Governor's Report

Maguwam,

We hope this newsletter finds our community is in good health and spirits. Fall is quickly approaching and it's starting to become chilly late at night and in the early mornings. I would like to remind all ATV/UTV users to follow safety protocol while in use. I recommend utilizing a helmet for your safety and the safety of others.

Again, we would like to recognize and thank our Mayordomos for another successful feast day. We celebrated with a mass, traditional dances, and a live band. I would like to extend my gratitude to our staff, departments and most importantly our families and friends who prepared for the feast days. I would like to also give a special thank you to the Brandon Saiz band for the live music and a night of dancing. It is always a pleasure to work with you Mr. Saiz.

Mayordomos September 3rd – Harold Jiron Jr. September 4th – Anthony "Narps" Jiron

On September 12th and 17th, we visited Los Lunas Public Schools to address our Native American students. We shared some words of wisdom with our students and answered their questions. We are very proud of our students and how far they have come and we ask for you to continue to provide words of encouragement to them.

On September 30th, I will be attending the 2025 Coalition of Rio Grande Water Users 3rd Annual Conference. I am scheduled to speak on behalf of the Six Middle Rio Grande Pueblo Coalition on October 1st at 8:30 in Santa Fe.

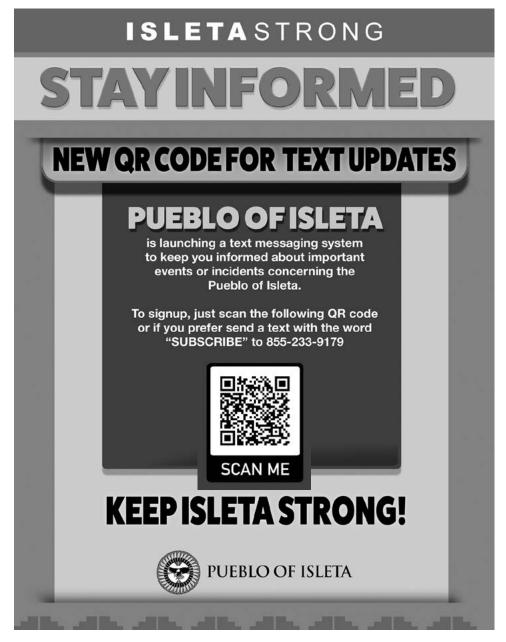

Congratulations to the Isleta Grill, who participated in the New Mexico State Fair Green Chile Cheeseburger challenge. Isleta Grill was crowned once again as 2025 champions for the People's Choice & Blind Competition. I am so happy for all their accomplishments!

Last, I want to send my condolences to the families of those who have lost their family members during the month of September.

Miguel Trujillo Exhibit

Thank you to everyone who joined us at the Yonan Cultural Center on September 16th for the Miguel Trujillo Exhibit opening. We're grateful to Councilmember Paul Jiron, John Waconda, Karen Waconda, Christina Zuni, Fred Lujan, Pete De La Rosa, and Laurel Goodluck, and to our staff who supported this event.

I also want to thank all the community supporters who were part of the planning and design of this exhibit, including the New Mexico History Museum. As well as the Cultural Committee who helped to bring this exhibit to the Pueblo. Your presence and support help us to continue preserving our history.

See you at the next event!

The artwork in the hallways will be on view for another month, before we begin to rotate out this exhibit. Stop by to view the artwork before it is gone!

The Yonan Cultural Center is open Monday-Friday 10:00am-3:00pm. Tours are available upon request, you can call us at (505)869-9767 for more information or to schedule a tour.

LETTER FROM THE EDITOR

DEADLINE for November Newsletter articles is set for Tuesday, October 21, 2025, at 4:30 pm. Articles may be dropped off at the Library or emailed to Nathaniel.Lujan@ isletapueblo.com. Should you email your article, expect a confirmation email. If you do not receive a confirmation email, odds are it never made it to me and then it's time to panic, so call Nate at 505.869.9808.

People who wish to submit an article or flyer are responsible for generating their own article or flyer. Should you need help, please call the Library at 505.869.9808 and set up a date and time to sit down with a Library staff member who will help you throughout the process. The Library will NOT accept notes dropped off at the Library or information over the phone to generate your article.

PROBATES need to be published in the Newsletter for two consecutive months. Probates are considered court documents, therefore, all submitters must provide: 1) Name of Deceased, 2) Date of Deceased 3) Court Case #, and 4) Date of Court Date. A Probate form can be found on the Newsletter Archive page at http://www.isletapueblo.com/newsletters.html.

CLASSIFIED ADS: The new administration has requested that the Newsletter start a Classified Ad section for Tribal members selling land, houses, mobile homes, vehicles, and farm equipment. Leasing of houses and mobile homes will be accepted. Smaller items that can be sold at the local flea markets or weekly yard sales will NOT be accepted.

Currently, this service is FREE to Tribal members. Land, houses, and mobile homes must be within the reservation boundaries. Ads must meet the 160-character limit. Ads that exceed the 160-characters will NOT be submitted to the Newsletter. A single picture may be submitted with the ad. Submitters of classified ads are responsible for generating their ads as this is a FREE service.

