## Governor's Report

Maguwam,

We hope this newsletter finds our community in good health and spirits. We would like to welcome back staff and students for this upcoming school year. As a reminder we ask everyone to be cautious during this time with bus stops and construction around the reservation. Parent and students, we wish you all a safe and blessed school year.

If you have any gently used items to donate, such as appliances, bedding, or clothing for both children and adults, we would greatly appreciate your support. Donation stations will be set up at the Tribal Complex, Recreation Center, and the Governor's Office. We are collecting these donations to assist our sister tribe, Zuni Pueblo. Thank you for your generosity and support.

As we continue to celebrate in honor of St. Augustine, Isleta's Patron Saint, the Mayordomos would like to extend this invite to join them for Vespers Mass on September 3rd at 7pm with procession, traditional dances, food, and a live band. The feast day to continue on September 4th with Mass at 9am, procession, traditional dances and food. We would like to recognize and thank our Mayordomo's for hosting this feast day:

### Mayordomos

**September 3rd: Brian Jiron**

**September 4th: Don E. Jaramillo**

Last, we want to send condolences to the families of those who have lost their family members during the month of August.

Governor

## Medicare Plan Changes Ahead —What Presbyterian Advantage Members Need to Know

If you are currently enrolled in a Presbyterian Advantage Medicare plan, there may be important changes coming for 2027. Current information indicates that Presbyterian Advantage plans may no longer be available after December 31, 2026. As a result, many members may need to select a new Medicare Advantage plan or explore other coverage options during the upcoming enrollment period.

While change can feel overwhelming, there are several Medicare plans available that may provide benefits that fit your healthcare needs. Reviewing your options early can help ensure you maintain the coverage and access to care that are important to you. Our team is here to help.

We encourage all Presbyterian Advantage members to contact Medical Records and schedule an appointment to meet with one of our knowledgeable representatives. During your visit, we can discuss available plan options, explain benefits, answer questions about coverage, and help you understand what steps may be needed for a smooth transition.

### We're Here to Help

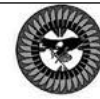

- Review your current coverage
- Discuss available Medicare Advantage plan options
- Answer most insurance-related questions on site
- Help you prepare for upcoming enrollment periods

Don't wait until the last minute to explore your options. Schedule an appointment today and let us help you make an informed decision about your healthcare coverage for 2027 and beyond.

For more information or to schedule an appointment, please contact Medical Records at 505-869-3200 when prompted Press 7.

Your health and peace of mind remain our priority.

### HOW MUCH WATER ARE YOU USING AT YOUR HOME THIS SUMMER?

The Pueblo of Isleta has four water systems. The Barren Mountain water system is leased to the US Geological Service (USGS) and is located close to the Manzano Mountains.

The Eastside water system extends from I-25 exit 215 to Bosque Farms, along the East side of the Rio Grande river. In the month of July, 2026, a total of 12,311,750 gallons of water was produced by the two wells serving the system. Of that, 7,074,301 gallons were utilized on the lower zone of the system, which is from NM Highway 147 and TR 12, to the Bosque Farms limits. 17,686 gallons on average were used at each water service connection within the lower zone during the month of July.

The Los Charcos water system produced 181,108 gallons in July, 2026. On average, a total of 6,037 gallons was used during the month of July at each water service connection in Los Charcos.

The Shea Whiff water system encompasses the areas on the West side of the Rio Grande river, from NM Hwy 314 and NM Hwy 45, South to Moonlight Drive and the new Recreation Center on TR 40. Three wells produced a total of 14,446,900 gallons during the month of July, 2026. That is an average of 10,903 gallons used at each water service connection for the month of July.

To provide water to each residence or business, there are expenses involved. Electrical, natural gas, chemical costs, employees, vehicles, and fuel are just some of the expenses. There are also costs for repair work, pumps/motors and maintenance of the water mains and related equipment, such as fire and flush hydrants, pressure reducing valves, isolation valves and air relief valves.

There are 5 water storage tanks on the Eastside water system, 1 water storage tank in Los Charcos and 4 water storage tanks on the Shea Whiff water system. There is a new elevated water storage tank in the Los Padillas area that is not yet in service. Once it goes into service the old aluminum/silver water storage tank on NM 317 will be taken off-line.

There is a lot of work involved in providing a safe, healthy and potable drinking water to each resident. Routine sampling occurs every month to ensure the water is safe to drink. Please do your part to conserve as much of our precious resource as possible. It's been a very hot summer with very little moisture. Everyone needs to do their part to help save water.

