Governor's Report

Maguwam,

I want to continue to wish the entire community a nice safe and healthy month as we approach into May! This month is going to be busy as everyone is preparing for the farming season, weddings, graduation, and the end of the school year! We would like to remind the community to continue to practice the safety protocols and continuing to keep our COVID numbers low.

My apologies, to the community for canceling our Community Meeting on such short notice. We have rescheduled the Community Meeting for Saturday, May 13, 2023. The meeting will be held at the Isleta Resort and Casino in Ballroom B from 9:00am-12:00pm. We would like to see you all there to hear what changes and projects we have been working on.

We are pleased to announce that Marilyn Stephanie Zuni has joined the Department of Cultural and Historic Preservation/Pueblo of Isleta Cultural Center as Department Director. We are excited to have Stephanie joining the department as we continue our mission to preserve the culture, history, and language of the Pueblo of Isleta, and work toward our goal of opening the Cultural Center in the Summer, 2023.

The Pueblo of Isleta, Veterans Association and the Isleta Governor's office would like to invite everyone to attend the Suicide Prevention Awareness Public Meeting. This event will be hosted on Saturday, May 20, 2023 from 10:00am-12:00pm at the St. Augustine CCD Building.

Since our last newsletter, we are happy to say the Chical Well Project is still in the working progress. More updates on the Well Projects will come later from Public Works Department.

As we continue with the renovations of the little leagues fields. The Little League Chical field on Tribal Road 10 is making progress with the field lights. We ask you are careful around these areas as the facilities are undergoing these improvements.

NMDOT has scheduled repair and maintenance for NM147 starting the week of May 1, 2023 and anticipate completion by May 5, 2023. Repair and maintenance operations will be limited to daylight hours and will include an overlay of the roadway with a thin layer of asphalt pavement. Restriping will take place shortly after the paving work is completed. NMDOT will provide traffic control, which will maintain one lane traffic during the repair and maintenance operations. We ask you to be cautious during the repair and maintenance operations, your patience will be greatly appreciated.

Moonlight Drive Extension Project. We have selected a contractor and necessary approvals to have the project under construction within the May-June 2023 timeframe. The project will involve the extension of existing Moonlight Drive to a new intersection of Moonlight Drive with NM314. This project includes two

roundabouts, curb & gutter, sidewalk, a multi-use trail, asphalt surfacing, waterline, sewer lines, storm drain and arroyo stabilization. The project will be new roadway construction and therefore should not have any traffic impacts. We ask that when construction starts to avoid driving, biking, walking and jogging in the area under construction for your safety and the safety of the construction workers.

Need a Home Site Application?

We have begun the process of the home site applications. The application can be obtained from the Reality Department or contact Patricia Lujan at 505-869-0710. She will be available to direct or answer any questions you may have.

Rent the Reception Hall or Court House for your Next Big Event!

The Reception Hall and Court House are now taking reservations! To check availability or ask any questions, please contact the Governor's Office at (505) 869-

3111. All reservations must be made in person at the Governor's Office.

The cost to reserve the Reception Hall is \$250, with a \$200 refundable deposit due at the time of booking. The cost to reserve the Court House is \$100, with a \$50 refundable deposit due at the time of booking. All payments must be made via money order. Please comply with all rules and regulations for the Court House and Reception Hall to keep our facilities in good condition for everyone, or risk losing your damage deposit.

The Reception Hall and Court House are booking up quickly. Make your reservation today!

Last, I want to send my condolences to the families of those who have lost their family members during the month of March.

Ha-Wuh

Butte Lateral near Interstate-25	-	48	-	-	-	216

*Water quality samples are collected from the Rio Grande except 240 Wasteway, Indian Interior Drain at the 240 Wasteway, and Albuquerque Riverside Drain.

- Dash in data table indicates sample not collected.

"MPN" is a unit of measure that stands for most probable number. MPN is equivalent to colony forming units ("CFU").

The Pueblo of Isleta's most stringent surface water quality standard for E. coli bacteria is 88 MPN/100 ml at all times and at all flow rates.

By Order of the Governor, the Rio Grande is closed for fishing. The reason for closure is for the safety of our community. We have been blessed with a good spring runoff. Be aware that bacteria concentrations in the Rio Grande typically spike or rise to unsafe levels following storm events and high water levels in tributaries upstream such as the Jemez River. The wastewater treatment plant near Jemez Springs failed the week of April 10th; it is not known if the treatment plant failure affected water quality in the Rio Grande at Isleta. Please watch signage at the NM 147 bridge. Governor will lift the closure order when the Rio Grande is safe.

Notes regarding surface water quality sampling:

On September 30, 2022 one sampling event was conducted to measure the concentration of pesticides and herbicides at 4 sample locations: the drain near NM 45 and Interstate 25, Atrisco Riverside Drain, NM 147 and the Albuquerque Riverside Drain near the Northern Boundary. All results were non-detect.

Irrigation waters on the west side were shut off around March 22, 2023 for flushing.

If you have questions about surface water quality, contact Ramona Montoya, Water Quality Control Officer, at 505-869-7565.

LETTER FROM THE EDITOR

DEADLINE for June Newsletter articles is set for Tuesday, May 23, 2023 at 4:30 pm. Articles may be dropped off at the Library or emailed to Nathaniel.Lujan@isletapueblo.com. Should you email your article, expect a confirmation email. If you do not receive a confirmation email, odds are it never made it to me and then it's time to panic, so call Nate at 505.869.9808.

People who wish to submit an article or flyer are responsible for generating their own article or flyer. Should you need help, please call the Library at 505.869.9808 and set up a date and time to sit down with a Library staff member who will help you throughout the process. The Library will NOT accept notes dropped off at the Library or information over the phone to generate your article.