As a reminder, Tribal business owners may submit a small flyer at no charge. Like the classified ads, business owners are responsible for generating their flyers as this is a FREE service.

Classified ads and business flyers will be posted no more than two consecutive months. In the event that the Newsletter may exceed the 24-page limit, classified ads and business flyers will be "bumped" for newsletter articles. Again, this is a FREE service for Tribal members.

The Isleta Newsletter is owned and operated by the Pueblo of Isleta. Therefore, the Governor of the Pueblo of Isleta has the final say in all articles and contents within the Isleta Newsletter.

For additional questions, you may call the Library and speak with Nate or Diane at 505.869.9808.

Thank you,

Nathaniel Lujan

See Something, Say Something: Breaking the Silence

The Pueblo of Isleta is a community rooted in tradition, strength, and care for one another. But even the strongest can struggle in silence. Depression, isolation, and thoughts of self-harm don't always show up loudly — sometimes they come quietly, in the form of withdrawal, sadness, or changes in behavior.

We all have a role to play.

If you notice someone pulling away, seeming hopeless, or just not acting like themselves — don't stay silent. A simple check-in or a call to someone who can help might be what saves a life.

Your voice can be a lifeline.

Let's break the silence around mental health. Let's look out for our youth, our elders, our friends — and speak up when something feels off.

See the signs. Start the save.

You are never alone, and neither is anyone else — not in this community.

For mental health resources and support, you can contact:

PUEBLO OF ISLETA PUBLIC WORKS DEPARTMENT

SEPTIC SYSTEM DO'S AND DON'TS

In order for the Pueblo to pump out the septic tank, we first have to locate your residence. Please have house numbers posted on your residence. If your address includes an alphabetic letter, include this on your home as well. If we can't locate your home, we won't be able to pump the septic tank. When you call the Public Works office (505-869-5170) to request a work order for a septic pumping, be sure to include a good contact number so the driver can contact you, if needed.

Clear access to the septic system must be maintained by the homeowner. Please move any vehicles, wood piles, or any other obstacles far enough away from the septic system so the septic truck can get close to the tank. Weeds need to be kept under control. Please do NOT burn the weeds, especially on the leach line portion of your septic system. Burning the weeds will damage the piping under the ground, rendering the leach field inoperative as the pipes will melt.

If there is not sufficient access, a door hanger will be left advising the tank could not be emptied and why. When access is available, the homeowner should call the Public Works office at 505-869-5170 to request a work order to have the septic tank pumped out. Public Works regular business hours are from 7:00am till 3:30pm. While Public Works, if available, can be a source to help with septic pumping, the homeowner may also hire a private company to accomplish the work as well. Last, if a private company is hired there will be no reimbursement.

Remember: Don't put anything down the drains/toilets that can cause damage to the septic system. Grease, flushable wipes, paper towels, sanitary products, trash and excessive toilet tissue which can cause sewage back-ups. Grease is the #1 cause of sewage back-ups. Tree/shrub roots are a close second. Plant trees and shrubs as far away as possible from your septic tank, sewer clean-outs and leach fields. Roots will search out sources of water (including wastewater) and once the roots get inside the pipe, the roots will grow in size, eventually creating a blockage in the piping.

If you have a slow draining sink or bathtub and have poured a harsh chemical down the drain, please advise Public Works/Housing employees that may later respond to help clear the back-up. Many products sold to clear drain blockages have acid in them and are a hazard to you and the employees that may be trying to clear the blockage.

If you have any questions, please call the Public Works office at 505-869-5170.

*Water quality samples are collected on a monthly basis from the Rio Grande. Two irrigation sample locations are collected during the growing season.

Results from the September 2025 sample collection were not available to meet the October 2025 Newsletter deadline.

- Dash in data table indicates sample not collected. "MPN" is a unit of measure that stands for most probable number. MPN is equivalent to colony forming units ("CFU").

The Pueblo of Isleta's most stringent surface water quality standard for E. coli bacteria is 88 MPN/100 ml at all times and at all flow rates.

Please watch signage at the NM 147 bridge for surface water quality advisory.

Due to high levels of E. coli, Governor issued an Executive Order on August 13, 2025 to protect the health and safety of our community members. Until further notice, there is to be no swimming and no fishing in the Rio Grande.

The Pueblo's drinking water supply is safe and water in Isleta Lakes is clean.

If you have questions about surface water quality, contact Ramona Montoya, Water Quality Control Officer, at 505-

PUBLIC NOTICE

Opportunity for Public Comment

The Pueblo of Isleta is requesting public comment for Clean Water Act 401 tribal water quality certification of the Isleta Diversion Dam Peralta Sluiceway and East Bank Realignment project.

The Pueblo of Isleta is given an opportunity to identify any comments, concerns, and suggestions our community may have regarding the U.S. Bureau of Reclamation project known as the Isleta Diversion Dam ("IDD") Peralta Sluiceway and East Bank Realignment Project.

