeated BUFU, which finish up in 2nd place. The 3rd place finisher this year was the Hummingbirds! Thanks to all the teams that participated it was nice to see the community support one another. Keep your eyes open for upcoming events.

3rd Place - Hummingbirds

AQUATICS CENTER

Isleta Aquatics would like to welcome you all to come visit the Recreation Center and cool off in the pool! We will have sessions available from 5:30am-8:30am as well as 4:30pm-7:30pm Monday through Thursday and 5:30am-8:30am and 3:30pm-5:30pm Fridays. We close mid-day to accommodate swim time for youth programs Isleta has to offer. We find gaining comfortability in the water at a young age ultimately leads to more swimming and a healthier lifestyle.

The Wading pool is also available for children 6 and under with an accompanying adult. We are also offering our adults only lap swim on Tuesdays and Thursdays from 12pm-2:00pm. All three types of swim session can be reserved in one and two hour increments at the front desk of the Rec Center. Swim lesson registration forms are available at the front desk at the Rec Center or contact Josh or Connie at [505-869-9783](tel:505-869-9783) for more details on availability and registration. For anyone interested in information about child or adult swim lessons, water aerobics and other aquatic programming please call Josh or Connie at [505-869-9783](tel:505-869-9783).

Boost Your Natural Immune Response

VACCINATE THE WHOLE FAMILY

For those 12 years and older, it is important to get the COVID-19 Vaccine to help prevent the Virus!

Vaccines protect against these people diseases:

Hepatitis A	Diphtheria	Varicella
Hepatitis B	Tetanus	HPV/cancer
Polio	Pertussis	Shingles
Hib	Measles	Meningococcal ACWY
Pneumonia	Mumps	Meningococcal B
Flu	Rubella	Rotavirus

WhyImmunize.org

Vaccines protect against these pet diseases:

Panleukopenia	Distemper
Herpes Virus-1	Parvovirus
Calicivirus	Adenovirus
Feline leukemia	Parainfluenza
Rabies	Kennel Cough

Fix.Adopt.Save.
Our Community Commitment
FixAdoptSave.org

Babies need vaccines:

DTaP	MMR
Hepatitis A	Hepatitis B
PCV13	Flu (Yearly)
Rotavirus	Varicella
Polio	Hib

School age kids need vaccines:

(4-6 years old)

DTaP	MMR (2 nd Dose)
Polio	Varicella (2 nd Dose)
Flu (Yearly)	

Teens need these vaccines:

(11-12 & 15-16 years old)

HPV	Flu (Yearly)
Tdap	Meningococcal ACWY & B

Pregnant moms need:

Flu (Yearly)
Tdap 1 dose with each pregnancy

...to protect both mom and baby

Healthy adults 19-59 need:

Yearly Flu
HPV before age 50
Tdap (if never received)
Tetanus every 10 years
Shingles (at 50 years of age)

More vaccines may be needed for certain medical conditions

Adults 65 and over need:

Flu (Yearly)
Shingles
Pneumonia (starting at age 65)
Tdap (if never received)
Tetanus every 10 years

More vaccines may be needed for certain medical conditions

Cats need:

- FVRCP (combo vaccine) starting at 6-8 weeks of age; then every 3-4 weeks until 16-20 weeks old
- FeLV at 8 weeks; 2nd one 3-4 weeks later
- Rabies at 12 weeks
- Yearly boosters

Dogs need:

- DHPP (distemper, adenovirus, parvo, parainfluenza) starting at 6 weeks; then every 3-4 weeks until 16-20 weeks old; last 2 DHPP vaccines should contain leptospirosis
- Rabies at 12 weeks, Rabies booster after 1 year, then every 3 years
- Bordetella at 12 weeks, 2nd dose 3 weeks later
- Yearly boosters (DHLPP & Bordetella)

* FixAdoptSave.org offers affordable and accessible spay/neuter programs and services.

Vaccines are the simplest way to keep you & your family healthy & well.

Ask your doctor, nurse, pharmacist and veterinarian about which vaccines are right for your family!

CATCH UP ON CHECKUPS AND ROUTINE VACCINES

As opportunities for in-person learning and play grow, it's important for your child to catch up on checkups and recommended vaccines to protect their health now and in the future.

The Centers for Disease Control and Prevention (CDC) recommends children continue to see their doctor for regular checkups and routinely recommended vaccinations, even during COVID-19.

WELL-CHILD CHECKUPS ARE ESSENTIAL

VACCINATION HELPS PROTECT YOUR CHILD'S HEALTH

- The doctor tracks your child's growth and development
- You can ask the doctor questions about your child's health
- Your child gets recommended vaccinations

- Routine vaccinations during childhood help prevent 14 diseases
- Among children born from 1994-2018, vaccinations will prevent an estimated 936,000 early deaths, 8 million hospitalizations, and 419 million illnesses

Doctors can safely see your child, even during the pandemic.