PROBATES need to be published in the Newsletter for two consecutive months. Probates are considered court documents, therefore, all submitters must provide: 1) Name of Deceased, 2) Date of Deceased 3) Court Case # and 4) Date of Court Date. A Probate form can be found on the Newsletter Archive page at <http://www.isletapueblo.com/newsletters.html>.

CLASSIFIED ADS: The new administration has requested that the Newsletter start a Classified Ad section for Tribal members selling land, houses, mobile homes, vehicles, and farm equipment. Leasing of houses and mobile homes will be accepted. Smaller items which can be sold at the local flea markets or weekly yard sales will NOT be accepted.

Currently, this service is FREE to Tribal members. Land, houses, and mobile homes must be within the reservation boundaries. Ads must meet the 160 character limit. Ads that exceed the 160 characters will NOT be submitted into the Newsletter. A single picture June be submitted with the ad. Submitters of classified ads are responsible for generating their own ads as this is a FREE service.

As a reminder, Tribal business owners may submit a small flyer at no charge. Like the classified ads, business owners are responsible for generating their own flyers as this is a FREE service.

Classified ads and business flyers will be posted no more than two consecutive months. In the event where the Newsletter may exceed the 24-page limit, classified ads and business flyers will be “bumped” for newsletter articles. Again, this is a FREE service for Tribal members.

The Isleta Newsletter is owned and operated by the Pueblo of Isleta. Therefore, the Governor of the Pueblo of Isleta has the final say of all articles and contents within the Isleta Newsletter.

For additional questions, you may call the Library and speak with Nate or Diane at 505.869.9808.

Thank you,
Nathaniel Lujan

POI Scholarship Application Deadline for Fall Term: July 1st 11:59 PM MST

Scholarship Application Tips

1. Meet all application deadlines
 - a. Use a calendar or planner, make a schedule, and stick to it.
2. Gather application materials early
 - a. Give yourself plenty of time to complete each step.
3. Don't ignore small award
 - a. Small awards can add up. The larger the award, the more competition you'll face
4. Request letters of recommendation early
 - a. Some applications require letters of recommendation. Think carefully about who should write letters and choose people who can speak to your strengths and ability to overcome your weaknesses. Give your recommenders no less than two weeks notice so they have time to write on your behalf. Be prepared to provide them with additional information about yourself or the scholarship. Make sure to follow up with your recommender to assure that your letter was submitted.
5. Write a great essay
 - a. Think carefully about the question being asked and use this opportunity to tell the selection committee things about you that might not show elsewhere in the application. Get help with editing for grammar and spelling, but do your own writing—the committee wants to hear from you personally.
6. Try, try again
 - a. Keep trying even if you don't win a scholarship right away. Save copies of every application that you complete so you don't have to start from scratch every time.

TRUANCY

The last weeks of school are upon us and we’ve enjoyed working with all of our Isleta students, along with the various Isleta Service Providers. We will continue offering our support services to ensure successful educational outcomes.

Congratulations to all of our high school graduates who have achieved their graduation. Remember that anything is achievable once you set your mind and your heart to it. CLASS OF 2023!

The Truancy Department has been involved with the Valencia County Juvenile Justice Advisory Board (JJAB). The purpose of this board is to improve the Juvenile System and to decrease the incidences of juvenile delinquency in the community. Prevention and early intervention in juvenile justice services is the main emphasis. An important focus of JJAB is to strengthen support services and activities that will help protect our youth.

One of our coordinators, Kaylee Jojola, was nominated to be a board member for JJAB. Her role will include collaboration with all Valencia County service providers, to help plan and encourage youth, parents, and the community to recognize and address risk factors and promote positive interactions and behaviors amongst the youth. The reason for this nomination is because a majority of our youth attend Los Lunas Public Schools and it’s been recognized that the Pueblo of Isleta should have input to the various services and support systems offered to the community.

Along with Kaylee being a board member, JJAB is also requesting youth representation from the pueblo. If your child is 10 or older and is interested in serving as part of this board, please have them contact Kaylee at the Truancy Department at 505-869-3891.

Should you have any questions, please do not hesitate to contact our office. We look forward to hearing from you and working towards successful outcomes.

Creating the Future Leaders of Our Community School Board Update

We are happy to announce that we have six (6) individuals interested in serving the IES School Board. All School Board Members will participate in training during the summer and will begin right away with reviewing the Student-Parent Handbook for next year. The names will be announced in the June newsletter.

9-Week Eagles SOAR Challenge

We partnered with the Department of Education to offer prizes for students who demonstrate the qualities and characteristics of *Eagles SOAR* in the final 9 weeks of school. Each week, staff nominate students to be entered into a drawing to win a gift card. All nominees enjoy a celebratory event each week as well. The following are the nominees for the first 3 weeks. A full list of nominees will be posted in the June newsletter.

Jump Start Summer School Program

This year's summer school program will focus on supporting returning students who demonstrate academic needs by building reading, writing, and mathematics skills that is enriched with art, physical education, and Tiwa activities. Teachers will use student performance data, classroom observation data, quarterly grade reports, and attendance data to recommend students for the Jump Start Summer School Program. The program will take place on July 10-21, 2023. Participation is limited to 50 students to allow for more focused academic support and enrichment. This is a full-day program from 8:00 am to 3:00 pm, Monday-Friday, with breakfast and lunch provided through the Pueblo of Isleta Public Library. Bus transportation will be provided daily. Recommendations for the Jump Start Summer School Program will be sent to families by May 5. Please respond promptly to secure your child's spot and contact your child's teacher for more information.

Enroll Now for Next Year

Enrollment for next year has begun! Pick up an Enrollment Application from the school or download a copy from our website. Re-enrollment packets for returning students will be sent home. Enrollment is filled on a first come-first serve basis with priority given to returning students.