The purpose of the project is to improve sediment management by realigning the east bank of the Rio Grande upstream of the IDD, to mechanize and automate three radial dam gates at the IDD and three headwork gates one sluiceway exit gate at the Peralta Main Canal. The laydown area for the project is 3.05 acres, both upstream and downstream of the IDD. The work area will be isolated using a cofferdam to minimize impacts to aquatic species and habitat. The project is expected to occur during the non-irrigation season from November 2025 through February 2026.

The U.S. Bureau of Reclamation issued a Finding of No Significant Impact for the project (May 24, 2024). Supplemental environmental information dated July 2025 to support the project is available.

When coverage is sought under a Nationwide Permit for discharge into surface waters, the Pueblo of Isleta has an opportunity to assure that the discharge will not negatively affect the Pueblo's waterbodies. This is documented through the 401 certification and is required in accordance with the Pueblo of Isleta Surface Water Quality Standards. The Pueblo of Isleta can submit comments to the U.S. Army Corps of Engineers for consideration in granting permit coverage. The Pueblo of Isleta also has the authority to deny certification if the permitting circumstances will not guarantee that the discharge will meet Pueblo of Isleta surface water quality standards.

The Nationwide Permits (NWPs) issued in December 2021 are available electronically at:

https://www.mvn.usace.army.mil/Missions/ Regulatory/Permits/Nationwide-Permits-Program/

Permit coverage for the project is requested under Nationwide Permit Numbers 3 "Maintenance," 13 "Bank Stabilization," and 16 "Return Water From Upland Contained Disposal Areas."

Comments concerning the Pueblo of Isleta's Clean Water Act Section 401 certification may be sent to:

Ramona M. Montoya, Water Quality Control Officer Pueblo of Isleta Environment Department

PO Box 1270 Isleta NM 87022

E-mail: Ramona.Montoya@isletapueblo.com

Tel. (505) 869-7565

Hand delivery: 3929 Hwy 47 SW, Albuquerque NM 87105

Environment Department will review all comments received, draft a recommendation on the Pueblo of Isleta's 401 certification action for consideration and review by POI Legal Department. The final approved certification (with or without conditions), denial, or waiver shall be signed by Governor Jiron and will be submitted to the U.S. Army Corps of Engineers.

TRUANCY

Happy Fall!

When it starts to get chilly in the morning and by midmorning it's hot, then we know that Fall is upon us.

If you and your families attended the New Mexico State Fair, we hope you had a fun time and enjoyed all the exhibits, food and of course, the rides. Fall time brings so many fun activities throughout the State. We have the International Balloon Fiesta and McCall's Pumkin Patch/ Hunted Farm coming up. There are many other unique events that happen that you may or may not be aware of. Here are a few other things that happen throughout the season.

• Harvest Festival – This is the seventh annual Prickly Pear Festival. It features demonstrations on the uses of a prickly pear and how to incorporate into your farming and gardening. They will also have a variety of vendors — food, drinks, bath and body products, along with live music. There are also free kid's activities like face painting, autumn arts & crafts and discovery stations for the children to enjoy.

Dates: October 4th and 5th, 2025 Times: 9:00 am to 5:00pm

The Truancy Department was happy to take part in the Family Night hosted by the Department of Education; we were happy to see all the families that attended. We provided Root Beer floats and the families in attendance were happy to indulge in this wonderful treat. We look forward to the many upcoming activities throughout the 2025-2026 school year.

Another event that we look forward to participating in is the annual Halloween Carnival which is sponsored by the Isleta Recreation Center. We can't wait to see all the ghouls and goblins who will be in attendance to this year's gala!

As a reminder, the Truancy Department is here to assist your children in attending school daily. We work closely with the Los Lunas Truancy Department and receive weekly attendance. As most are aware, the Truancy Department sent out notification letters more frequently last semester, as we adopted a new *Children's Code*, which was amended and adopted in November 2024. You can read more at

https://www.isletapueblo.com/wpcontent/uploads/2024/11/LAOCAmendedNovember 2024.pdf .

We would like to welcome you all to reach out to us if you or your students have any concerns regarding school attendance, perfect attendance incentives or if you would like clarification of the support services we offer.

Thank you and have a wonderful month! Isleta Truancy

TRASH TALK ISLETA!

Keep it simple, if you do not see it on this flier throw it away in the trash. Do not use your blue recycle cart for trash or it will be confiscated. Have your cart out by 7am. For service schedule announcements check the POI newsletter & POI Facebook. (505) 869-4106

Your recyclables do not need to be bagged, however it is highly recommended to bag your recyclables for curbside pickup during windy season. This is to reduce the chance of creating litter due to winds. If you choose to bag your recyclables it is important to use clear bags only. Colored bags are not accepted at the recycling facility. When your recyclables are bagged in colored bags they are not opened up and your material is landfilled instead of recycled. Using clear bags helps to ensure the health and safety of the line workers who come in contact with the material when sorting at the recycle facility. Using colored bags will result in your recycles not being collected. This is important to sustain the recycle program moving forward. Your understanding and cooperation is greatly appreciated.

TRASH TALK ISLETA!