If you have any questions or comments, please call Public Works main office at 505-869-5170.

LETTER FROM THE EDITOR

**DEADLINE for October Newsletter articles is set for Tuesday, September 15, 2026, at 4:30 pm.** Articles may be dropped off at the Library or emailed to Nathaniel.Lujan@isletapueblo.com. Should you email your article, expect a confirmation email. If you do not receive a confirmation email, odds are it never made it to me and then it's time to panic, so call Nate at 505.869.9808.

People who wish to submit an article or flyer are responsible for generating their own article or flyer. Should you need help, please call the Library at 505.869.9808 and set up a date and time to sit down with a Library staff member who will help you throughout the process. The Library will NOT accept notes dropped off at the Library or information over the phone to generate your article.

**PROBATES** need to be published in the Newsletter for two consecutive months. Probates are considered court documents, therefore, all submitters must provide: 1) Name of Deceased, 2) Date of Deceased 3) Court Case #, and 4) Date of Court Date. A Probate form can be found on the Newsletter Archive page at <http://www.isletapueblo.com/newsletters.html>.

**CLASSIFIED ADS:** The new administration has requested that the Newsletter start a Classified Ad section for Tribal members selling land, houses, mobile homes, vehicles, and farm equipment. Leasing of houses and mobile homes will be accepted. Smaller items that can be sold at the local flea markets or weekly yard sales will NOT be accepted.

Currently, this service is FREE to Tribal members. Land, houses, and mobile homes must be within the reservation boundaries. Ads must meet the 160-character limit. Ads that exceed the 160-characters will NOT be submitted to the Newsletter. A single picture may be submitted with the ad. Submitters of classified ads are responsible for generating their ads as this is a FREE service.

As a reminder, Tribal business owners may submit a small flyer at no charge. Like the classified ads, business owners are responsible for generating their flyers as this is a FREE service.

Classified ads and business flyers will be posted no more than two consecutive months. In the event that the Newsletter may exceed the 24-page limit, classified ads and business flyers will be “bumped” for newsletter articles. Again, this is a FREE service for Tribal members.

The Isleta Newsletter is owned and operated by the Pueblo of Isleta. Therefore, the Governor of the Pueblo of Isleta has the final say in all articles and contents within the Isleta Newsletter.  
For additional questions, you may call the Library and speak with Nate or Diane at 505.869.9808.

Thank you,  
Nathaniel Lujan

USE CLEAR BAGS ONLY

IF YOU BAG RECYCLABLES  
DO NOT USE BLACK OR WHITE BAGS

Keep it simple, if you do not see it on this flier throw it away in the trash. Do not use your blue recycle cart for trash or it will be confiscated. Have your cart out by 7am. For service schedule announcements check the POI newsletter & POI Facebook. (505) 869-4106

Your recyclables do not need to be bagged, however it is highly recommended to bag your recyclables for curbside pickup during windy season. This is to reduce the chance of creating litter due to winds. If you choose to bag your recyclables it is important to use clear bags only. Colored bags are not accepted at the recycling facility. When your recyclables are bagged in colored bags they are not opened up and your material is landfilled instead of recycled. Using clear bags helps to ensure the health and safety of the line workers who come in contact with the material when sorting at the recycle facility. Using colored bags will result in your recycles not being collected. This is important to sustain the recycle program moving forward. Your understanding and cooperation is greatly appreciated.

EXCITING NEWS: OUR SCHOOL IS INCORPORATING SCRATCH COOKING!

We are pleased to announce that our school will be introducing scratch cooking into our meal program. This means that our cafeteria staff will be preparing nutritious meals from fresh ingredients, right here on site. By moving away from processed foods, we aim to provide healthier options that support the well-being and development of our students. We believe that scratch cooking will enhance the quality and taste of our meals, and we are excited to share this improvement with our school community. Thank you for your continued support as we make positive changes for our students!

TRUANCY

Fall is in the air and the weather is becoming crispy and relaxing especially after a long hot summer. As we enter into the month of September, we look forward to the changes in the environment with the leaves changing color, the smell of green chili roasting, and the feeling of the fresh, crisp air as well as the many outdoor activities that we can engage in with our families.