Student Eligibility

The Code of Federal Regulation (25 CFR §39.2) has established requirements for each child who attend a BIE-funded school. The following documents are required to complete a student's enrollment each year:

- Student Enrollment Application
- A copy of State Birth Certificate or other guardianship documentation
- A copy of Certificate of Indian Blood (CIB) or Tribal Enrollment
- Physical Exam and Immunization Records
- Release/Transfer of records from last school attended

Age Limit

A student must be 5 years old before September 1 of the school year to begin Kindergarten, according to the New Mexico Statute 22-13-3.

Attendance Area

IES serves elementary students on the Pueblo of Isleta. Students who live outside the IES bus routes may be accepted, but their family will be responsible for transportation to the school or to the end of the IES bus routes.

5th Grade Class Wins Isotopes Tickets

The 5th grade students participated in the Jackie Robinson Celebration Art and Essay Project provided by the Albuquerque Isotopes. They completed an essay, poem or artwork about Jackie Robinson on the following topics:

- Why was Jackie Robinson's impact so important on America?
- What inspiration can you draw from Jackie Robinson to break barriers we continue to face today?
- Do you have a goal/desire to become the "first" to accomplish something in your life? If so, what is it and why?

Students received tickets to the Jackie Robinson Celebration game on Tuesday, April 18. Congratulations and great job 5th graders!

Did you know?

Kirtland Air Force Base Precision Bombing Range Site

Did you know that the Pueblo of Isleta was once a test site for Atomic Bombs? In the 1940's-1960's there was a bombing range used by the military to practice dropping bombs.

There was a total of approximately 14,000-lbs of debris that was found. Among the debris found was a 500-lb bomb and a 1,000-lb bomb.

Have you been told a story of a plane crash on the reservation? If so, we would love to hear it and investigate the story. Please contact the UXO/HAZMAT Department at (505)869-5748 with any tips or findings.

Shown is an example of a "Pumpkin Bomb".

Scan the QR code below to see footage of a "Pumpkin Bomb" being tested on the reservation.

Thank You Mrs. Romero!

We would like to express our sincere gratitude and appreciation to Mrs. Mikela Romero. She served as our School Principal from February 2022 to April 7, 2023. During that time, she helped facilitate the transition to a BIE school, created the Genius Hour to give all our children an equitable opportunity to engage in extracurricular activities, and established lasting partnerships with various Pueblo of Isleta departments. Mrs. Romero organized all the upcoming spring field trips. She set the foundation for school success and we are truly thankful. We wish her the best in all of her future endeavors!

Attendance Update

In the final 9 weeks of school, our goal is to have over 92% of students in attendance. *Where are we at in meeting this goal?* As of April 14 (the end of the third week), we have had 20 students with 3 or more excused or unexcused absences. Overall, we are at 88.18% of students in attendance. Thus, we are falling short of our goal. The months of April and May are always a busy time for everyone and students start to relax as the end of school nears, but let's finish strong by being here every day.

PUEBLO OF ISLETA DEPARTMENT OF HISTORIC PRESERVATION CULTURAL CENTER

Ma Ku Wam Shimba

Greetings Everyone! I am so excited to begin a new journey as the Director with the Department of Cultural and Historic Preservation & Cultural Center. I have come on board to resume the responsibility of overseeing our newly renovated old school building into the present Pueblo of Isleta Cultural Center.

I grew up and live here at Isleta Pueblo and am proud to represent our people in such a setting and telling our story. I attended the Institute of American Indian Arts and earned my Bachelor’s degree in Museum Studies. I am a pottery artist and had the most memorable times working alongside my mother and aunts who so proudly displayed their pottery and curio items at the Old Alvarado Train Station and the portal of Old Town in Albuquerque.

Previously, I assisted in creating the traveling exhibit of **TIME EXPOSURES: Picturing a History of Isleta Pueblo in the 19th Century**. It is my pleasure and honor to return to such a beautiful sight of the Cultural Center and continue displaying and sharing our Isleta Pueblo story from the past to the present.

We are currently planning a ‘Soft Opening’ for the Cultural Center sometime in May. I would like to extend an invitation for Artists of all mediums to display artwork in our Nichos of the hallways at the Cultural Center.

I look forward to meeting our Artists, Youth and Seniors of all mediums from our Little Island, Sheiw Whif Teui
All My Best, M. Stephanie Zuni,
POI, DCHP Cultural Center Director

DCHP/POICC ANNOUNCEMENTS:

Friday Photo Group will resume weekly meetings starting May 19th and again on the 26th from 1PM-3PM at the POI Cultural Center Conference Room (formally Yonan An). For more information or to confirm attendance, please contact Tribal Archivist Cassandra Smith at (505) 869-5376 or at Cassandra.smith@isletapueblo.com

In preparation of the POI Cultural Center’s ‘Soft Opening’ we are sending out a call for artists to help fill our nichos in the hallways of the Cultural Center with original Isleta works of art from tribal members, as well as vendors, to sell at the Storyteller gazebo. More information below:

CALL TO ARTISTS & VENDORS

“Soft Opening - Pueblo of Isleta Cultural Center”

Work Media: POTTERY, JEWELRY, MOCCASIN, MEN & WOMEN’S TRADITIONAL & CONTEMPORARY CLOTHING (VARIOUS ITEMS), PAINTINGS, AND SCULPTURES.

Work Size: Items will need to fit inside a 4’(H) x 3’(W) x 1’(D) display case, there will be six (6) cases to display works of art.

Entry Requirements: ALL ENTRIES MUST BE ORIGINAL ISLETA WORKS OF ART FROM ISLETA TRIBAL MEMBERS.

REQUIREMENTS:

- 1. Contact the Cultural Center at (505) 869-9767 to set up an appointment.
- 2. Bring work of art to be reviewed (max. 4 items)

ST. AUGUSTINE
PARISH ONLINE GIVING

St. Augustine Parish is now offering online giving services to better serve our parishioners. We are providing this option in addition to cash or check donations. You can still give through traditional methods, but now you can make recurring or one-time gifts online with a credit/debit card or electronic check.