TRANSFER STATION HOURS

The Transfer Station is open Monday through Friday 7AM - 4:30PM.

Saturday and Sunday hours are 7AM - 3PM.

The Transfer Station is closed on Tribal & Federal Holidays.

The last large load is accepted 15 minutes before closing time.

For your safety we may close due to high winds.

For use of tribal members only, must have a tribal member present when utilizing the facility.

For curbside service schedule announcements check the POI newsletter, POI Facebook & POI text message system.

KEEP ISLETA BEAUTIFUL! (505)869-4106

Department of Education

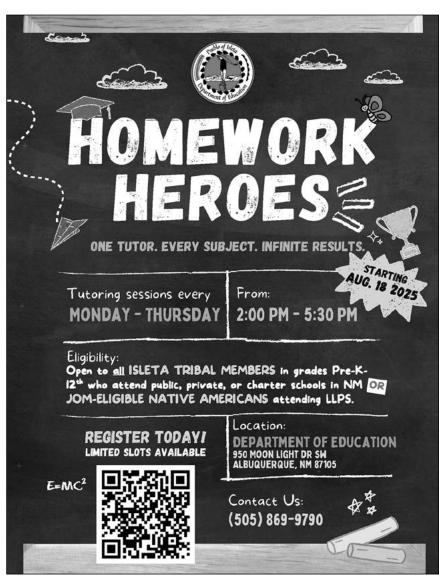

We are tremendously proud of all students for their hard work and dedication during the first grading period. Your wonderful effort in the classroom, your participation, and commitment to learning have set the foundation for the rest of the school year. Resolve to maintain your efforts.

Remember that our department offers help through the **Homework Heroes** program! Homework Heroes is held Monday through Thursday from 2:00pm-5:30pm. Completing your assignments on time not only helps you maintain progress but also gives you the chance to do even better than before. Keep diligently striving for excellence in both academics and character. Our department is here to support you as we move into the next grading period.

Keep up the wonderful work and make each day a successful day.

Higher Education Scholarship: Continue your journey or start a new one!

The Pueblo of Isleta Higher Education Scholarship is here to support your journey! Whether you're pursuing a certificate, associate, bachelor's, master's, or doctoral degree. For more information, reach out to the Department of Education.

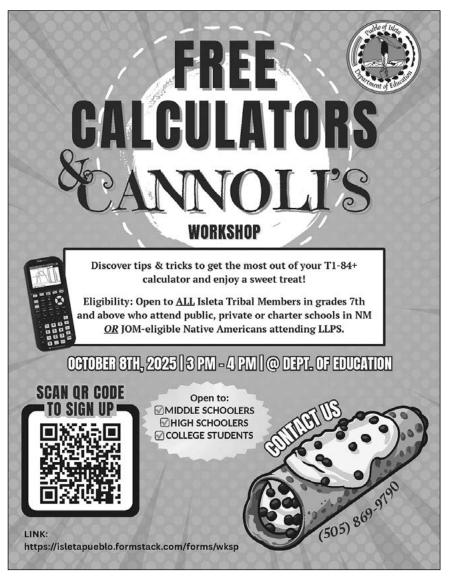

Family Night:

We would like to thank everyone who joined us for our 2025 Family Night hosted by the Department of Education! It was such a joy to see so many wonderful families come together to enjoy an evening of scientific fun, root beer floats provided by the Truancy Department, and delicious pizza. A special thank you goes to the vendors – the National Museum of Nuclear Science & History, 988 NM Crisis Support, and Indigenous Leaders of North America – for bringing engaging activities and valuable opportunities to the Isleta Community. We truly enjoyed spending this time with you all and look forward to seeing everyone at our next Family Night!

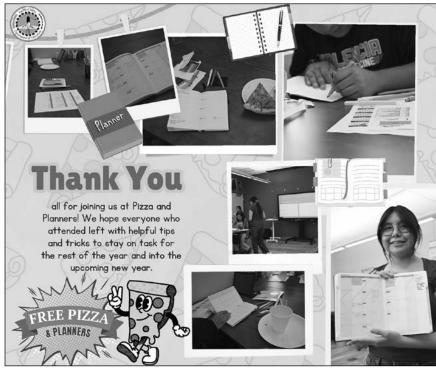

Free Calculators & Cannoli's:

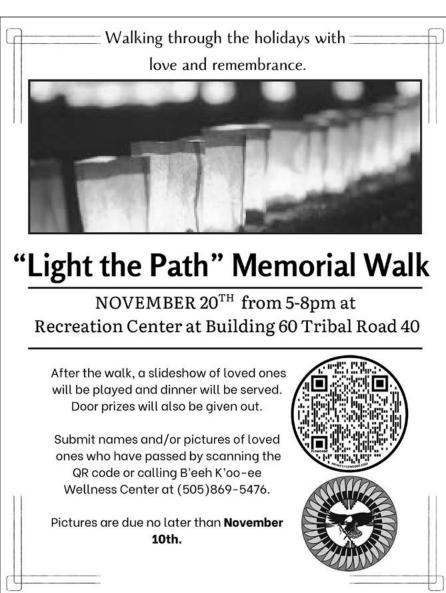

Level up your math game and your snack game! Join us for a fun and informative workshop where you'll get your very own TI-84+ calculator, learn tips & shortcuts, and enjoy a FREE cannoli treat! Wednesday, October 8, 2025, 3:00 – 4:00 PM at the Department of Education office. Open to Isleta Tribal members in 7th grade & up attending public, private, or charter schools in NM, or JOMeligible Native American students attending LLPS. Sign up today! Open to Middle School, High School, and College Students! Scan the QR code or copy the link to register.