We were invited to open house at the Isleta Elementary School to meet with families and some of their staff. Overall, all attendees enjoyed their visits and getting acquainted with their new teachers. Unfortunately, we were unable to attend open house at some of the Los Lunas Public Schools, but we look forward to attending their upcoming events.

The Truancy Department also enjoyed engaging with community members at National Night Out. We sponsored a cake walk and shared delicious cupcakes; we can say that everyone was happy with their delicious treats. A HUGE thank you to the Isleta Police Department for a night filled with fun, games and laughter.

The Truancy Department continues working with both Los Lunas and Albuquerque Public Schools to ensure that our students are successful with their educational endeavors. Along with encouraging student success, we continue to educate students and their families on the POI Law and Order code as it pertains to school attendance. It states as follows:

**PUEBLO OF ISLETA LAW AND ORDER CODE: 31-04-04 School Attendance**

Every Indian child from age five (5) until eighteen (18) years of age who are enrolled members or eligible for membership with Isleta or residing within the Pueblo of Isleta shall attend a public or tribal school full-time when school is in session.

We also continue to follow the department’s **Steps of Enforcement** to encourage positive daily school attendance. These steps are as follows:

**Third Absence (3rd)**

Upon determining that a child has three (3) unexcused absences, parent will be notified; first notification letter will be sent to the address on file. Truancy Coordinator shall inform parent/guardian of the potential consequences of any additional unexcused absences.

**Sixth Absence (6th)**

Upon determining that a child has six (6) unexcused absences, parent will be notified immediately. Five (5) business days after the child’s parent is contacted, an attendance review conference shall be scheduled and conducted. Child and parent will then enter into an **Attendance Contract**.

**Tenth Absence (10th)**

Upon determining that a child has ten (10) unexcused absences and continues to accumulate unexcused absences, (within a school semester), and/or the parent has not contacted the Truancy Department to schedule an attendance conference, the Truancy Department shall recommend that a Truancy Petition be filed in Tribal Court.

If at anytime you have any questions regarding your child’s attendance, please do not hesitate to contact our office; we look forward to assisting you with any concerns that you may have.

Thank you,  
Isleta Truancy Department

Department of Education

Pre-K to 12th Grade News

Open houses and welcome back occupied the Department of Education. The department visited open houses at Bosque Farms Elementary, Sundance Elementary, Valencia Middle School, Los Lunas Middle Schools, Valencia High School, Los Lunas High School, Native American Community Academy, and Isleta Elementary. We have been diligently preparing for upcoming events such as the Calculator Workshop (August 19th), Girls Who Code Club, and Tutoring. We are excited to see the return of our Korean cooking class taught by Indigenous Leadership of North America. We hope these events help create a wonderful and solid foundation for this school year.

## ***Dr. Henry Walt – First Isleta Pueblo Tribal Historic Preservation Officer (active 2013-2026)***

Dr. Henry Walt attended the University of New Mexico Anthropology and Art History Departments. His early interests were primarily related to Puebloan rock art, murals and ceramic arts. His 1990 PhD dissertation concerned the diversification and the specific development of ceramic traditions in various Puebloan villages following the 1680 Pueblo Indian Revolt.

Over 20 years Henry Walt completed a series of tribal ethnogeographic and oral history studies for various Pueblo groups, often in conjunction with litigative actions and museum exhibits. These included land claims, water rights litigation and other matters for Picuris Pueblo, the preparation of a Jemez Pueblo Cultural Center Museum exhibit, studies for the Zia Pueblo Los Ojos Land Claim and a related exhibit. Dr. Walt was also involved in the Sandia Pueblo-Mountain Claim, the San Juan Pueblo water rights litigation for both the Santa Cruz and Chama watersheds, and the first phase study for the Jemez Pueblo-Valle Caldera Land Claim. All these investigations involved archaeological surveys, oral history testimonies, and place name inventories and maps. In each of these studies Dr. Walt emphasized the presentation of the tribal voice, and the testimonies of native elders and traditional leaders.

Following this extensive background and expertise in the study of Pueblo tribal matters and land rights, Henry Walt was retained by Isleta Pueblo from 1997-2003 along with other experts under the direction of the Sonosky, Chambers Law Firm that was devoted to representing Native American interests. These investigations were completed for the U.S. Court of Federal Claims (Isleta Pueblo vs. the U.S., Case No. 98-166C) and resulted in the recognition of the ancestral and historic Isleta tribal use area over a large area of southeast New Mexico [40 million acres]. Proof of this was made in the various testimonies of Isleta tribal elders (the Isleta Pueblo Cultural Committee) recorded by Henry Walt. Most of these elders are no longer with us. These Isleta Pueblo elders and leaders recognized that the knowledge they retained, and recorded in the testimonies, should be preserved and respected. Some of these elders included: Joe S. Abeita, Antonio Chewiwi Sr., Juan B. Jiron, Joe E. Zuni, Juan B. Abeita, Juan B. Jaramillo, Frank Abeita, and Ben Lucero.

