*** Per the Pueblo of Isleta Election Code, Section 03-08-04 Tie Vote:** *In the event of a Tie Vote in any Election, the incumbent Tribal Council shall decide the winner by lot using a methodology of random chance. The Tribal Council shall do so in the next regularly scheduled Tribal Council Meeting occurring after either the deadline for a recount challenge under Section 03-10-02(D) or after a recount is completed, whichever is later. No challenge as to the Tribal Council's determination of the winner of a tie vote determined by lot shall be permitted.* Additionally, Article VI, Sec. 5 of the Pueblo of Isleta Constitution

mandates that the top fourteen (14) persons receiving the greatest number of votes shall be certified as the only candidates for the seven (7) positions for council members.

On October 27, 2026, during the regularly scheduled Tribal Council, the two tie vote candidates for Tribal Council – Paul A. Jiron and Michael Louis Jojola – selected a playing card at random to determine who would be included in the final fourteen candidates to advance to General Election. Michael Louis Jojola selected the higher card at random and will be included as a candidate on the General Election ballot.