Pizza & Planners:

Thank you all for joining us at Pizza and Planners! It was wonderful to see so many of you come together to share a meal, connect, and prepare for a successful school year. We hope everyone walked away with helpful tips and tricks to stay organized, focused, and on task—not only for the remainder of this year, but also as we move into the upcoming new year. Your participation and enthusiasm made the event a success, and we look forward to continuing to support your growth and success in the months ahead.

Attention: Pueblo of Isleta Community

Public Works has implanted a new work order system for community work orders. Community members can submit a work order the following ways:

1. Below is a QR Code you can scan with a smart device

- 2. You can access the link on the Pueblo of Isleta Website
- 3. Calling Public Works Office at 505-869-5170

Please provide as much information as possible about the work order being placed. We will need the following information:

- · What is the issue?
- Location (Complete Address)
- · Contact Name & Number
- · Attached pictures, if any

NOTE: Please one work order per submittal! Our new system will not generate multiple work orders in one submission.

Not providing all detail information on your work order may cause a delay!

We understand that not everyone has access to a smart device or computer to submit a work order, calling into Public Works Office at 505-869-5170 is still available.

Principal Message

Dear Isleta Learning Community,

It's been a great start of the school year! We loved seeing everyone who attended the Open House on Aug. 20, and we had parents/guardians sign up to attend upcoming Parent Teacher Organization Meetings. Our first meeting is scheduled for October 8 from 5:30 to 7:00 p.m. Parents/guardians, a survey link will be sent to you via the Remind App; the information we receive will be used as data for our school's accreditation review.

We also took in the sights and excitement of the New Mexico State Fair on Sept. 5, where we visited the exhibits and shows and were able to eat our lunch in the pavilion while listening to live music. It was special and memorable trip for us all.

Other classes are now in operation like Tiwa language classes and our Friday music classes. An afterschool sports program has been available for students as well, Monday to Thursday from $3:15-4:15\ p.m.$

A project we have is to re-open our school library. We are working on updating our book collection and preparing the library management system for book check outs. Our teachers enjoyed a training on library book organization.

It continues to be a pleasure working with the students, families, and staff of IES.

Warmest regards,

Dr. Tamara Allison

Ms. Tolino's Kindergarten/1st Grade

I hope this message finds you well.

I wanted to express my gratitude for your support as our class has been busy doing various activities these last few weeks. We all went to the New Mexico State Fair and saw lots of interesting things; our students had a fun time.

I can't believe the first quarter will end soon on October 10th. Both groups continue to work on refining their skills in phonics, sight words and writing. Along with 1st Grade, they are working on counting to 120 by 1s and 10s and soon, counting by 5s. Both First grade and kindergarten are learning different ways to do addition.

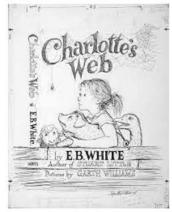

Hello,

This year Isleta Elementary is really putting an emphasis on reading school wide, with our nightly reading logs and awards. In addition to that, our second graders are learning about first book we read was Charlotte's Web. The class quickly fell in love with all the characters and the beautiful story of friendship. We read one chapter a day and when we finished the book, we celebrated with a class Pajama Party, watched the 1973 classic cartoon and had lots of popcorn, juice and pickles, that were donated by a wonderful parent! ● In addition to reading the book and watching the movie, we are working on several reading activities, learning about adjectives, and comparing and contrasting.

I'm so excited and proud of my students and their interest in these timeless stories. Charlotte's Web really captivated their attention and developed many great conversations. We just started the book, James and the Giant Peach. Students have been making very insightful predictions. We cannot wait to see where this book takes us!

CLASS NEWS

Third grade is off to a fabulous start. We have picked up where we left off in May and started our new school year with excitement and rigor. We're so fortunate to have already established a wonderful learning community and excited to see where this year will lead us. We are focused on strengthening our understanding in Math, ELA and leadership. We have no doubt that this 3rd grade year will be one to remember.

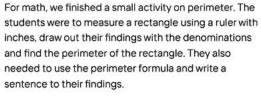

This school year the fourth and fifth grade classes are combined. We are working on different standards, and the students are doing very well. For fourth and fifth grade we have been working on central message and main idea. The students created posters as a reinforcement activity to show how to find the central message in a story and give three details by citing evidence. The students also are building better vocabulary by doing an activity called a "Vocabulary Pizza." They are to choose four vocabulary words to the weekly story, write definition and then a sentence to the vocabulary word. This has been a good activity for them to build vocabulary.