***Dr. Henry Walt in 1990s at a Southern Tiwa/Piro Rock Art site during the Isleta Land Claims.***

Dr. Walt was retained in 2000, along with consultant M. Marshall, in conjunction with the Isleta Pueblo Cultural Committee to complete investigations for the Isleta Pueblo U.S. Government Mismanagement Case. This claim involved various activities conducted by U.S. agencies or permitted by Government agencies on Isleta tribal lands which had adverse impacts on cultural sites, sacred areas, and tribal environments between 1848 and 1946. The claim (Isleta Pueblo vs. U.S. Government, U.S. Court of Federal Claims, Case No 98-1661), was also awarded by the Court to Isleta to fund the remediation of impacted lands and cultural properties linked to the former Government project undertakings.

During the period between 2004 and 2009, Henry Walt and the Isleta Cultural Committee prepared to complete a comprehensive museum exhibit outlying Isleta cultural and traditional history in a collection of historic photographs and other records. The exhibit, entitled "Time Exposures," was completed in 2010 and was a great success. It first opened at the Albuquerque Museum, moved to the Heard Museum in Phoenix, the National Museum of the American Indian in New York, the Fort Lewis University Museum, the University of Texas at El Paso Museum, and at Isleta del Sur Pueblo. After nearly 20 years of national exposure, to great acclaim, the exhibit was returned to Isleta and was housed first at the Isleta Pueblo Casino and now in its own gallery at the Isleta Pueblo Yonan Cultural Center.

During the productive days of the land claims and the exhibit preparations, Henry Walt and Isleta Cultural Committee members traveled to various libraries, archives, and museums. They located various historic Isleta photographs, ethnographic records, and early recordings of Isleta songs and stories. This included several visits to the Southwest Museum in Los Angeles, which houses the Charles Lummis Isleta collections. The committee also visited the American Philosophical Society to inspect various Else Clews Parson's Isleta documents, the Library of Congress in Washington D.C., the National Anthropological Archives, the University of Arizona Archives, the American Folk Art Center, the Huntington Library in Los Angeles and elsewhere. These visits, organized by Henry Walt, were the first attempts by Isleta tribal members to inspect these records and testimonies, some of which are now curated in the Isleta Pueblo archives.

The Isleta Pueblo Department of Cultural and Historic Preservation (DCHP) was established in 2012, and Henry Walt was retained as the first Isleta Pueblo Tribal Historic Preservation Officer (THPO) in 2013. The Department is recognized by the U.S. Department of Historic Preservation as the primary agency to review and authorize compliance activities with respect to the Section 106 Process. Since 2013, all development and construction projects on Isleta tribal lands and within the general area of the ancestral Isleta landscape are reviewed and evaluated by the THPO to determine if they posed threats to Isleta cultural and traditional sites and use areas. Before 2013, this was the responsibility of the Bureau of Indian Affairs. The THPO consults the Isleta cultural and traditional sites database and at times the Cultural Committee to determine potential impacts. Henry Walt helped develop the database with assistance of tribal consultant Michael Marshall and listed locations on the Isleta Reservation as IPS (Isleta Pueblo Sites) and ICR (Isleta Comanche Ranch Sites).

Over the past three decades the Isleta Pueblo Cultural Historic Program has assembled a considerable collection of traditional and historic records. These materials represent one aspect of the legacy that Isleta Pueblo will preserve for future generations. These records provide perspectives and recorded testimonies of many Isleta Pueblo elders that include much information that was passed down in oral accounts, songs, and stories from those tribal members that came before. Many of these testimonies are now on file in the Isleta DCHP archives.

The Cultural and Historic Preservation Department, the Cultural Committee, the Tribal Council, Isleta Pueblo Departments, and various Isleta cultural resource contractors have participated in this effort that represents an impressive contribution to the preservation legacy of ancestral and traditional Isleta Pueblo culture. Historic cultural preservation is more than just a collection of dated documents, but an attempt to keep and retain traditional knowledge and the ancestral substance of a culture and pass it on, before some of this information is lost to future generations.