Talk with your child's doctor about staying up to date on regular checkups and routinely recommended vaccinations.

www.cdc.gov/vaccines/routine

ISLETA PUEBLO FARMERS' MARKET

JUNE - AUGUST 2022

EVERY SECOND FRIDAY
9:00AM - 1:00PM

EVERY THIRD SATURDAY
7:00 - 11:00AM

FRESH PRODUCE, PREPARED FOODS, ARTS & CRAFTS, AND MUCH MUCH MORE!!!

KEEP YOUR CHILDREN SAFE

Contact the Isleta Health Center Health Educator at 869-4479 to have your Child Safety Seat checked to make sure it is properly installed and appropriate for your child

CAR SEAT SAFETY

WHICH CAR SEAT SHOULD I USE?

REAR-FACING

A rear-facing car seat provides the best protection for young children. When properly harnessed, the seat will cradle the child to reduce the stress to the child's fragile neck and spinal cord.

FORWARD-FACING

A forward-facing car seat has a harness and tether that limits your child's forward movement during a crash. Keep your child in a harness car seat as long as possible, to the weight or height limit allowed by the manufacturer.

BOOSTER

A booster seat positions the seat belt so that it fits properly over the stronger parts of your child's body: Hips, Chest, Shoulders.

SEAT BELT

Proper seat belt fits when:

- Lap belt lies snugly across upper thighs, not touching the stomach.
- The shoulder belt lies snug across the shoulder and chest, not across the face or neck.

**Children under 13 years should sit in the rear seat.*

(Formerly Isleta Behavioral Health Clinic)

B'eeh-K'oo-ee Wellness Center

Over the years, the Behavioral Health Clinic has made numerous changes to improve the scope of practices for the community. One of which includes the name change. How have you seen behavioral health in the past? More common than not, the Behavioral Health name has negative connotations and stigma associated with it. Just being seen at the program, or knowing you come here had a negative reaction. Although the term "behavioral health" is used to describe the connection between how we behave and the overall health of our mind, body, and spirit, we still have a negative reaction to this term, and in essence as a program as a whole. Hence, the need for a name change with a cultural background.

With the help of traditional elders, and solicitation from Tribal Administration, we came up with B'eeh – K'oo – ee Wellness Center. B'eeh – K'oo – ee, "the good road", has many meanings and understanding behind it. However, culturally, it holds truth and hope, towards a new beginning. If you have called our office, you may have noticed you're greeted with a different name, this name is here to stay.

We invite you, your family, and as a community as a whole to come visit, learn of services, meet the staff and understand what B'eeh – K'oo – ee Wellness Center is all about!

For more information please call 505-869-5475

Pueblo of Isleta WIC Nutrition Program

World Breastfeeding Week is coming up in August. We celebrate our families every day, but the first week of August is dedicated to our breastfeeding families! If you, or someone you know is breastfeeding, please reach out to the POI WIC Nutrition Program, so we can notify you with any World Breastfeeding Week information. However, everyone is welcome to come and celebrate World Breastfeeding Week with us! Give us a call at 505-869-2662.

Thank you!

PROTECTION

I wear my mask to protect myself and my community.

Although statewide indoor mask mandates have been removed, masks are still:

- 1) One of the best ways to protect ourselves from the spread of all coronavirus variants;
- 2) Strongly recommended to be worn in all indoor public settings by the CDC, NMDOH and many tribal governments; and
- 3) N95, KN95, and surgical masks are preferred.

Many tribal lands and buildings are still enforcing mask mandates and restrictions, please adhere to local rulings.

Masks are still effective in protecting you and others against the spread of COVID-19. Refer to your local officials for guidelines in your area.

Fact sheet developed as of 04/05/2022

LOVE

Test soon. Treat early.
Self-Care is community care for OUR collective wellness.

Get tested for COVID-19 if you feel sick with COVID-19 symptoms.

Contact your healthcare provider right away if your result is positive. Treatment is now available for most, but should be started as soon as possible.

COVID-19 treatments are now available for those who get sick to prevent severe illness and hospitalization.

Contact your local IHS, tribal, or urban Indian health care facility or pharmacy for more information.

HEALTH BEAT: World Hepatitis Day—July 28th

Stephanie Barela, Health Educator, Isleta Health Center
Phone: 505-869-4479

<http://www.webmd.com/hepatitis/digestive-diseases-hepatitis>; Robinson, J. 12/15/21

World Hepatitis Day is July 28, 2022. This is an internationally recognized public health holiday to raise awareness for viral hepatitis.