6th grade is working on the theme "Great Stories". We are talking about how stories are made and what makes a great story using characters, setting, and plots. Our project for our class is making a movie poster and a summary of their movie. They are excited about the project and will be posted in our hallway for student votes.

In math, we are working on Fraction Division. We are using a variety of materials to show division and fractions. We have been preparing by learning about Lowest Common Multiples, Greatest Common Factor, Integers and Rational Numbers.

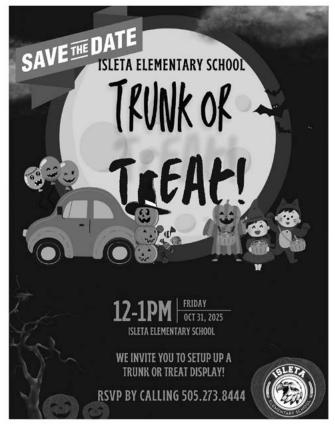

We are learning about Geography during Social Studies. We have been talking about the importance of rivers in the US and other parts of the world. Our connection to the Rio Grande river was a big topic, which the students are connected to.

Thank you for considering this important opportunity. Your involvement makes a real difference!

Here's to hard work and dedication. Last year they were the winners of the New Mexico State Fair Green Chile Cheeseburger Challenge.

This year they outdid themselves by not only winning "People's Choice" but bringing home this year's trophy for the "Blind Judging".

Kudos to Isabel and Isleta Grill Crew for putting Isleta Pueblo on the map. Make sure to come out to support this local eatery, you won't be disappointed.

October is here, and with it comes the cool, crisp air of fall in New Mexico. The days are shorter, the evenings are cooler, and the excitement of the Halloween season is upon us. From pumpkins and Halloween and preparing for the upcoming holidays, this month will be gone before we know it. Step onto the library this October and join us for a month full of fall fun for all ages!

News

A staff meeting will be scheduled sometime during the first week of October. We will be planning upcoming programs for children, teens, and adults. The library will remain open during this time so don't hesitate to come on in and check out any library material.

The library staff will be participating in this year's Halloween Carnival hosted by the Rec. The library is brewing up something special, so make sure and stop by our Halloween Booth if you dare. This year's Halloween Carnival will be on Friday, October 24th from 5pm to 8pm at the new rec.

We will be closing at 4:30pm on Friday, October 31st. We would like to wish everyone a safe and Happy Halloween. Please be aware of your surroundings while driving and walking with your family.

Join us for Family Story Time here at the library every Thursday starting at 11:00am, no sign ups required so just come on in and stay for the fun! Library Staff member Abbey will read a story and engage toddlers and families in an activity or craft. This program gives parents and caregivers the opportunity to introduce reading to their child(ren). If you have any questions, please give Abbey a call at the library at 505-869-9808 or by email at Abbey. Whitaker@isletapueblo.com.

Upcoming

In collaboration of B'eeh K'oo-ee Wellness center and the library in honor of National Suicide Prevention Month a 2025 988 T-Shirt Design Contest is being held through the month of September/October. Submit your design to a member of B'eeh K'oo-ee or a member of the library staff. Winner(s) will have their design showcased. Participants must be ages 10 -17 years old, must have parents' approval and the design needs to be tied to 988. Submission deadline is Monday, October 6th. For any questions, please feel free to call the library at 505-869-9808.

Guess How Many? Stop by the library and take a guess at how many candy corn are in the jar! The person who guesses the closest without going over will win a Goody Basket! Contest runs from October 3rd – October 29th with one guess per person. Come test your candy-counting skills here at the library.

Join us on Tuesday, October 14th for our Pumpkin Carving Family Program! Bring your creativity and we'll provide the pumpkins and carving supplies, everything you need to create your spooky masterpiece. This program is open to 5 families and up to 3 pumpkins per family. Sign-ups start October 3rd, to sign-up you can come in or give us a call at 505-869-9808. For more information about this program, please contact Astrid by phone or email at Astrid. Quintana@isletapueblo.com.

Halloween Family Night at the Library! Join us for a spooktacular evening of family fun on Thursday, October 16th hosted by library staff member Abbey. Families are invited to get crafty and celebrate the Halloween season with us. We'll be making festive Pine Cone Spiders and Pine Cone Bats, perfect decorations to take home! This program is open to 4 families with a max limit of 3 per family. All supplies will be provided, and sign-ups start Tuesday, October 2nd. For more information about this program, please contact Abbey at 505-869-9808 or email at Abbey. Whitaker@isletapueblo.com.

Spooky Sips at the Library! Join us for a fun and festive Halloween Mocktail Night on Thursday, October 23rd at 5:00 pm. Enjoy some mocktail creations and a chillingly good time with fellow adults. Come sip, laugh, and celebrate the Halloween season, library style!

The library will be planning programs for children, teens and adults in the upcoming weeks and months. Please keep your eyes and ears open. We are excited to share our knowledge with you. You can always check for up-to-the-minute updates on the library's website, mobile app, social media, Isleta Newsletter, and library flyers throughout the community. All our programs are FREE and open to the community and public.