*Please join the Cultural and Historic Preservation Department in our heartfelt thank you and farewell to Dr. Henry Walt. After 30 years, Dr. Walt is still active in his work, but no longer with the Pueblo of Isleta. Kheur'kim/Ha'wuh to Dr. Walt for the time, dedication, and heart put into the preservation work with Isleta Pueblo. We will miss you dearly!!*

Isleta Pueblo Voters Alliance Is Back!

Your Voice. Your Vote. Our Community.

The Isleta Pueblo Voters Alliance (IPVA) has come back together once again with a shared commitment to encourage, educate, and empower our community to participate in our upcoming 2026 Pueblo Tribal elections.

IPVA is a grassroots, nonpartisan organization. We do not endorse or support any individual candidate. Our purpose is to help create a space where community members can learn about the candidates, understand the issues that impact our Pueblo, ask meaningful questions, and feel confident making their own informed decisions at the polls.

It has been a few years since IPVA last gathered, and we are excited to reconnect with our community and create opportunities for Tribal members to become more informed and engaged in the election process.

We believe voting is more than casting a ballot—it is an opportunity to have a voice in the future of our community.

As we prepare for the upcoming election, IPVA will be sharing voter information, opportunities to hear directly from candidates, community engagement activities, and ways for our younger voters to become involved.

Every voice matters. Every vote matters.  
Our community matters.

We look forward to reconnecting with you and working together to encourage an informed, engaged, and active Isleta Pueblo voting community.

QUE LINDA PROGRAM

What is que linda?

The Que Linda program is a statewide beautification and anti-litter initiative by the New Mexico Department of Transportation (NMDOT) that funds local government clean-up projects.

The Pueblo of Isleta Beautification Program is intended to establish a coordinated, year-round approach to addressing litter, illegal dumping, and roadside debris throughout the Pueblo.

The Que Linda – Keep Isleta Beautiful Program offers a variety of volunteer opportunities to help beautify our Pueblo, from neighborhood cleanups to independent volunteer work, with options to fit any schedule or commitment level.

Join us in making a positive impact on our community.

ISLETA ANIMAL CONTROL

My name is Logan Abeita, tribal member of Isleta Pueblo. I worked in security for almost 5 years. I am grateful to be working with Isleta Animal Control and to serve the community. I enjoy working with animals in all shapes and sizes. The outdoors is where I like to be either hunting or fishing. Most of all, I enjoy spending time with my family.

My name is Anthony Abeita. I am an Isleta Tribal member and have lived in Isleta my entire life. I previously served my community as an Animal Control Officer for about five years and during that time I made countless memories and relationships that I have cherished. I did return after a couple of years to serve my community again, this time as an Animal Cruelty Investigator. I look forward to the new and continued relationships with my community, and I am grateful for this opportunity provided to me.

Officer Vaina Gutierrez “I am excited to join the Pueblo of Isleta Police Department as a Police Officer II. I have over eight years of law enforcement experience in Valencia County New Mexico area and previously served as a Patrol Sergeant. I am passionate about serving the community, building positive relationships, and protecting those who live, work, and visit the Pueblo of Isleta. I look forward to serving with integrity, professionalism, and respect.”

Hello my name is Detective Larry Middleton. I was born and raised in Albuquerque New Mexico. I was part of the first graduating class of Rio Rancho High School. From High School I went into the United States Army where I served for 3 years as an 82nd Airborne Infantryman. After my time with the United States Army, I joined the United States Air Force and served a 4-year term as a Non-Destructive Inspection’s Supervisor. After my term with the United States Air Force, I joined the Albuquerque Police Department. During my time with the Albuquerque Police Department, I spent time as a Patrol Officer, Crime Scene Investigator, Homicide Crime Scene Investigator, Criminal Investigations, Patrol Sergeant, Proactive Response Team Sergeant, and finished my career as a Lieutenant Field Watch Commander. After I retired from the Albuquerque Police Department, I became a Special Agent with the BNSF Railroad Police Department

before moving over to the Pueblo of Isleta Police Department as a Detective with the Criminal Investigations Division.

While at the Albuquerque Police Department I developed the Youth Leadership Program that built the Albuquerque Police Lowrider. This program has been developed into a national organization and is currently founded by the DEA as a Youth Lowrider Bike Program. I have 3 amazing children ranging from the age 21 down to 5 years old. I enjoy mountain biking, camping, boating, and most importantly spending time with my children.