To give online through our new platform, visit our giving page on our website <https://www.isletachurch.org/>. You can also give through text message by sending “Give” to (505) 207-4077.

This program is beneficial to you, in that you do not need to worry about having cash or a check on hand at Mass, and it benefits the Parish by reducing the time needed to process donations and run financial reports.

Tips for Parents:

- Set curfews:**

Have a set curfew, but if you do decide to extend curfew do not let hours go by without checking on your child. Know where they will be and how long they will be there.
- Communicate your expectations:**

Even though you might have talked to your child about the choices they make and how it will affect them, it is always a good idea to have the conversation again especially around this time of year.
- Trust:**

Building trust with your child is mutual; this builds a strong relationship between child and parent. This also allows for growth and understanding.
- Boundaries:**

Your child might want to go to a celebration that is out of town or at place you are not familiar with. Allowing your child to attend these celebrations might create a safety risk for your child and yourself. Make sure you discuss your concerns and make your decisions based on the outcome of your conversation.

Pueblo of Isleta Public Library

We started the month off with Summer Reading Registration which was held on May 5th starting at 7am until all spots are filled. Read more about it in our upcoming section of our article. Schools will be letting out this month and the library may be busier than usual throughout the day. Please be aware of your surroundings in the parking lot, around the library and in the neighborhood as children may be out enjoying their Summer Break. Hotter days are slowly creeping up on us, please remember not to leave children, elderly, or pets in the car. Temperatures can rise in a matter of minutes, even with a cracked window. Sometimes those “quick errands” take longer than expected!

News

On Wednesday, May 3rd the library will be having a staff meeting starting at 9am to discuss upcoming programs, address library concerns and share ideas. We will remain open during this time so feel free to come into the library.

The library will be closed on Saturday, May 27th and Monday, May 29th in observance of Memorial Day. All library media checked out on Thursday, May 25th will be due on Tuesday, May 30th. Enjoy your three-day weekend and the official start to the summer season.

The library would like to introduce Edith Perez Bonilla, she is our new full-time employee. She is excited to work at the library and provide assistance to patrons and help to the community. Edith is a recent graduate and received her bachelors in Asian Studies. She enjoys art, video games and movies when she is not at work. Edith is in the process of planning an upcoming library program that she will be doing this summer. So next time you’re in the library make sure to stop by the front desk and say hello!

Edith Perez Bonilla our New Library Aide

Don’t forget to download the library’s NEW mobile app. Available now in the App Store or Google Play be searching for “POI Public Library.” After downloading you will need your library card barcode number and PIN to access you account. The library’s mobile app will allow you to search our library catalog, check out books and materials, browse events, access our e-Library digital resources, set up your digital card and more! For more information or if you need help downloading or setting up your pin number, please come in or call the library at 505-869-9808.

Join us every Wednesday at 10:30am and a library staff member will read a story and do a small activity or craft with the families and children who attend. Family Story Time is geared towards children 16 months to 5 years old but everyone is welcomed! No sign up is required, and monthly calendars will be available for story time here at the library. For more information on the story and activity for that day please call the library at 505-869-9808.

Summer Reading Program Registration will be Friday, May 5th starting at 7am. Registration will be a first come, first serve

basis. We will once again have one single line for registration for youth and junior groups. This will ensure that priority is given to those whom showed up early for registration. We will try our best to get in and out as soon as possible, but please be patient with staff during this time. Summer Reading Program Calendars and descriptions will be available during registration.

Some reminders to keep in mind before registering:

- Only Parents/Legal Guardians of students are allowed to sign up students for the Summer Reading Program.
- 3-year olds MUST be potty trained.
- We will be asking for BASIC information on the registration form along with a list of allergies.
- Our youth program will feature 4 different curriculums. During registration you will be given a packet with information on the 4 curriculums and calendars. You will need to go over the program descriptions with your child so they can choose which program interests them the most.

If you have any questions regarding our

Summer Reading Program, please give us a call at the Library and speak with a staff member at 505-869-9808.

Upcoming

Our Junior Program will be open to 20 students ages 3-6 years old. Students will be learning the fundamentals of STEAM with a different theme each week. Story time will be incorporated along with activities, crafts and outside play. Students will be served breakfast and lunch daily with the Summer Meal Program.

Our Youth Program will be open to 20 students, ages 7-14 years old. Each day youth students will engage in daily reading groups and after our daily reading time we will have a book discussion. Activities and crafts will follow daily reading. We will feature 4 different themes to choose from and 5 spots will be available for each of the programs.

Both Junior and Youth calendars will be available to be picked up at the library and will be posted on the library’s website page. <https://www.isletapueblo.com/tribal-programs/library/>

The library will be a host site for the Summer Meal Program provided by the Bernalillo County food program. We will be serving breakfast and lunch for children ages 1-17 years old in our Art Room. Breakfast will be served from 7:45am - 9:30am and lunch will be served from 11:30am – 1:00pm. All meals are FREE and must be eaten on site. If you have any questions regarding this program, please call the library at 505-869-9808 and speak with a staff member.

Library and the Isleta Rec have teamed up to do a collaboration for the Junior Summer Reading Program where we will take the students for a Story Time Yoga session. Students will be able to engage in a story time and learn Yoga poses in the process. To better prepare, library staff members attended a Yoga session and did a test run on May 24th. We would like to give a big shout out to Judy Asman and Thomas Zuni from the Rec for making this possible, sharing ideas and collaborating with us.

Wanting to give your mother a unique and tasty gift this Mother’s Day? Then the library has just the thing for you to do. Come and join us on Saturday, May 13th from 10am to 12pm and make that special person a delicious Edible Arrangement that she will surely love! All supplies will be provided. This program is open to 7 families of 3 or until all 21 slots are filled for ages 5 and up. Sign-ups begin on Monday, April 24th. For more information, please contact Elena at 505-869-9808 or by email at Elena.Lopez@isletapueblo.com.