Recap

On September 9th, families gathered at the library for a fun and creative Poke Poke Art Night hosted by library staff member Abbey Whitaker! Children and parents worked side by side, using colorful tools and materials to create Zoo Animal poke poke art pieces. Thank you to all the families who joined us and made the evening so special. We love seeing our community come together to enjoy art, learning, and creativity at the library.

On September 25th library staff member Aarika Jiron hosted an engaging pottery demonstration presented by Pueblo artist Clarence Cruz from Ohkay Owingeh. Attendees had the unique opportunity to watch Clarence demonstrate traditional Pueblo pottery techniques, learn about the cultural significance behind each piece, and gain insight into the artistry and skill required to bring these creations to life. This event was a wonderful success, drawing community members into the library, showing appreciation for Pueblo art and culture. The library would like to thank Clarence Cruz and the School for Advance Research in making this program possible.

The After School Program is in full swing this October! We're keeping our students engaged with fun and creative Fall Crafts to celebrate the season. As we move closer to the holidays, we'll also be introducing activities and projects that tie into the upcoming holiday season. Our students continue to work hard on their daily reading time and homework. To encourage and reward their dedication, students attended their first incentive field trip of the school year on September 18th to Urban Air and enjoyed pizza after. We look forward to another month filled with reading, learning, creativity, and fun!

ISLETA POLICE DEPARTMENT NEWS

OCTOBER - 2025

We begin the fourth and final quarter of the year and one has to wonder where the time went. October brings about many activities where there are gatherings and many events.

Safety and preparedness will make for a successful and fun time for all participants.

ALBUQUERQUE EVENTS:

The major event of the year for Albuquerque, is, of course "Balloon Fiesta" which takes place October 4 through October 12, 2025. If traveling to the fiesta or just on the main thoroughfares of the city, please be an alert and conscientious driver. This event brings in thousands of visitors, some who may have been to the city before for this event, and first time newcomers. Be aware of "chase crews" maneuvering through the roadways to stay within close proximity of the balloon/ pilot they are "chasing". Be alert, stay calm and just resign yourselves to traffic slow downs, perhaps some fender benders, tempers igniting, etc. Driving challenges will be evident and if any of you plan on attending or driving in that area, please be cautious, alert, patient and prepared to take measures to avert mishaps.

NEIGHBORHOOD EVENTS:

Goblins and ghosts will soon be out canvassing neighborhoods for "treats" and we ask all drivers to be patient, courteous and alert. Consider walking with your little "trick or treaters" rather than driving – devise a plan to travel in groups with meeting points along the way. The youngsters will be excited and normally not paying attention to traffic so drivers "keep your entire time and attention to your driving and do not allow distractions (answering telephones/texting etc.) distract you. Let's all strive to keep everyone during this season safe and out of harm's way.

IHSP TRAFFIC UNIT:

As usual, this unit will be out for traffic violations to include speeding, seatbelt, DWI and any other traffic violations that can contribute to unsafe travel upon the roadways of the Pueblo. A reminder to

all, though temperatures may be cooling off slightly, the interior temperatures in a vehicle can rise quickly and become too hot for a person or pet to be left in the vehicle, so do not be fooled if it is a balmy 80 degrees outside. Always check your vehicle before leaving each and every time. There have been too many incidents resulting in serious injury or death to a child and pets left in vehicles.

Drinking and driving is still problematic as many feel they are okay to drive, but remember "Driving Buzzed is Driving Drunk". Anything that impairs a person's ability to safely operate a motor vehicle will have consequences, so make the right choice and get a designated driver. The Traffic Unit will be conducting random checkpoints through the end of 2025, don't become a DWI statistic.

The unit is preparing to order new carseats with the new grant funding and ask all who believe they may be in need of one to contact the Police Department. Until new carseats are obtained, carseat checks will continue and if anyone has questions or doubts of the proper installation of a carseat, contact Gertrude Lujan to make an appointment.

TIPS & REMINDERS:

Please dispose of any carseat which may have been in a vehicle involved in a crash, avoid purchasing a carseat at a garage sale and check the expiration date (yes, carseats do expire) for the seat. Knowing the history of the seat is imperative to ensuring it is not defective and in good order.

If you encounter a reckless or suspicious driver, please contact the Police Department and report it. Impaired driving, road rage, medical emergencies can attribute to the nature of the person driving and we are here to ensure the roadways are safe for all to travel.

HALLOWEEN CARNIVAL

The carnival is just around the corner and IPD will be in attendance so please come by and see us, play games, win prizes and just get to know the officers and staff. A fun time will be had by all!

TRICK OR TREAT!!