I would like to say thank you all for the opportunity to serve and protect the Pueblo of Isleta. Please reach out to me if there is anything I can help you with.

Hello to all,

This month, Isleta Animal Control Officers would like to discuss the importance of “adequate shelter.”

Per the Isleta Animal Control Ordinance section 3.E Proper Care and Maintenance; “It is the responsibility of the owner to provide adequate shelter, fresh food and water for their animals at all times and a clean-living environment.”

Adequate shelter should be a structurally sound, weatherproof and properly ventilated structure made of non-toxic materials. The shelter should be clean and appropriately sized for the specific animal. It should provide adequate protection from extreme weather and environmental conditions. The animal should have sufficient space to fully lie down and stand naturally in a manner appropriate for its species. There should not be any gaps in the walls or roof that would allow heat to escape, or wind, rain or snow to come in.

A house made of wood is preferred. There are also great igloo dog houses that come in a variety of sizes. These dog houses are made from a non-toxic high-quality plastic or resin and a lot of models come pre insulated and every model is easy to clean. Please know the wire prop up kennels are not considered shelter, they are for indoor use and/or for transportation methods only. Even these wrapped in tarps or sheets will not truly provide adequate for your animals.

The summer months are coming to an end, but the days are still hot. Heat stroke is still prevalent. Should anyone have any question or concerns about adequate shelter, please do not hesitate to contact our office. We would be more than happy to assist you.

PARKS AND RECREATION

Isleta Parks and Recreation is hoping back to school has been smooth for you all! As fall approaches and temperatures drop, now is a great time to do a little outdoor walking and exercise at the same time! We would like to invite everyone to the New Recreation center to try out our new sheltered exercise equipment around the soccer field and at the adjacent baseball fields.

For the past few months, the Parks Crew and the Summer Weed and Litter crew have been working tirelessly constructing 5 structures, and assembling and installing the outdoor exercise equipment. This project was made possible by the NMEDD Trail and Renovation Grant. We are excited for the opportunity this provides for more outdoor recreation, and look forward to seeing you all out there, Enjoy!

Both Pickle Heights and the Main Rec center will continue our regular hours from this summer. Main Rec 5:00am-8:00pm Mon-Thurs and 5:00am-6:00pm Fridays, Pickle Heights 4:00am-7:00pm Mon-Thurs and 4:00am-6:00pm Fridays. We'd like to welcome anyone interested in taking step toward their fitness goals to come visit us! We are also happy to have our After School Program in full swing! We may still have slots available so if anyone has any questions or is interested in signing their child up for the After School Program, please Contact Leanne Zuni at 505-869-9787.

In addition, our Sports Program had started Cross Country Season! Their First meet will be September 5th in Santa Clara, let's wish our runners and coaches the best of luck and we are sure they will have a great start to a safe and fun season! For any questions or information about our sports programs, please contact Coach Waquie at 505-869-9777

Isleta Fitness is excited to now offer 5 new outdoor workout stations along the track at the Recreation Center! Thanks again to the Parks Crew along with the Summer Weed and Litter Crew for all of their hard work! The new equipment is shaded, easy to access, and available for everyone to use. Whether you're walking the track, looking to add some strength training to your routine, or just want to try something new, these stations are a great way to get moving and stay active.

The stations can be used to work on strength, balance, mobility, and overall movement. Use one station or make your way through all five and create your own outdoor workout! Great for all fitness levels! Whether you're just getting started or already active, you can use the equipment at your own pace and level.

No gym membership required—just come by and give it a try! We're excited to add this new equipment

to our Fitness area and create more opportunities for our community, staff, and departments to stay active.

Looking for a little extra support with your fitness goals? Jocelyn, Bobby, and Raylen offer one on one personal training here at the Recreation Center and are here to help you whether you are just getting started or looking to take your workouts to the next level.

Once again, don't forget about the classes (Yoga, Water Aerobics, Pilates, etc.) that we offer. For detailed information about all the fitness classes that are offered here at the Recreation Center, please contact us at (505) 869-9777 Ext: 9012. We would love to hear from you. Thank you and we look forward to everyone participating and having fun.