Join us on Saturday, May 20th at 10am in Growing Your Own Indoor Herb Garden. We will be learning the basics of planting and growing an herb garden that you can place in your kitchen and have fresh herbs for your cooking convenience. This program will be open to the first 10 adults, 18 and over to pre-register. All supplies will be provided. All you have to bring is your “green thumb”, sign ups start Monday, May 1st. Snacks and refreshment will also be served. For more information about this program please contact Diane at 505-869-9808 or by email at Diane.Abeita@isletapueblo.com.

The library will be mainly focusing on the Summer Reading Program in the upcoming months. During this time library programs will be put on a pause until our Summer Reading Program has concluded. You will also notice that the library and library staff will be busier than normal. Please be patient with us during this time as we will also have new summer staff that are learning in real time. We apologize for any inconvenience and thank you for understanding.

But not to worry, library staff is always on the lookout for new programs for children, teens, adults and families. Please follow us on our social media accounts for up to the minute announcements on programs and events. We will also be posting flyers throughout the community, so keep a look out for that.

Recap

On Tuesday, April 25th, library staff members attended the Sundance Art Literacy Night where we promoted our library services and interacted with students and parents. It was a great

evening to bring attention to Art Literacy through education in schools. The library has a variety of Art material at the library for patrons to check out.

Library Staff attended a series of Trainings for the month of April and May.

The library hosted and participated in NARCAN (Naloxone) Training on April 20th. This training course taught us how to recognize the signs of an opioid overdose and how to administer the opioid overdose reversal drug Naloxone.

Also, library staff attended an Active Shooter training course ALICE (Alert, Lockdown, Inform, Counter, Evacuate) on April 27th, where we learned about lockdown procedures, how to handle the threat of an intruder or active shooter.

The library’s After School Program is in

its final month of the program before the Summer Break. As you can guess, students are excited and anxious but we can’t let all our hard work go to waste in the upcoming weeks. More than ever, it’s important for students to keep on top of their reading and homework for the last month of school. April was a busy month for library staff and students as we enjoyed spring crafts/activities and warmer weather. Students attended an incentive field trip on April 28th to Elevate where they jumped on trampolines and enjoyed pizza after. Students earned their spot to attend the field trip by reading and doing homework. We are so glad we got to spend the school year with all our students. We would like to wish ALL students a Happy Summer Vacation, and to those that are graduating we would like say congratulations and here’s to your next adventure!

PARKS & RECREATION DEPARTMENT

I do not know about all of you, but I'm still waiting for the April showers that bring the May flowers!!! Well, May is upon us and we are ready for the nice weather we have been having. Our Parks look amazing, flowers are blooming, the fields all over the pueblo are full and green, the trees are full and starting to produce fruit, and over all things just look so much better when there is green through the pueblo.

We have completed our summer hires (Recreation Aides, Weed & Litter Crew, Summer Lifeguards, etc.) and we will be training them soon to prepare them for our summer recreation program. We should have room for at least around 120 children in our summer program this year. Our Aquatic Center is ready for the summer program as well, but keep in mind that center and swimming pool will be used primarily for the youth summer program this summer from approximately 9am to 3:30pm. Anytime before 9am or after 3:30pm the center will be open for other individuals to use the pool and gym. Our Fitness Facilities Pickle Heights and Main Recreation are still available for all tribal members to use, so please come on in and take advantage of our beautiful free fitness facilities, remember this was built for all of you.

Many of you attended our Annual Parks & Recreation Easter Egg Hunt in April. It was an awesome event and we appreciate everyone attending it this year. I want to thank all the departments from the casino that helped out, they were great to work with and I hope we are able to work with them soon with other events. We really appreciate them bringing down the photo booth for this event, the photo booth was a huge hit. I also want to thank the POI Human Resources Department for their help as well, they donated some awesome prizes for this event as did the casino.

AQUATICS SECTION

Isleta Aquatics is excited for this upcoming summer! We have multiple youth programs that will be coming in to have pool time this coming summer. This will not influence hours of operation but we will be sure to post closures for large groups ahead of time if we need to do so. We are looking to have our summer session group swim lessons start this month (May)! This will be a great way for us to fit in more students for this coming year! Registration forms for the group swim lessons are available at the front desk of the Recreation Center and registration is open to kids 6 and up. If you were previously in swim lessons with us, please get us an updated registration, we can be sure to have updated swimmer information and emergency contact info. If you have smaller children and are interested in our parent and tot class, please reach out to Connie or Josh at 505-869-9783. We have sessions available from 6:00am-8:30am as well as 3:30pm-7:30pm Monday through Thursday, and 6:00am-8:30am and 3:30pm-5:30pm Fridays. We will close mid-day to accommodate swim time for youth programs as well as daily pool maintenance. We are also offering our adults only, lap swim on Mondays, Wednesdays and Fridays from 12pm-1:00pm. All three types of swim sessions can be reserved in one and two hour increments at the front desk of the Rec Center. Swim lesson registration forms are available at the front desk at the Rec Center or contact

Josh or Connie at 505-869-9783 for more details on availability and registration. Isleta Aquatics is still looking for Aquatic Aides for the summer! If you know, anyone interested in becoming an Aquatic Aide please call or visit the POI website for the job posting! For anyone interested in information about Lifeguard certification, child or adult swim lessons, water aerobics and other aquatic programming please call Josh or Connie at 505-869-9783.

FITNESS SECTION

Have you signed up for the Silver Eagles challenge yet? If you have not, what are you waiting for? In case you haven't heard, the New Recreation Center in conjunction with the Elder Center is hosting a challenge for tribal and community members who are 50 years or older to participate in the various activities we offer—swimming, walking the track or gymnasium, playing sports, working out or taking fitness classes. If you are not in on the action, it is not too late! Stop in, sign up and get fit!