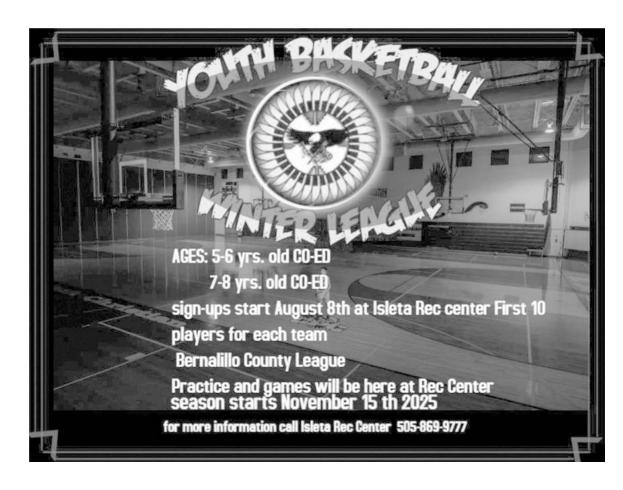

CONGRATULATIONS!

Congratulations to our newest statecertified dispatcher, Leigh Anne Perdomo.

Hi, my name is Leigh Anne. I joined the Isleta Police Department in May of this year after working as an EMT with Albuquerque Ambulance. I attended the academy on August 11th and proudly graduated on August 26th.

I'm excited to add this accomplishment to my career and to continue growing with the Isleta Police Department.

Park and Rec Sports Desk

Welcome back to the sports desk. We have been pretty busy with the start of our Cross Country season. At the Santa Clara meet, our kids did pretty good for their first meet. Ivy Rose Sandoval, Aubery Townsend and Leliani Jiron both placed 2nd place, and Miles Abeita placed 3rd in their respective age groups.

The second XC meet was at Zia Pueblo which was a very fast course. Everyone on the team beat their times from Santa Clara meet, which was very outstanding for our kids. Ivy Rose Sandoval, 10 yr old, and her brother Daniel Jaramillo in the 5yr old division, came in 1st place.

Next up we will be headed to San Felipe Pueblo on Saturday, September 20th. Race starts at 9am. Come out and support our kids. We will be hosting the Cross-Country finals at Big Mama on October 4th. Race starts at 9am. So come out and support our Cross Country Team.

The Pueblo Harvest starts up on September 22nd through October 22nd, run/walk no treadmills, or elliptical. If you haven't signed up call the Rec center to get information.

The Pueblo youth basketball league will start up in January so we would like to start getting kids signed-up. We will be looking for kids 3rd -4th grade girls and boys and 5th -6th grade girls and boys. If you are interested, please call the Rec to get more information signing off on the sports desk

Transit Services Now Serving the Pueblo of Isleta

The Pueblo of Isleta and the Rio **Metro Regional Transit District Working Together**

Bus Route 208 (No Fares until further notice!)

Bus Route 208 connects the Pueblo of Isleta and Valencia County communities to the Alvarado Transportation Center (ATC) in Downtown Albuquerque during the morning/midday when the Rail Runner does not operate. Route 208 features three northbound trips arriving at the ATC at 9:30am, 11:00am and 1:30pm, and three southbound trips departing the ATC at 9:35am, 11:05am and 1:32pm. At the ATC, riders can transfer to ABQ RIDE bus routes.

Route 208 serves two bus stops on the Pueblo of Isleta. The stop closest to the village proper is located on NM 147 just east of the Rio Grande Bridge. Please do not park and leave vehicles unattended on the adjoining roads near this stop, as the bus and other vehicles use these roads to turnaround and access other locations. Route 208 also stops at the Isleta Pueblo Rail Runner Station, where riders can transfer to the Isleta Resort and Casino shuttle. Because the bus serves the station, riders can also consider using Route 208 in combination with the Rail Runner, for example, taking the bus to Downtown Albuquerque in the mid-morning and returning by train in the evening.

Please see route flyer that includes map, times of Bus Route 208. (No Fares until further notice!)

Pueblo of Isleta Dial-a-Ride (No Fares until further notice!)

The Pueblo of Isleta Dial-a-Ride operates Monday through Friday from 8:15am to 2:45pm, providing trips within the Pueblo and to the ABQ RIDE Route 53 bus stop on NM 314. Service to places like Smiths, Albertsons and Wal-Mart in Los Lunas is also provided with requests made before noon at least one business day prior to your trip.

Request your Dial-a-Ride trip by calling Valencia County dispatch at (505) 352-3595 before noon at least one business day prior to your trip. Requests are accepted between 5:00am and 3:00pm Monday thru Friday. On the date and time of your trip, a wheelchair accessible van will arrive within 15 minutes of your scheduled pickup time. Trips may also be grouped together; riders should expect to travel with others.

For more information about both services, including a copy of the Route 208 schedule, visit riometro. org and select "Schedules" > "Bus" > "Pueblo of Isleta" from the grey bar near the top of the website. Schedules for Route 208 are also available at the Public Services Department Office at the Tribal Services Complex.

For publication in the July 2023 issue of the Isleta Pueblo News.

About Route 208

Bus route 208 provides three northbound and three southbound trips morning/midday between Valencia County, the Pueblo of Isleta, and Downtown Albuquerque when the Rail Runner does not operate. Riders are encouraged to use Route 208 in combination with the Rail Runner, for example, by taking the bus to Downtown Albuquerque midday and returning by train in the evening. Weekdays only.

ADA Accessible

All of our buses and trains are ADA compliant and are equipped with wheelchair lifts or ramps.