Isleta Aquatics is looking for candidates who are interested in becoming a lifeguard! We offer a flexible schedule, and competitive pay. Current lifeguard certification is preferred but not necessary as we provide all training and certifications here on site. Isleta Aquatics would also like to welcome everyone to come out and swim! Open Swim will be open from 2:00pm until 7:30pm from Monday through Thursday and 2:00pm-5:30pm on Fridays. The pool will close on Tuesdays and Thursdays from 4:30pm-5:30pm for swim lessons. Morning Lap swim is also available from 5:30am-8:30am M-F as well as 11:00am-12:00pm MWF and 12:00pm-1:00pm Tues and Thurs. We also offer Water Aerobics Mondays and Wednesdays at 11:00am as well as 5:30pm, all ages and fitness levels are welcome! Our next swim lesson session will begin in April. Lessons will be Tuesdays and Thursdays from 4:30pm-5:30pm and we are still currently taking registrations for the July Session. Registration forms are available at the Recreation Center front desk or email [Joshua.roybal@isletapueblo.com](mailto:Joshua.roybal@isletapueblo.com) and we can send you over a printable version to fill out at home. Registration forms can be turned into the Aquatics Office or the Front Desk here at the Recreation Center. For anyone interested in information about Lifeguard certification, child or adult swim lessons, groups and other aquatic programming please call Josh or Jessika at 505-869-9783.

For more information about any of our programs or facilities please contact us at 505-869-9777

## Isleta Public Library

As summer turns into fall, you can begin to feel the change in the air with crisp mornings followed by warm, sunny afternoons. The aroma of roasting green Chile signals one of New Mexico’s favorite seasons, while Pueblo Feast Days bring family, tradition, and community together. It’s also time for the State Fair, with its parades, food, rides, livestock and exhibits that make this time of year so special. As we welcome September, the library is excited to offer a variety of programs, resources, and activities for all ages. We invite you to come in and enjoy all the things that the library has to offer.

### News

A staff meeting will be scheduled sometime during the first week of September. We will be planning upcoming programs for children, teens, and adults. The library will remain open during this time, so don’t hesitate to come on in and check out any library material.

#### Library Closures:

The library will be closed on Friday, September 4th in observance of St. Augustino Feast Day. Wishing everyone a joyful and meaningful Feast Day! May your day be filled with tradition, good food, community and blessings.

The library will be closed on Saturday, September 5th and Monday, September 7th in observance of the Labor Day Holiday. We wish everyone a safe and relaxing holiday. Normal business hours will resume Tuesday, September 8th.

The library will be closed on Friday, August 28th in observance of St. Augustine Feast. All media checked out on Wednesday, August 26th will be due on Monday, August 31st. We hope everyone has a wonderful feast day. Normal business hours will resume Monday.

School is back in session which means students are everywhere. With that said, the library would like to remind you all to PLEASE be aware of flashing school zone lights and obey posted speed limits as we have students walking, riding bikes, and so on. Parents and caregivers picking up students from the library parking lot, please be cautious during this time as the library is a bus drop off/pick up point for many students. We also ask that you do not block the handicap parking spots dropping/picking up your students. Thank you for understanding. The Head Start Story Time will also be starting soon so that means teachers and students will be walking to the library, so keep a look out for them as well.

Join us for Family Story Time here at the library every Thursday starting at 9:00 am to 9:30 am, no sign ups required so just come on in and stay for the fun! Library Staff member Rebecca will read a story and engage toddlers and families in an activity or craft. This program gives parents and caregivers the opportunity to introduce reading to their child(ren). If you have any questions, please give Rebecca a call at the library at 505- 869-9808 or by email at [Rebecca.Farwell@isletapueblo.com](mailto:Rebecca.Farwell@isletapueblo.com).

### Upcoming

The library will be planning programs for children, teens and adults in the upcoming weeks and months. Please keep your eyes and ears open. We are excited to share our knowledge with you. You can always check for up-to-the-minute updates on the library’s website, social media, Isleta Newsletter, and library flyers throughout the community. All our programs are FREE and open to the community and public.

### Recap

The library was proud to participate in this year's National Night Out alongside the Isleta Police Department and many other community partners. It was a wonderful evening filled with family fun, community engagement, and opportunities to connect with local organizations. Library staff hosted an interactive "Cops and Robbers" game that quickly became a favorite among the children. In the game, library staff played the role of the "robbers" attempting to steal money from the Isleta Bank, while young participants became the "cops" working together to stop them. The activity encouraged teamwork, laughter, and plenty of friendly competition. To thank everyone for participating, each child received a goody bag to take home. The event was a tremendous success, and library staff enjoyed spending the evening with families while promoting the library in a fun and memorable way. We would like to thank the Isleta Police Department for hosting another outstanding National Night Out and for bringing our community together for an evening of fun, **safety**, and connection.