How it works: Visit us in the weight room and talk to one of the fitness staff members about joining. We will assign a punch card to your name. Each time you visit the New Rec and participate in the activities listed above or other activities, you will get one punch (only one punch per day). When you earn 10 punches (one punch card), you receive a sweat towel. After completing the first punch card, participants can qualify to win a fitness tracker by completing two additional punch cards (totaling 30 visits), and a massage gun if they complete three additional punch cards (totaling 60 visits). Additional prizes will be given to those who complete additional punch cards beyond the six – for instance, more prizes for those who complete 10 punch cards (100 total visits) for the year or 15 (150 total visits). At the end of the year, punch cards are entered into a drawing to win \$1,000 cash prize. Congratulations to the 80+ people who are currently in the program! For more information, please call the New Rec Center at 869-9777, ext. 9012.

Spin Class at a New Time/Day – Do you love indoor cycling? This excellent non-weight bearing format can help you to burn calories like crazy and have fun at the same time. The class time for Spinning® has moved from Wednesdays, 5:30 p.m. to Thursdays, 5:30 p.m. in the gymnasium. Come on in, hop on a bike and join Thomas for an amazing workout! Call the New Rec Center at 869-9777, ext. 9012 for more information.

RECREATION SECTION

As I mentioned earlier we have completed our summer hiring for the recreation program staff and we should be able to have or take approximately 120 children into our program this summer. I hope that all of you interested in getting or trying to get your children into the summer program put your lottery form in for the drawing. The drawing will take place this month and you will know very soon if your children were drawn to participate in this year's summer recreation program. We will be getting staff ready to work with the children this month as well.

Our afterschool program is still going on and will continue to do so until school ends. I think the kids are looking forward to the summer break, I know I used to when I was a kid.

SPORTS SECTION

For those of you that have not called about our Adult Basketball League, please do so. If you want information about the league, please call me (George Waquie) at (505) 869-9777, I will be more than happy to give you information.

I also wanted to let you know that our Volleyball League went really well this year, it was very competitive and lots of fun. We are already looking forward to the league next year and we hope it is even bigger, better, more competitive and even more fun. We hope to see even more tribal members get teams in this league next year.

Our Corn Hole League was also a very big hit! Corn Hole is an activity that is becoming more and more popular every day. Just like the Volleyball League, the Corn Hole League was lots of fun and extremely competitive. Everyone that participated really had lots of fun. We will definitely have more Corn Hole Leagues in the very near future; we have no other choice everyone is already asking us about the next one and they are looking forward to it as well.

Helping Your Adult Family Member Who Has an Addiction

Although you may be tempted to rescue, bribe, pamper, scold, or threaten your adult family member who continues to use and abuse alcohol and/or drugs, this is not a helpful approach.

Families share experience, strength, and hope at Al-non meetings. These meetings teach you how to stop “enabling”. The word enabling means “allowing, permitting, or aiding” the alcoholic/addict to stay in their sickness and enabling keeps you, the family, trapped in the problem. Enabling can make you physically and emotionally sick and cause increased stress with you and your home environment. Addiction is not something that affects just the alcoholic/addict but has a negative impact on the entire family and the community.

No one wants their adult family member to suffer with an addiction and your intentions to help are out of love and concern. When enabling turns into an intervention, things begin to change. It is time to take your focus off the adult family member’s addiction and place it onto yourself and your family. You regain power to make meaningful choices about what you will do and what you won’t do. Enabling does not teach responsibility.

You can contact Al-non at (505) 262-2177 and find out the nearest location from your community to attend, (IBHS does not provide transportation).

The program rules recognize there may be more than one eligible household residing at the same address, such as at an assisted-living facility or where two individuals reside at the same address but do not share money.

Isleta Health Center

Do you or someone you know have a drinking problem?

Alcohol use is not a problem for everyone but it can become a problem if you are not aware of the signs. It helps if you know the signs so you can do something about it before it becomes a problem. If you are curious whether your alcohol use might be a problem, take a moment to answer these questions:

In the past 6 months to a year, did you

- End up drinking more, or longer, than you intended
- Tried to cut down or stop drinking but continued to use alcohol
- Drive a car or operate heavy machinery while drinking or “buzzed”
- Have to drink more than you used to in order to get the same effect
- Continue to drink even if you felt depressed, anxious, or guilty
- Continue to drink even though you had health problems because of the alcohol
- Continue to drink even though it caused problems with family, friends, and/or the job

- Spend a lot of time figuring out how you would get your next drink
- Experience hangovers that got worse each time you drank
- Ever have a drink the following day just to “steady your nerves” or to “take off the edge”

If you answered “yes” to any of these questions, it may be time to seek help...

What to do if you find a used needle outdoors

People, especially children, must never touch or pick up needles found on the ground. Discarded needles can be harmful. Needles or hypodermic needles are also known as syringes or sharps.

Cleaning up discarded needles must be done carefully to protect human health and the environment.

If a used or discarded needle is found on Isleta tribal land, please call Isleta Police Dispatch at 869-3030 to report the location so that a qualified tribal employee can safely collect and dispose of the discarded needle.

Individuals who use needles for insulin shots or other medical uses are expected to dispose of their used needles appropriately in sharps containers that individuals have to purchase themselves.

An exclamation mark within a triangular border is the international symbol for caution. Always exercise caution if you see a discarded needle.

Health Beat: Mental Health Awareness 2023

Orion Zuni, B’eeh-K’oo-ee Wellness,
Experiential Educator
Orion.zuni@islclinic.net
Phone: 505-869-5475

“Mental health is not a destination. But a process. It’s about how you drive. Not where you’re going.” ~Noam Shpancer, PHD

While we go through the motions of our fast-paced lives, it can be easy to overlook all aspects of our health. It is important to keep up physical healthy habits like daily exercise and eating healthy foods. But we need to remember that our mental health plays a very important role in our wellbeing day to day. May is a month that is dedicated to mental health awareness and all the benefits that come with practicing healthy habits to keep our minds positive and productive. Fostering a healthy positive mindset can be very beneficial with our self-esteem, confidence, and outlook on life. This can be easier said than done majority of the time.