What Is Viral Hepatitis?	An inflammation of your liver that is caused by a virus. There are five types, but the most common ones in the U.S. are hepatitis A, B, and C.
Hepatitis A	<ul style="list-style-type: none">• Won't lead to long-term infection and usually doesn't cause any complications• Mainly get it from eating or drinking something with the virus on it, usually by an infected person not washing their hands very well after using the bathroom, and then touching food.• Symptoms usually show up 2 to 6 weeks after the virus enters your body and last for 2-6 months.• There is a vaccine to PREVENT IT!
Hepatitis B	<ul style="list-style-type: none">• Lives in blood and body fluids.• You usually get it by having sex with someone who's infected. You also can get it if you share dirty needles or have direct contact with infected blood/body fluids.• Symptoms often start about 3 months after you're infected and can last from a few weeks to 6 months.• For some people, the hepatitis B virus stays in the body and leads to liver scarring, cirrhosis.• Vaccine against hepatitis B is very effective. There isn't a cure but there are medications that can help control growth of the virus.
Hepatitis C	<ul style="list-style-type: none">• Just like hepatitis B, you can get this type by sharing needles or having contact with infected blood. You can also catch it by having sex with somebody who's infected, but that's less common.• A risk for if you had a blood transfusion before 1992.• You CAN'T spread Hepatitis C by kissing, hugging, sneezing/coughing, sharing utensils, or by food or water.• Symptoms usually happen 6 to 7 weeks after exposure.• A quarter of the time, the body fights off the virus but the majority of people end up with a chronic infection, when this happens, you can develop cirrhosis or liver cancer.• No vaccine to prevent it, however, there are safe and effective cures.
How Do I Know If I Have Viral Hepatitis??	The best-known symptom is jaundice, or yellowing of the skin and eyes. Other symptoms include stomach pain, fever, tiredness, loss of appetite, diarrhea, nausea and vomiting, dark urine, light stools, and joint pain. Many people have mild symptoms or no symptoms. It's possible to spread viral hepatitis even if you aren't sick.
Should I Get Tested?	If your doctor thinks you may have hepatitis, there are blood tests for type A, B, or C. All pregnant women are tested for hepatitis B. Hepatitis C testing is recommended for many groups including those who were born 1945-1965, received blood transfusions or an organ transplant before 1992, ever injected illegal drugs, have HIV, or have had a known exposure to hepatitis C.
How do I keep my Family Safe?	If you have Hepatitis B & C, you need to find ways to keep others from having contact with your blood. <ul style="list-style-type: none">• Cover your cuts or blisters• Throw away used bandages, tissues, tampons and sanitary napkins• Don't share razors, nail clippers or toothbrushes• Clean any objects that have your blood, with household bleach and water

Isleta Health Center
Quarterly Newsletter

The Isleta Health Center has been disseminating Quarterly Newsletters with up-to-date information on our programs, services, and other informative health education.

The Summer Newsletter came out the end of June and can be found at the following locations:

- ♦ Isleta Health Center Building
- ♦ Isleta Diabetes Program
- ♦ Isleta Physical Therapy
- ♦ Disseminated throughout other POI Programs
- ♦ Access on <https://islclinic.com/>

If you would like to receive a newsletter, please contact, Stephanie Barela at (505) 869-4479 or Email: Stephanie.Barela@islclinic.net.

TRACY ROMERO

Tracy Romero, our beloved daughter, sister, and auntie, passed away suddenly on May 1, 2022. Tracy was an intelligent, eccentric, and loving woman, who introduced her family to many new things. Tracy loved watching the tv show Jeopardy and answered all questions with promptness and ease. Tracy graduated with a degree in Culinary Arts, where she cooked and baked so many delicious dishes. Tracy fulfilled her life long dream of living beachside and moved to Palm Beach, Florida, where she resided with her boyfriend. Tracy is survived by her mother, Clem Romero, sister Caryn Khalil and Brother-In-Law Darwish Khalil, niece Kaylee Chavez, nephew Gabriel Romero, niece Daneen Romero, and boyfriend Pauly Florio. The family would like to extend their heartfelt gratitude to all family, friends, and community members for their condolences and support during our time of need. If you or anyone you know is suffering from anxiety, depression, mental health concerns, or is struggling with suicidal thoughts, please reach out to someone. No one is ever alone. You are loved.

Valle de Oro National Wildlife Refuge is seeking landscaping volunteers!

Help native plants! Pull weeds!

Landscaping Lead Volunteer

We are looking for a volunteer with experience in landscaping, gardening and/or drip irrigation to lead the stewardship of the plantings around our new visitor center. Scan the QR code to apply online now!

Landscaping Crew Volunteers

Just want to pull weeds? Apply to be one of our Landscaping Maintenance Crew volunteers! Scan the QR code to apply online now!

For questions, more information or to request a paper application form contact: dakota_dominguez@fws.gov, 505-328-9876

Join us!

Volunteers wanted

to staff the new visitor center at Valle de Oro National Wildlife Refuge

APPLY NOW

We are looking for volunteers to help staff the welcome desk in our new visitor center starting in May. Morning and afternoon shifts are available. Come be a part of the first Urban National Wildlife Refuge in the Southwest! Contact: dakota_dominguez@fws.gov if interested.

For more information and to apply use the QR code to visit volunteer.gov or search "Valle de Oro" on volunteer.gov