It's Open House Season and library staff have been busy attending Open Houses at the following schools...

- Sundance Elementary
- Bosque Farms Elementary
- Isleta Elementary

We're off to a great start with our After School Program with students from Isleta, Sundance and Bosque Farms Elementary. We currently have 20 students enrolled in our program, with transportation to the library after school for Bosque Farms students. Library staff members have been helping students with homework, reading, crafts and activities. We already have an incentive field trip planned for September and students have been coming in and earning their spot by reading and doing homework to attend the field trip. Incentive field trips are a great way to get students motivated to do their homework and encourage them to read. If you have any questions or concerns regarding the After School Program, please give us a call and speak with a staff member at 505-869-9808.

**Attention:  
Pueblo of Isleta Community**

Public Works has implanted a new work order system for community work orders.

Community members can submit a work order the following ways:

1. Below is a QR Code you can scan with a smart device

2. You can access the link on the Pueblo of Isleta Website
3. Calling Public Works Office at 505-869-5170

Please provide as much information as possible about the work order being placed. We will need the following information:

- What is the issue?
- Location (Complete Address)
- Contact Name & Number
- Attached pictures, if any

NOTE: Please one work order per submittal! Our new system will not generate multiple work orders in one submission. Not providing all detail information on your work order may cause a delay!

We understand that not everyone has access to a smart device or computer to submit a work order, calling into Public Works Office at 505-869-5170 is still available

Tips for Parents:

• Set curfews:

Have a set curfew, but if you do decide to extend curfew do not let hours go by without checking on your child. Know where they will be and how long they will be there.

• Communicate your expectations:

Even though you might have talked to your child about the choices they make and how it will affect them, it is always a good idea to have the conversation again especially around this time of year.

• Trust:

Building trust with your child is mutual; this builds a strong relationship between child and parent. This also allows for growth and understanding.

• Boundaries:

Your child might want to go to a celebration that is out of town or at place you are not familiar with. Allowing your child to attend these celebrations might create a safety risk for your child and yourself. Make sure you discuss your concerns and make your decisions based on the outcome of your conversation.

Frances Zuni-Abeita

Frances Zuni-Abeita was born into this world on January 3, 1935, and left it on June 18, 2026 at the age of 91 whilst surrounded by her loved ones in the comfort of her warm home. During her lifetime Frances was a loving daughter, wife, mother, grandmother, sister and friend. She is preceded in death by her husband Joseph Cruz Abeita, her daughter Antoinette Abeita, her parents Ramon and Bartola Zuni, and her siblings Doris Lucero, Bobby Abeita, Mariano Zuni, Avelino Zuni, and Freddie Zuni. She is survived by her little sister Bernadette Cotton, daughters Loraine Padilla and Ramona Abeita, her grandchildren Robin Toler, Nicholas Toler, Luke Parra, Stephanie Padilla and spouse Derek Virgin, and many nieces, nephews, and extended family members who were dear to her heart.

Frances was a light to those who knew her and her absence will be felt by many. Throughout her life she was known for her genuine kindness and generosity, keen attention to detail, sharp intelligence, and her devotion to her family, friends, community and faith. She enjoyed volunteering, especially visiting the homebound through St. Augustine Church with Father Milton each month. She was ever present in her heritage and traditions, lending a thoughtful hand wherever she could.

Frances was an avid UNM Lobo fan and enjoyed cheering for the team with her family at basketball and football games. She appreciated the outdoors and all of nature’s creatures and gifts. She loved life and lived it with a full heart, expressing gratitude for each day- even the challenging ones. We will miss our beloved Frances, may she rest in peace.

At this time the family would like to extend our deepest gratitude to the community and all of our family and friends who have helped us navigate through this difficult time. Whether you assisted with the burial, cooked a meal, provided monetary donations, or shared kind words, we can’t express how much your kindness has meant to all of us. We miss our mother deeply but have continued to feel her love through all of you. Hurkem. We would also like to thank the tribal administration for their support through their presence and donation, and Father Milton for his profound words of love and friendship at the funeral mass as well as his ongoing support.