Mental and physical health are equal components to our overall health and can determine how we interact with any situation we find ourselves facing. When we find our day consumed by high stress problems it is important to find and practice healthy coping mechanisms to help yourself relax and unwind. An example of healthy coping can be getting exercise, going for walks, talking to friends or family. The options are not limited! Finding a healthy coping style or activity can look different for everyone and can include a combination of things that help us feel good. It is also important to remember that our mental health does not stay the same over time. Many factors contribute to our state of mental wellbeing but if we are able to find and continually practice healthy coping methods we have the ability to step back and assess our problems with a new perspective.

Many factors can contribute to our risk of mental illness and there is never one sole cause. For many, mental illness can be remnants of early adverse life experiences (child abuse, sexual abuse, witnessing violence, etc.), major medical conditions (Cancer, Diabetes, etc), chemical imbalances in the brain, use of alcohol or drugs, and/or having feeling of loneliness or isolation. Typically, mental health problems are clinically diagnosable and are products of our experiences, biology, psychology and social factors. There are many various types of treatments for mental health problems and are dependent on the individual. Treatments can include therapies (talk, trauma, etc), medication, or both depending on the individual’s needs that will target specific mental health problems.

Mental health issues are common, help is available. People with mental health issues can improve and many recover completely. So, if you or someone you know is struggling with mental health, feel free to reach out to the B’eeh-K’oo-ee Wellness Center at 505-869-5475 and set up an appointment with one of our counselors.

Today we come together to honor the Physicians
within our Isleta Health Center.

Their selflessness and dedication for helping others has persisted
through a pandemic and still they provide excellence in direct
patient care!

Great Physicians like them replace the fear of illness with trust in
recovery and for that we say...

Thank You!

Community Needs Assessment Survey

The Isleta Health Center wants to improve our services by better understanding the Health Priorities in the Isleta Community, but we **need your help!** We will be offering a Community Needs Assessment Survey to the Isleta Community through paper form and virtually (internet). This will be 1st given out during the **Isleta Health Center Health Fair on May 12, 2023 from 4:30-6:30 at the Isleta Health Center.** WE HOPE YOU CAN MAKE IT! If you do not attend the Health Fair, we will also be sending out links, QR Codes and having the survey available at the Health Center for you to complete the Survey. **We would like EVERY Isleta Health Center Patient, Isleta Tribal Member or Isleta Community Resident to complete this survey,** so that we can improve our services. Please keep an eye out for more information regarding this survey and make it a point to complete it before June 15, 2023.

Those who complete the survey will receive a Sunshade (While Supplies Last) and a chance to win a number of great prizes (Gift Cards, Movie Passes, Gas Certificates and more).

We hope you plan to attend the Isleta Community Health Fair and that you make it a point to complete the Isleta Health Center Community Needs Assessment this year!

Pueblo of Isleta Elder Center Efforts to Help our Elders with Loneliness

We are providing our elders with important data regarding the impacts of isolation and loneliness. Following the article below, please read about the efforts put forth by the POI Elder Center to combat Isolation and Loneliness.

Loneliness and Social Isolation Linked to Serious Health Conditions

National Academies of Sciences, Engineering, and Medicine. 2020.

Social isolation was associated with about a 50% increased risk of dementia and other serious medical conditions. Loneliness and social isolation in older adults are serious public health risks affecting a significant number of people in the United States and putting them at risk for dementia and other serious medical conditions.

A report from the National Academies of Sciences, Engineering, and Medicine (NASEM) points out that more than one-third of adults aged 45 and older feel lonely, and nearly one-fourth of adults aged 65 and older are considered to be socially isolated. Older adults are at increased risk for loneliness and social isolation because they are more likely to face factors such as living alone, the loss of family or friends,

chronic illness, and hearing loss.

Health Risks of Loneliness

Although it's hard to measure social isolation and loneliness precisely, there is strong evidence that many adults aged 50 and older are socially isolated or lonely in ways that put their health at risk. Recent studies found that:

- Social isolation significantly increased a person's risk of premature death from all causes, a risk that may rival those of smoking, obesity, and physical inactivity.
- Social isolation was associated with about a 50% increased risk of dementia.
- Poor social relationships (characterized by social isolation or loneliness) was associated with a 29% increased risk of heart disease and a 32% increased risk of stroke.
- Loneliness was associated with higher rates of depression, anxiety, and suicide.
- Loneliness among heart failure patients was associated with a nearly 4 times increased risk of death, 68% increased risk of hospitalization, and 57% increased risk of emergency department visits.

What Can You Do If You Are Experiencing Loneliness?

The POI Elder Center is a great place to start exploring resources for seniors, right here in your own backyard!!

Daily Congregate Meals: come join your friends and/or relatives for lunch M-F 12-1pm. The menu is posted in the monthly Tribal Newsletter and an added

bonus for coming in for lunch is a full salad bar every day.

Activities & Field Trips: an activities calendar is also posted in the monthly Tribal Newsletter with various types of opportunities for engaging and socializing.

General Meeting: a gathering for our seniors to learn more about various types of benefits and resources. The meeting happens every 3rd Wednesday of the month at 1pm. Come join us for lunch and stay to listen to guest speakers.

Golden Eagle Challenge: the Elder Center and the Recreation Center is partnering to offer our seniors exercise programming. You will receive a punchcard for every Rec Center visit and be rewarded at certain intervals of participation, which also leads to winning the grand prize at the end of the year. What a great way to stay healthy, socialize and engage with members of the community and staff.

Sr. Olympics: Another way to stay fit, connect with friends and relatives by participating. Many events are offered throughout the year, such as: **Practice Dates** to learn a sport/event or hone your skills in your area of sport interest: **Local Games and/or All Indian Game Day**- compete with other tribal communities; **State Games** compete with Seniors across the State of NM; and when you are at the top of your game represent the POI at the **National Games**.

Tribal Lifeline

Consumers living on Tribal lands* can receive up to \$34.25 off phone or Internet service.

Lifeline is a federal program that helps lower the monthly cost of your phone or Internet service.

ELIGIBILITY

You may qualify for a discount if you live on Tribal lands* AND can provide proof for any ONE of the following:

- Your income is at or below 135% of the federal poverty guidelines, OR
- You participate in any ONE of these government benefit programs:
 - Supplemental Nutrition Assistance Program (SNAP)
 - Medicaid
 - Federal Public Housing Assistance (FPHA)
 - Veterans Pension and Survivors Benefit
 - Supplemental Security Income (SSI)
 - Bureau of Indian Affairs General Assistance
 - Tribal Head Start (income based)
 - Tribal Temporary Assistance for Needy Families (Tribal TANF)
 - Food Distribution Program on Indian Reservations Assistance

WHAT IS A HOUSEHOLD?

You can have multiple households at one address, for example:

- Four adult family members that live at the same address, but do not share income and expenses, may each have their own Lifeline benefit.
- If you share housing with someone who already receives Lifeline, complete the Household Worksheet that is available on our website, or through your phone or Internet company.

*Lifeline's Tribal Lands is defined in 47 CFR §54.400 (e). Go to LifelineSupport.org and select "Tribal Lands" for more information.

THREE WAYS TO APPLY

APPLY ONLINE Find the online application at nv.fcc.gov/lifeline.

OR

MAIL YOUR APPLICATION Print an application from LifelineSupport.org.

OR

CONTACT A PHONE OR INTERNET COMPANY Find a company that provides Lifeline at LifelineSupport.org. Click *Companies Near Me*.

If you live in CA (CaliforniaLifeline.com), OR (Lifeline.Oregon.gov), or TX (TexasLifeline.org), visit the website for your state to find out how to apply.

HOW TO SHOW YOU ARE ELIGIBLE

You may need to show proof that you qualify for Lifeline, such as:

- A copy of your SNAP or program letter OR
- A copy of your pay stub or tax return to prove your income is at or below 135% of the federal poverty guidelines.

TIPS FOR APPLICANTS ON TRIBAL LANDS

- Check the "Tribal Lands" Box.
- Provide a Tribal ID Number if a SSN is unavailable.
- Your Lifeline company can help determine whether your address is on Tribal lands.
- Ask your service provider about Tribal Link-Up. You may be able to get up to \$100 toward your connection to home service.

NOTE: An applicant living at a residence without an identifiable address will be asked to provide Geo-coordinates for the physical location. If you don't have this information, you can provide USAC a map that identifies the location of the residence, landmarks, and distances.

Lifeline

Lifeline is a federal program that helps lower the monthly cost of your phone or Internet service.

HOW TO KEEP YOUR BENEFIT

USE IT OR LOSE IT

If your mobile phone or Internet is free, use it at least once every 30 days to keep the benefit.

RECERTIFICATION

Each year, Lifeline will conduct a check to ensure you still qualify for the benefit. We will review databases that can verify your participation in qualifying programs.

We will send you a letter asking you to recertify your benefit ONLY if we are unable to confirm you are still eligible.

What to do if asked to recertify:

- Call (855) 359-4299 OR
- Complete the form online at nv.fcc.gov/lifeline OR
- Complete the recertification form and mail it to:
Lifeline Support Center
P.O. Box 7081
London, KY 40742

You may check your Lifeline Benefit status anytime by calling the Lifeline Support Center, (800) 234-9473.

If you live in CA (CaliforniaLifeline.com), OR (Lifeline.Oregon.gov), or TX (TexasLifeline.org), visit the website for your state to find out how to recertify.

TRANSFER YOUR BENEFIT

You may change the phone or Internet company registered with Lifeline at any time.

To do so:

- Talk to your new company to make the switch—some companies may have transfer costs.
- Reapply to Lifeline to confirm you are still eligible.
- Search for a phone or Internet company at LifelineSupport.org. Click *Companies Near Me*.

Contact your phone or Internet company about your phone, Internet service, or bill.

Universal Service Administrative Co.
Available for Public Use

Lifeline is a Federal Communications Commission (FCC) program to help make communications services more affordable for eligible consumers. The Universal Service Administrative Company (USAC) administers the Lifeline program. USAC is responsible for helping you apply for the program, understand eligibility requirements, and keep your benefit current through an annual recertification process.

As the days get longer, it is nice to have the Sun shining later into the evening to keep our days brighter. We would like to send out a *huge "thank you"* to everyone that helped us during the passing of Ouray "Shatuh" Garcia, he was our Beloved Son, Brother, & Nephew; but most of all He was the greatest Uncle to his nieces & nephew! He was one *Amazing Tata* to his son Ander. He will truly be remembered by his handsome smile & beautiful heart. He is greatly missed by us all. We want to thank our Governor Max Zuni & his staff, Isleta Police Department, Isleta EMS Department, & all POI Tribal workers that gave their lending hand during our time of need. Another huge *Thank you* to all our family, friends, & Ouray's friends that were there to give their condolences, give a helping hand & most of all give your prayers to help us stay strong during our great loss. There is no way we could have done this without each of you. Our prayers to our Creator to guide & keep you Safe, Happy, & Healthy.

With Love & Great Appreciation, Tata Erwin Garcia & Family.

Our Sincere Thanks

*Your words have comforted us,
Family and community support has strengthened us,
And everyone's love has sustained us.*

*We extend our deepest appreciation to our family and community for your kindness during our greatest sadness.
We appreciate it more than words can express and it will always be greatly remembered.*

*The Family of Ruth Juancho
